The Long Way Westward Joan Sandin,2020-11-10 America at last This classic early reader tells an exciting story and is also a good launching pad for classroom and home discussions. *The Long Way Westward* relates the experiences of two young brothers and their family immigrants from Sweden from their arrival in New York through the journey to their new home in Minnesota. This lively sequel to *The Long Way to a New Land* follows the fortunes of Carl Erik's family from New York City to the farmlands of Minnesota. Historically accurate, it will attract competent primary grade readers and will be equally suitable for less able readers in intermediate grades. School Library Journal As a fan of this book and its companion *The Long Way to a New Land*, I put it. The books describe the difficulty and dangers of the journey in a way that is non-complaining and full of optimism for a new life in America. Teachers, these books are wonderful for integrating with other subjects and topics such as immigration, westward expansion, steamships, trains, geography, and American life in the 1860s. Author/artist Joan Sandin's grandfather was born in Sweden and immigrated to Wisconsin with his parents in 1882 when he was only two. Joan herself spent time in Sweden and did extensive research to create her well-loved classic books about the immigrant experience.

Around the World with Historical Fiction and Folktales Beth Zarian,2004-06-28 As more school districts undergo the painstaking task of curriculum integration, resources that offer children an opportunity to live vicariously in times and places they cannot experience any other way become increasingly necessary. Whether two teachers are covering the same topic in separate classes (e.g. English and history) or designing a thematic unit with the school librarian, this book will assist all parties in the selection of high quality literature. In this handy guide to nearly 800 award-winning historical fiction for Kindergarten through 8th grade, Beth Zarian literally spans the globe. Entries are first divided into three sections: American history, world history, and myths and folklore, then chronologically from prehistoric times to present day, and finally by grade level. Each entry is accompanied by a short annotation. For anyone wishing to teach historical facts in an entertaining way, *Around the World with Historical Fiction and Folktales* is the only way to travel.
