Long Way Home The Real People:

The Long Way Home Alexander Grant, 2025-11-08 When Ethan Harper's marriage ends he retreats to a quiet seaside town hoping to rediscover the version of himself he's long forgotten. The ocean is meant to be his refuge until he meets Leo, a young barista whose warmth and easy charm make the world start to feel alive again. What begins as simple conversation turns into something deeper, a connection that both soothes and unsettles him. With every lingering glance and late afternoon walk along the pier, Ethan finds himself pulled toward a truth he's spent a lifetime avoiding. Set against the golden light of a coastal town where time seems to stand still, *The Long Way Home* is a slow burn, age gap love story about rediscovery, second chances, and the kind of attraction that feels like coming up for air after years underwater.
