

## **Twin Flame**

**A day with you, that's all I ask for.**

**We cross paths once despite the often whiles,**

**Making it hard to understand the state of our hearts.**

**There's need for a full-time as much as I'm grateful for the half.**

**Enough of the thoughts we have when the door to each other's worlds  
is closed.**

**We deserve to explore the feelings our hearts keep rewinding,**

**Say the things left unsaid to avoid making time the biggest fool,**

**Fathom the strength of our bond despite the odds,**

**And make meaning of destiny and fate.**

**No better location to pin your way than one by the ocean,**

**For the breeze will help with both our feels as our souls unite,**

**Anything I'd wish to say will be uttered with no words held back,**

**And what I should know you'll enlighten me without fearing the unknown**

**It could be our only chance to unite the missing pieces to the  
puzzle of our soul.**

**When it's all said and done, an evening drive will do.**

**That drive to catch the beauty of nature through the setting sun.**

**Another moment to get the signature from the greatest star because  
authentic is what we are.**

**With the necessary hand on the wheel, while the main one in touch  
with yours,**

**Cause all I ever want is to feel everything that I do but with  
your presence next to mine.**

**With our skins attached and nothing in between,**

**And our eyes staring at the depth of what adds up to our being;**

**The being that was once one, but separated by the universe only  
to unite them at some point in time,**

**When they've experienced all that they should to make their reunion  
worth every pain and truth;**

**When they're both ready to receive each other again.**
