Looking For Your Name A Collection Of Contemporary Poems:

Looking for Your Name Paul B. Janeczko, 1993 Poems which present a wide ranging look at life in contemporary America **Poetry in Literature for Youth** Angela Leeper, 2006-03-28 Poetry in Literature for Youth offers teachers librarians parents and students with an instrumental guide for incorporating all forms of poetry into the curriculum More than 900 annotated entries provide descriptions of books and other resources including anthologies classics various poetry formats poetry novels multicultural poetry performance poetry teen poetry poet biographies and curriculum connections Educators who are often unaware of the poetry resources available particularly for young adults will welcome this book with open arms Lists for building a core poetry collection along with resources for teaching poetry criticism and writing electronic poetry resources booktalks classroom activities and lesson plans complement this guide Author Geographic Grade Subject and Title indexes are also included For anyone interested in knowing more about poetry in literature this is an indispensable guide **Young Adult Literature in Action** Rose Brock, 2019-06-14 Taking a genre approach this overview of young adult literature shows new librarians and library science students the criteria to use for selecting quality books including recommended titles This third edition of Young Adult Literature in Action draws on the success of the previous two editions authored by Rosemary Chance updating and expanding on them to meet the needs of today's librarians and library science students It includes a new focus on diverse books LGBTQ selections the role of book formats and the relevance of librarians serving teen populations and is an ideal resource for teaching young adult literature courses Organized by major genre divisions this easy to use book includes new information on timely topics such as audio and e books accessible books and graphic novels Each chapter includes revised and updated information on collaborative activities featured books special topics and programs selected awards and celebrations historical connections recommended resources issues for discussion author comments and assignment suggestions Further updates include citations of exemplary young adult books and award winners references websites and a bibliography **Standards-based Activities with Scoring Rubrics:**

Performance-based projects, 2002 **Best Books for Young Adults** Holly Koelling, 2007-08-13 Rev ed of Best books for young adults Betty Carter with Sally Estes and Linda Waddle 2nd ed c2000 *Poems by Adolescents and Adults* James Brewbaker, Dawnelle J. Hyland, 2002 A collection of poems by average students in America reveals varied concerns from family pressures to social life school issues and concerns for the future **Making the Match** Teri S. Lesesne, 2003 Explains how teachers and librarians can steer students to the literature they love by focusing on three key areas knowing the readers knowing the books and knowing the strategies to motivate students to read *Poets for Young Adults* Mary Loving Blanchard, Cara Falcetti, 2006-12-30 Spanning the time of colonial America through the present day Poets for Young Adults examines the lives and works of seventy five poets that are read and loved by teens Readers will discover an eclectic mix of poets and their styles from the modern songwriters such as Bob Dylan and Tupac Shakur to the nineteen sixties icons

Jack Kerouac and Sylvia Plath to such traditional poets as Edgar Allan Poe and William Blake Poets from all multicultural backgrounds are included many of whom wrote about the immigration and or protest experiences from Colonial through contemporary times Over half of the poets are women and more than one third are women of color Poets include Maya Angelou Gloria Evangelina Anzaldua Anne Bradstreet Lewis Carroll E E Cummings Emily Dickinson Bob Dylan Ralph Waldo Emerson Paul Fleischman Robert Frost Nikki Giovanni Langston Hughes Paul Janeschko Myra Cohn Livingston Ogden Nash Naomi Shihab Nye Joyce Carol Oates Lydia Omolola Okutoro Gary Soto Phillis Wheatley Ray Anthony Young Bear **The**

Reading Connection Liz Knowles,Martha Smith,1997-02-15 Establishing a book club is a great way to involve parents in promoting literacy to young readers This book shows you how to start a book club in your school or community and it provides bibliographies of literature resources for children Suggested topics and sample book club sessions help you get started and an extensive bibliography arranged by genre guides teachers parents and students in selecting reading material Chapters cover read alouds picture books horror stories multicultural literature poetry science fiction nonfiction and reference bibliotherapy and problem novels award winning books biographies and books in a series For each genre the authors offer a general overview suggest discussion questions provide a bibliography and list resources for further reading Helpful Internet addresses and additional topics are included in the concluding chapter **Young Adult Literature**

Katherine Toth Bucher,KaaVonia Hinton,2010 Contemporary and practice this edition remains comprehensive enough to ensure that teachers understand today s adolescents and the literature that engages them while still remaining brief enough to give teachers the opportunity to read the books discussed Literature for Children David L. Russell,1997 This succinct yet comprehensive introduction to children s literature focuses on genres and concepts rather than on particular authors This completely updated edition provides a clear literary perspective for understanding the foundations and contexts of literature including the various genres of children s literature from picture to informational books *Young Adult Literature in the Classroom* Joan B. Elliott,2002 This new volume answers both questions by explaining how YA literature promotes learning across cultures genres disciplines and grade levels and by giving practical lessons and teaching tips **Booktalking the Award Winners** H W Wilson,1995 *Literature for Today's Young Adults* Kenneth L. Donelson,Alleen Pace Nilsen,1997 With 140 fewer pages than the fourth edition the fifth obviously has been tightened it s partly in the format with narrower margins and less white space Otherwise some text has been rephrased or rearranged and topics for example adolescent psychology given shorter shrift Coverage of Holocaust literature has been expanded and discussion of problem novels improved Sports books have been dumped in with humor movies and other stuff including humorous poetry which it seems the authors feel is the only kind teens read for pleasure other types of poetry as well as short stories and drama are relegated to the English classroom coverage of which has been enlarged The chapter on sf and fantasy is good on historical aspects but weak on today s writers A short list of Internet listserves and Web sites has been incorporated as part of using YA literature

in the library Once again updating of appendixes seems spotty Nevertheless this is useful as a resource for youth librarians and a tool for teaching YA literature Sally Estes **Literature and the Child** Bernice E. Cullinan, Lee Galda, 1998 With a slender design and appealing art Cullinan and Galda present a thought provoking discussion on how children can read to respond read to learn and read to enjoy This text provides evaluation criteria for selecting superior children s books rather than listing thousands of titles and synopses Booklists direct readers to quality literature and extended discussions of selected titles demonstrate the selection criteria Multicultural literature is discussed throughout the text with a separate chapter on more specific multicultural issues Numerous teaching ideas many of which are contributed by classroom teachers provide practical applications This is a book for teachers stressing the use of good books in a literature based curriculum

100 Most Popular Children's Authors Sharron L. McElmeel, 1999-05-15 A guide based on a 1997 survey of popular children s book authors provides biographical sketches and selected bibliographies for such writers as Beverly Cleary Lois Lawry Lewis Carroll Mary Downing Hahn and C S Lewis *Adult Learners Welcome Here* Marguerite Crowley Weibel, 2007 Designed to help librarians connect new adult readers with books and to acquaint literacy teachers with materials generally available in their public library This book outlines the library s role in fostering adult literacy and shows how popular library materials can be used by librarians and teachers in new and innovative ways *Index to Poetry for Children and Young People, 1993-1997* G. Meredith Blackburn, 1999 A title subject author and first line index to poetry in collections for children and young people with a list of books and a directory of publishers The Horn Book Guide to Children's and Young Adult Books , 1992 *Theory of the Lyric* Jonathan Culler, 2015-06-08 What sort of thing is a lyric poem An intense expression of subjective experience The fictive speech of a specifiable persona Theory of the Lyric reveals the limitations of these two conceptions of the lyric the older Romantic model and the modern conception that has come to dominate the study of poetry both of which neglect what is most striking and compelling in the lyric and falsify the long and rich tradition of the lyric in the West Jonathan Culler explores alternative conceptions offered by this tradition such as public discourse made authoritative by its rhythmical structures and he constructs a more capacious model of the lyric that will help readers appreciate its range of possibilities Theory of the Lyric brings Culler s own earlier more scattered interventions together with an eclectic selection from others work in service to what he identifies as a dominant need of the critical and pedagogical present turning readers attention to lyric poems as verbal events not fictions of impersonated speech His fine nuanced readings of particular poems and kinds of poems are crucial to his arguments His observations on the workings of aspects of lyric across multiple different structures are the real strength of the book It is a work of practical criticism that opens speculative vistas for poetics but always returns to poems Elizabeth Helsinger Critical Theory
