The Penny Cyclopaedia of The Society for the Diffusion of Useful Knowledge Society for the Diffusion of Useful Knowledge (Great Britain),1838 The Penny Cyclopaedia of the Society for the Diffusion of Useful Knowledge ,1838 **Town Journal** ,1924 *Sex, Love, and Migration* Alexia Bloch,2017-12-15 Sex Love and Migration goes beyond a common narrative of women s exploitation as a feature of migration in the early twenty first century a story that features young women from poor countries who cross borders to work in low paid and often intimate labor Alexia Bloch argues that the mobility of women is marked not only by risks but also by personal and social transformation as migration fundamentally reshapes women s emotional worlds and aspirations Bloch documents how as women have crossed borders between the former Soviet Union and Turkey since the early 1990s they have forged new forms of intimacy in their households in Moldova Ukraine Belarus and Russia but also in Istanbul where they often work for years on end Sex Love and Migration takes as its subject the lives of post Soviet migrant women employed in three distinct spheres sex work the garment trade and domestic work Bloch challenges us to decouple images of women on the move from simple assumptions about danger victimization and trafficking She redirects our attention to the aspirations and lives of women who despite myriad impediments move between global capitalist centers and their home communities **Beliefs, Behaviors, & Alcoholic Beverages** Mac Marshall,1979

Essays on the use of alcoholic beverages within diverse societies and cultures Vistas de España Mary Elizabeth Boone, 2007-01-01 In the decades following the American Civil War and leading up to the First World War a definitive shift in power took place between Spain and the United States This original book explores American artists' perceptions of Spain during this period of turmoil and demonstrates how their responses to Spanish art helped to answer emerging complex questions about American national identity M Elizabeth Boone focuses on works by Thomas Eakins Mary Cassatt William Merritt Chase John Singer Sargent Robert Henri and other American artists who traveled to Spain to study the achievements of such great masters as Murillo Velázquez and Goya The resulting American paintings, some well known and others now largely forgotten, provide intriguing insights not only into the 19th century American struggle to define itself as an imperial power but also into the relations between the United States and the Spanish speaking world today The Language and Imagery of Coma and Brain Injury Matthew Colbeck, 2021-04-22 What occurs within coma? What does the coma patient experience? How does the patient perceive the world outside of coma, if at all? The simple answer to these questions is that we don't know Yet the sheer volume of literary and media texts would have us believe that we do Examining representations of coma and brain injury across a variety of texts, this book investigates common tropes and linguistic devices used to portray the medical condition of coma, giving rise to universal mythologies and misconceptions in the public domain Matthew Colbeck looks at how these texts represent or fail to represent long-term brain injury, drawing on narratives of coma survivors that have been produced and curated through writing groups he has run over the last 10 years Discussing a diverse range of cultural works, including novels by Irvine Welsh, Stephen King, Tom McCarthy, and Douglas Coupland, as well as film and media texts such as *The Sopranos*, *Kill Bill*, *Coma*, and *The Walking Dead*, Colbeck provides an explanation for our fascination with coma With a proliferation of misleading stories of survival in the media and in literature, this book explores the potential impact these have upon our own understanding of coma and its victims
