Winds of Words Holger Winkler, 2025-11-03 Before anchors aweigh became metaphor, before hand on deck became management lingo, sailors were inventing the words that would eventually steer the modern workplace. *Winds of Words* is an uplifting fast paced exploration of how centuries of nautical slang, discipline and camaraderie transformed global language and the way we talk about business, teamwork and resilience today. Far from being about cursing or conflict, this book celebrates the creativity behind naval communication. Sailors and captains needed words that worked: short, vivid and unforgettable. From stormy decks and bustling ports emerged phrases still alive in boardrooms and startups today.
