

A photograph of two men standing in a mountainous landscape. The man on the left has long hair and is wearing a brown jacket and grey pants. The man on the right has a beard and is wearing a dark jacket and blue pants. They are standing next to two motorcycles. A metal toolbox is on the ground between them. The background shows steep, rocky mountains under a cloudy sky.

Lycra, Lattes and the Long Way Round Mark Krieger, 2011-11-11 As I drew closer to the town of Pont de Vaux I found myself thinking of some of the places I'd passed through There were so many tiny hamlets villages and larger towns some vibrant and fine looking others lifeless run down and in dire need of repair Then there were of course the countless

numbers of French people who had helped me piece together the jigsaw of roads along my way The places I was riding through weren't quite the same but there was that unmistakable pungent smell of agriculture in the air and the sight of fat cows chomping lazily on mouthfuls of grass It was vastly different from the Hautes Alps and the bustling stretch of Mediterranean coast but full of its own charm and character nonetheless Beginning with the idea of tackling some of Europe's most formidable mountains on his road bike Mark Krieger along with his wife Roz started his journey around France from the medieval town of Langres and instantly fell in love with the country Known for its history culture fine cuisine and above all its cycling it became the perfect setting for a Tour of a lifetime **Long Way Down** Ewan McGregor, Charley
