Garner's Modern American Usage Bryan Garner, 2009-07-28 Since first appearing in 1998 Garner s Modern
 American Usage has established itself as the preeminent guide to the effective use of the English language Brimming with
 witty erudite essays on troublesome words and phrases GMAU authoritatively shows how to avoid the countless pitfalls that
 await unwary writers and speakers whether the issues relate to grammar punctuation word choice or pronunciation An
 exciting new feature of this third edition is Garner s Language Change Index which registers where each disputed usage in
 modern English falls on a five stage continuum from nonacceptability to the language community as a whole to acceptability
 giving the book a consistent standard throughout GMAU is the first usage guide ever to incorporate such a language change
 index The judgments are based both on Garner s own original research in linguistic corpora and on his analysis of hundreds
 of earlier studies Another first in this edition is the panel of critical readers 120 plus commentators who have helped Garner
 reassess and update the text so that every page has been improved Bryan A Garner is a writer grammarian lexicographer
 teacher and lawyer He has written professionally about English usage for more than 28 years and his work has achieved
 widespread renown David Foster Wallace proclaimed that Bryan Garner is a genius and William Safire called the book
 excellent In fact due to the strength of his work on GMAU Garner was the grammarian asked to write the grammar and

usage chapter for the venerable Chicago Manual of Style His advice on language matters is second to none The Abstract Griot Troy L.
