Thomas Sowell, 2010-05-11 An indictment of the American educational system criticizes the fact that the system has discarded the traditional goals of transmitting knowledge and fostering cognitive skills in favor of building self-esteem and promoting social harmony Dream School Jeffrey Selingo, 2025-09-09 New York Times Bestseller From the bestselling author of *Who Gets In and Why* a must-have playbook for families coping with a more stressful era of startling low admission rates and sky-high prices one that widens the aperture beyond the Top 25 schools and connects students parents and counselors with quality affordable choices Attending college has long been a rite of passage for millions of teens and a bedrock of the American dream But that well-worn path has lately taken a wrong turn denying admission even to super-achievers and putting intolerable stress on family finances Now in *Dream School* Jeffrey Selingo shifts the spotlight from how colleges pick students to how students can better pick colleges With test-optional policies and grade inflation leveling the playing field for applicants getting into prestigious schools has become a kind of lottery Plan A may work out but increasingly it isn't so Selingo urges families to ditch the Top 25 or bust mindset and look beyond the usual suspects Hidden gem schools with incredible value and rich opportunities are waiting to be discovered Backed by unparalleled research and an eye-opening survey of more than 3,000 parents *Dream School* reveals what really matters in a college: strong job prospects after graduation hands-on learning experiences and a sense of belonging To help students find their perfect match Selingo highlights 75 accessible and affordable colleges that will satisfy those priorities Organized into three easy-to-digest sections *Dream School* explains why elite college degrees turn out to matter less than you think why many parents and students are choosing value over prestige and how to make sure the degree really pays off In these pages Selingo's engaging style and expert insights turn what is often an unnavigable maze into a clear roadmap Destined to become the ultimate guide for families crossing the perilous college admissions landscape *Dream School* isn't just a book it's a lifeline for those who can find themselves trapped in an overwhelming process **Cool Colleges** Donald Asher, 2011-06-29 Fully revised since the first edition *Cool Colleges* covers the most exciting schools in the U.S. and Canada with a new chapter on eco-schools an update on tuition-free schools and the total low-down on the so-called top-ranked schools Worth a look if you're headed for college or getting ready to apply San Diego Union Tribune Are you hyper-intelligent Self-directed A late bloomer Or just different Then you need a great school that will challenge nurture inspire and motivate you and *Cool Colleges* has got 'em It will also give you the scoop on What the Ivy League is and what it really wants Totally free schools including one where financial need is a requirement for admission Universities that don't give grades Schools that don't want your SAT scores Data on the highest and lowest paying majors The schools that graduate the most millionaires Men's women's and minority-focused colleges Schools where you can design your own degree program A college where you can hike and camp your way

to a degree A college that runs its own ranch on an 80 square mile campus Science and engineering schools where undergrads get their own labs The most competitive colleges including one that rejects 95% of applicants Campuses where students love to study even on Saturday nights Schools that offer programs in computer game studies comedy auctioneering special effects makeup and more Plus a link to the Web addresses for every college and university in the United States and Canada Cool Colleges is the resource for finding your dream school and gives you the edge you ll need to get accepted

Debt-Free U Zac Bissonnette,2010-08-31 This book can save you more than 100 000 These days most people assume you need to pay a boatload of money for a quality college education As a result students and their parents are willing to go into years of debt and potentially sabotage their entire financial futures just to get a fancy name on their diploma But Zac Bissonnette is walking proof that this assumption is not only false but dangerous a class con game designed to rip you off and doom your student to a post graduation life of near poverty From his unique double perspective he s a personal finance expert at Daily Finance AND a current senior at the University of Massachusetts Zac figured out how to get an outstanding education at a public college without bankrupting his parents or taking on massive loans Armed with his personal knowledge the latest data and smart analysis Zac takes on the sacred cows of the higher education establishment He reveals why a lot of the conventional wisdom about choosing and financing college is not only wrong but hazardous to you and your child s financial future You ll discover for instance that Student loans are NOT a necessary evil Ordinary middle class families can and must find ways to avoid them even without scholarships College rankings are useless designed to sell magazines and generate hype If you trust one of the major guides when picking a college you face a potential financial disaster The elite graduate programs accept lots of people with non elite bachelors degrees So do America s most selective employers The name on a diploma ultimately won t help your child have a more successful career or earn more money Zac can prove every one of those bold assertions and more No matter what your current financial situation he has a simple message for parents RELAX Your kid will be able to get a champagne education on a beer budget
