Look It Up:

Look Up Kenneth Thompson, 2023-06-26 These are short stories Ranging from a Hit Man becoming infatuated with the person he is meant to kill to a person getting into a philosophical debate with their executioner to answering the fundamental nature of consciousness these stories will entertain readers with its clever insights and biting commentary Interlaced throughout are connected stories of two families whose lives are weaved together more than they could ever know Some stories are much longer than others but what they lack in brevity they make up for in levity This rhymes which means it is true When I Look Up Ron Gallo, 2021-11-21 Most Christian books have a problem For they speak from an adult

perspective and not a child s They leave out the most important aspect of the foundation when walking with God and that is the child They say do ABCDE to get a better walk with God That s fine but we forget about the growth of the child and there characteristics is the Christian life template for an adult to look at and learn from This is the reason why children come before adults it s so we can see who God sees God doesn t see us as we see each other as adults in arrogance God doesn t care about your social status or you can have more degrees than a thermometer you are his child God sees adults as tall children So now let s look deeper into a child s life and how it relates to Gods foundation the family Understanding the child then you will understand yourself and what God wants from us as adults Looking at the genesis of a child we can see many attributes and characteristics of a child that God wants to see in us We can shadow and be a reflection of childlike not childish as Jesus said in the book of Mathew Jesus clearly states unless you re like a child you shall not enter Right off the bat Jesus is drawing the line in the sand Children have many characteristics that we miss as adults and forget that we went through these same characteristics ourselves From looking up having child like faith being able to be led humility believability no pride or self righteousness etc This fascinating book being different will enhance any reader parent to take a stronger look at their own Christian life and check off the boxes to see if there in alignment with Gods standards There a chapter on being blind when your awake yet we trust him in sleep and other great gems of wisdom *Just Look Up*

Keep Looking Up! Leland Maples,2015-11-10 When I walked into the Big Spring Federal Prison Camp over thirty years ago I had no idea that God was going to change everything about my life I had no burden for inmates I was only going to teach a Bible class in prison because I could not get out of it For six years I drove 120 miles round trip every Friday night for that class The last two years of the six we drove back over on Saturday afternoon after visitation to work with the families It was during this time that the prison system began to expand at a rapid pace When we started into the prison in Big Spring it was the only prison west of Fort Worth in the entire state now we have about forty Men with vision like Don Gibson and Emmett Solomon were busy putting people and programs in place to meet the spiritual need of the largest prison system in the free world Linda and I were the greenest of all the volunteers Thank God the good ones took us under their wings and taught us **Keep Looking Up** Jentezen Franklin,2023-09-05 A Companion Devotional to Jentezen Franklin s Overcoming When You Feel Overwhelmed You Weren t Created to Tread Water You Were Created to WALK on It When storms hit and the mess of life comes crashing down it is easier to sink into the undertow than fight to stay above water When you focus on the waves you miss the hand reaching down to help you With warmth and wisdom pastor and New York Times bestselling author Jentezen Franklin reminds you that no storm is so fierce it can t be calmed and no obstacle is too big it can t be moved In these forty inspiring and compelling devotionals he not only creates daily opportunities for you to overcome what holds you back but also empowers you to trust God no matter your circumstances or storms conquer the four common tactics the enemy uses to pull you under implement the five biblical keys to overcoming any difficulty in life live the life God always intended you to live Don t ignore the lifeline God s throwing you It s time to look up reach out and get free from whatever is overwhelming you **Looking Up** Courtney Ellis,2024-04-09 In this meditation on birding as a practice of hope Courtney Ellis weaves together stories from her own life including the death of her grandfather with reflections on birds of many kinds By looking up to the birds Ellis found the beauty of these creatures calling her out of her darkness into the light and hope of God s promises Looking Up Michele Sullivan,2020-02-25 Imagine being born into a world where fitting in was never an option Michele Sullivan one of the most powerful women in philanthropy was born with a rare form of dwarfism Meaning she has spent her entire life looking up As the first female president of the Caterpillar Foundation she has used her unique point of view to impact countless lives around the world As a child Michele decided to life a life of meaning by Tailoring her

differences into something more suitable for the world Hiding from the world and live on the fringe Embracing her differences to turn them into assets Recognize that there was a strength within her that could help others Looking Up is the story of how Michele became the smallest woman at the largest earth moving manufacturer in the world While her height has presented challenges that are different from most it has allowed her to see things that others do not literally and figuratively Embedded in this narrative are unique and often hilarious takeaways for individuals about the importance of making the first move being wrong at first choosing intimacy over influence and learning that asking for help is a strength not a weakness
