Looking For Laura:

Laura's Year Lesley Southgate, 2023-11-10 In January 1976 it is an excited but nervous family of four who board a Jumbo jet to leave England to begin a new life in a small town on the Persian Gulf in Iran Adrian an ex Royal Naval Officer thought this new job in Iran would be a chance to earn big money and although neither parent had wanted to disrupt their children's education they thought it was worth the risk giving them both valuable life experiences and a chance to see something of the world Once settled in their new home with the children happily enrolled in an excellent international school they immediately made friends with like minded ex pats and got involved in an active and well established social scene with parties and functions most weekends and daily trips to their club in town which housed a bar and swimming pool Caroline and Alex having made friends at school as well as with some local children who lived in mud huts in the desert at the end of their road also seemed happy with their lot but Laura becomes pregnant which threatens to disrupt their idyllic lives and events that followed appear to have changed Laura's once devoted and loving husband's feelings towards her But had Laura changed And that was why her previously caring husband didn't fancy her anymore How was she to get their relationship back on track when there were so many exciting distractions and choices which held his attention which didn't include her **Hints**
