Sierra Stories True Tales Of Tahoe Volume Two:

Sierra Stories Mark McLaughlin, 1997 **Tahoe Tales of Bygone Days and Memorable Pioneers** Don Lane, 2004-11-24 The manuscript is a collection of short stories that were originally prepared as part of a radio program that began in the early 1980s as a summer informational and educational program for Tahoe area residents and tourists. Between 1982 and 1985 the author presented more than one hundred radio tales about Tahoe's history and the environment over Tahoe radio station KTHO AM 590. Lane returned to the radio airways in 1995 this time with radio station KOWL AM 1490 and has since broadcast more than two thousand tales. Don Lane's Tales of Tahoe The manuscript is a distinctive mixture of stories about the events large and small that shaped and changed the region and simple stories about the people that once lived in our region during the past 150 years. Stories about pioneer men and women, gold seekers and adventurers. Tales about the unique characters the famous like the Donner's, Mark Twain, John Sutter and James Marshall and John Fremont along with the powerful and the forgotten. The manuscript weaves serious history with light hearted tales with a minimum of editorializing as the emphasis has been on maintaining historical integrity and authenticity. The stories gathered from old journals, archives and historical records are both entertaining and educational. And hopefully too, this manuscript will contribute to an increased awareness of our regional history and a greater appreciation for those people that have been lost inside the pages of history. *Moon Tahoe* Ann Marie Brown, 2015-11-24 California outdoors expert Ann Marie Brown provides you with the essential details needed to discover all of the can't miss sights, attractions and restaurants in and around Tahoe. Subject Guide to Books in Print, 2001 **It Happened In Nevada** Elizabeth Gibson, 2010-07-13 Written in a lively, easy-to-read style, this book features approximately 30 stories written for history buffs of all ages.

Before Jim B. Tucker, M.D., 2021-04-13 A fully updated 2 in 1 edition with a new introduction by the author, combining Dr. Jim B. Tucker's bestselling books about children who remember past lives, *Return to Life* and *Life Before Life*. These two books contain first person accounts of Jim B. Tucker's experiences with a number of extraordinary children with memories of past lives, and expands on the international work started by Tucker's University of Virginia colleague Ian Stevenson. Tucker's work has been lauded by the likes of parapsychologist Carol Bowman and Deepak Chopra, and has been described by some as quantum physics. His goal in each case of a child reporting memories of previous lives is to determine what happened, what the child has said, how the parents have reacted, whether the child's statements match the life of a particular deceased person, and whether the child could have learned such information through normal means. Tucker has found case studies that provide persuasive evidence that some children do, in fact, possess memories of previous lives. Thought-provoking and captivating, the stories in *Before* urge readers, skeptics and supporters alike, to think about life, death, and reincarnation, and to reflect about their own consciousness and spirituality.

American Book Publishing Record, 1997 The Cumulative Book Index, 1998 A world list of books in the English language Canadian Books in Print. Author and Title Index, 1975 Southern Sin Lee Gutkind, Beth Ann Fennelly, 2014-03-18 23 strange but true stories of women flirting with perdition. In the steamy South, temptation is as wild and plentiful as kudzu. Whether the sin in question is skinny dipping or becoming an unlikely porn star, running a rooming house, or renting out a room to a pair of exhibitionistic adulterers, in these true stories women defy tradition and forge their own paths through life, often learning unexpected lessons from the experience. As Dorothy Allison writes in her introduction, "The most dangerous stories are the true ones, the ones we hesitate to tell, the adventures laden with fear or shame or the relentless pull of regret." Some of those are about things that we are secretly deeply proud to have done. A diverse array of contributors—mothers, daughters, sisters, best friends, fiancées, divorcees, professors, poets, lifeguards in training, lapsed Baptists, tipsy debutantes, middle-aged lesbians—lend their voices to this collection. Introspective and abashed, joyous and triumphant, but almost never apologetic, they remind us that sin, like beauty, is in the eye of the beholder.
