Lord Cromer Victorian Imperialist Edwardian Proconsul:

Lord Cromer Roger Owen, 2004 In the heyday of Empire just before the First World War Lord Cromer was second only to Lord Curzon in fame and public esteem In the days when Cairo and Calcutta represented the twin poles of British power in Asia and Africa Cromer's commanding presence seemed to radiate the essential spirit of imperial rule In this first modern biography Roger Owen charts the life of the man revered by the British and hated by today's Egyptians the real ruler of Egypt for nearly a quarter of a century A member of the famous City banking family of Baring Brothers Cromer in his youth seemed to be distinguished mainly by lack of academic ability and a taste for the fashionable pursuits of his day His first military posting to Corfu was welcomed by him on account of the excellent shooting to be had in the region Roger Owen shows how almost imperceptibly his commitment to public service grew due in part at least to his relationship with Ethel Errington who after long delay became his first wife From the island outposts of the old British Empire to India the jewel in its crown and finally to the new Empire in Africa Cromer represented the might of Britain's Empire Few imperial administrators had either his range of experience or his long practice of ruling different non-European peoples at a time when the whole notion of Empire itself entered more and more into the metropolitan political debate Roger Owen makes extensive use of Cromer's official correspondence family papers memoirs and the personal letters of his friends and colleagues to explore all aspects of Cromer's life in imperial government He examines his innovative role in international finance and his energetic re-engagement with Britain's troubled political life following his formal retirement in 1907 Finally he assesses the sometimes bitter legacy of imperial rule left by Cromer *Helpless Imperialists* Maurus Reinkowski, Gregor Thum, 2012-11-21 *Helpless Imperialists* enquires into the relation between imperial exposure fear radicalization and violence and highlights moments of peripety bringing imperialist grandeur to collapse **Britain's Imperial Muse** C. Hagerman, 2013-04-16 Britain's Imperial Muse explores the classics contribution to British imperialism and to the experience of empire in India through the long 19th century It reveals the classics role as a foundational source for positive conceptions of empire and a rhetorical arsenal used by commentators to justify conquest and domination especially of India Newman and His Contemporaries Edward Short, 2011-04-21 **The Government and Administration of Africa, 1880-1939 Vol 1** Casper Anderson, 2017-07-05 This collection makes available rare sources on the aims functions and effects of British administration in Africa Topics examined include land and urban administration law and jurisprudence taxation and administration of natural resources **Prolonging the Agony** Jim Macgregor, Gerry Docherty, 2018-01-12 The fact that governments lie is generally accepted today but World War I was the first global conflict in which millions of young men were sacrificed for hidden causes They did not die to save civilization they were killed for profit and in the hopes of establishing a one world government By 1917 America had been thrust into the war by a President who promised to stay out of the conflict But the real power behind the war consisted of the bankers the financiers and the politicians referred to in this book as The

Secret Elite Scouring government papers on both sides of the Atlantic memoirs that avoided the censor's pen speeches made in Congress and Parliament major newspapers of the time and other sources Prolonging the Agony maintains that the war was deliberately and unnecessarily prolonged and that the gross lies ingrained in modern histories still circulate because governments refuse citizens the truth Featured in this book are shocking accounts of the alleged Belgian outrages the sinking of the Lusitania the manipulation of votes for Herbert Hoover Lord Kitchener's death and American and British Zionists in cahoots with Rothschild's manipulated Balfour Declaration The proof is here in a fully documented exposé a real history of the world at war *Churchill and Africa* C. Brad Faught, 2023-09-30 This timely book fills a lacuna in the extensive literature on Churchill's life and times It covers his long relationship with Africa during the most important period in Anglo-African history from nineteenth century imperial rule to independence and the emergence of modern Africa Churchill first went to Africa during the British reconquest of Sudan in 1898 and would spend almost the next sixty years dealing with Africa as soldier journalist government minister and finally prime minister Churchill's story is one of transition from the height of late Victorian British imperialism to the acceptance of African nationalism in the middle years of the twentieth century He helped to shape British colonial policy in Africa from the first decade of the twentieth century through the Second World War and colonial Kenya's Mau Mau crisis of the 1950s Few British leaders were as closely involved with Africa as was Churchill Imperial Borderlands Marie de Rugy, 2021-10-18 This book presents a connected history of South East Asian borderlands drawing on late nineteenth century British and French geographical policies and practice It focuses on the scramble in Asia when in 1885 the British Raj incorporated Upper Burma and the French created a Protectorate in Annam Tonkin the Northern part of present day Vietnam Fought over by the imperial states and neighbouring nations the frontier zones were fashioned and represented not only by the two European powers but also by the Chinese Empire the Kingdom of Siam and the local populations The counterpoint between the discourses produced and the cartographical practices on the ground in the longue durée reveals the interacting processes of territory building in all their unpredictability This book is the updated version of the author's *Aux confins des empires Cartes et constructions territoriales dans le nord de la péninsule indochinoise 1885-1914* Paris Éditions de la Sorbonne 2018 It is translated by Saskia Brown an experienced academic translator from French in the humanities and social sciences With a foreword by Matthew Edney **Character, Ethics and Economics** Peter Cain, 2018-09-28 This book is an examination of the concept of character as a moral marker in the later nineteenth and early twentieth centuries Its main purpose is to investigate how the character talk that helped to shape elite Britons' sense of themselves was used at this time to convince audiences both in Britain and in the places they had conquered that empire could be morally as well as materially justified and was a great force for good in the world A small group of radical thinkers questioned many of the arguments of the imperialists but found it difficult to escape entirely from the sense of moral superiority that marked the latter's language *Egyptian-Indian Nationalist Collaboration and the British Empire*

N. Khan, 2011-10-24 An examination of the collaboration between Egyptian and Indian nationalists against the British Empire this book argues that the basis for Third World or Non Aligned Movement was formed long before the Cold War

Neo-Victorianism Ann Heilmann, Mark Llewellyn, 2010-07-28 This field defining book offers an interpretation of the recent figurations of neo Victorianism published over the last ten years Using a range of critical and cultural viewpoints it highlights the problematic nature of this new genre and its relationship to re interpretative critical perspectives on the nineteenth century

Women in Journalism at the Fin de Siècle F. Gray, 2012-03-13 As the nineteenth century drew to a close women became more numerous and prominent in British journalism This book offers a fascinating introduction to the work lives of twelve such journalists and each essay examines the career writing and strategic choices of women battling against the odds to secure recognition in a male dominated society

Kingmakers Shareen Blair Brysac, Karl E. Meyer, 2011-06-27 A brilliant narrative history tracing today s troubles back to the grandiose imperial overreach of Great Britain and the United States Kingmakers is the gripping story of how the modern Middle East came to be as told through the lives of the Britons and Americans who shaped it Some are famous Lawrence of Arabia and Gertrude Bell others infamous Harry St John Philby father of Kim some forgotten Sir Mark Sykes Israel s godfather and A T Wilson the territorial creator of Iraq All helped enthrone rulers in a region whose very name is an Anglo American invention The aim of this engrossing character driven narrative is to restore to life the colorful figures who gave us the Middle East in which Americans are enmeshed today

Imperial Bodies Shana Minkin, 2019-11-19 At the turn of the twentieth century Alexandria Egypt was a bustling transimperial port city under nominal Ottoman and unofficial British imperial rule Thousands of European subjects lived worked and died there And when they died the machinery of empire had to negotiate for space resources and control with the nascent national state Imperial Bodies shows how the mechanisms of death became a tool for exerting both imperial and national governance Shana Minkin investigates how French and British power asserted itself in Egypt through local consular claims of belonging manifested within the mundane caring for dead bodies European communities corralled imperial bodies through the bureaucracies and rituals of death from hospitals funerals and cemeteries to autopsies and death registrations As they did so imperial consulates pushed against the workings of both the Egyptian state and each other expanding their governments material and performative power Ultimately this book reveals how European imperial powers did not so much claim Alexandria as their own as they maneuvered manipulated and cajoled their empires into Egypt

Partitions Arie M. Dubnov, Laura Robson, 2019-01-29 Partition the physical division of territory along ethno religious lines into separate nation states is often presented as a successful political solution to ethnic conflict In the twentieth century at least three new political entities the Irish Free State the Dominions later Republics of India and Pakistan and the State of Israel emerged as results of partition This volume offers the first collective history of the concept of partition tracing its emergence in the aftermath of the First World War and locating its genealogy in the politics of twentieth century empire and decolonization

Making use of the transnational framework of the British Empire which presided over the three major partitions of the twentieth century contributors draw out concrete connections among the cases of Ireland Pakistan and Israel the mutual influences shared personnel economic justifications and material interests that propelled the idea of partition forward and resulted in the violent creation of new post colonial political spaces In so doing the volume seeks to move beyond the nationalist frameworks that served in the first instance to promote partition as a natural phenomenon

Reconstructions in Middle East Economic History Don Babai,2024-10-24 This volume explores major theoretical and empirical themes in the study of the economic history of the Middle East Despite the relative neglect of economic history in Middle Eastern studies this book makes a case for its importance as a discipline of study On the one hand it shows promise in illuminating the economic base of historical trends and events on the other it can elucidate the historical foundations of economic continuity and change The chapters employ an array of theoretical and methodological approaches and ultimately demonstrate how economics and history along with political economy complement each other in studying the Middle East Among the substantive topics explored are the trajectories of the Arab Spring institutional change and economic development in the early Ottoman Empire the destructive effects of the reordering property rights in Iraq by the American led occupation authority the evolution of the political economy of the Islamic Republic of Iran and the determinants of movements in the yields of Egyptian and Ottoman sovereign debt following political and economic crises in the 19th and early 20th centuries The book will be of interest to scholars and students of economic history political economy and the Middle East

Imperial Defence Greg Kennedy,2007-11-21 This new collection of essays from leading British and Canadian scholars presents an excellent insight into the strategic thinking of the British Empire It defines the main areas of the strategic decision making process that was known as Imperial Defence The theme is one of imperial defence and defence of empire so chapters will be historiographical in nature discussing the major features of each key component of imperial defence areas of agreement and disagreement in the existing literature on critical interpretations introducing key individuals and positions and commenting on the appropriateness of existing studies as well as identifying a raft of new directions for future research

Constructing Nationalism in Iran Meir Litvak,2017-04-21 Nationalism has played an important role in the cultural and intellectual discourse of modernity that emerged in Iran from the late nineteenth century to the present promoting new formulations of collective identity and advocating a new and more active role for the broad strata of the public in politics The essays in this volume seek to shed light on the construction of nationalism in Iran in its many manifestations cultural social political and ideological by exploring on going debates on this important and progressive topic

Indian Army in the First World War Alan Jeffreys,2018-04-19 The book addresses the important global role of the Indian Army during the First World War It is an academic reassessment of the army by both established and early career scholars of the Indian Army as well as naval historians It looks at the historiography of the army taking into account the

recent work on the army particularly on the Western Front in 1914 1915 The edited volume covers the traditional areas of the Indian Army on the Western Front in Palestine Mesopotamia and the defence of the Suez Canal however there are also chapters on combined operations Indian prisoners of war in Germany and Turkey the expansion of the officer corps and the Sikh experience as well as the mobilisation of the equine army at the beginning of the war and the demobilisation of the army in the period from 1918 until 1923 Three additional chapters are related to the theme such as the role of the Royal Indian Marine the Territorial Army in India and Churchill's portrayal of the Indian Army during the Gallipoli campaign in his account The World Crisis

Egypt's Occupation Aaron G. Jakes, 2020-08-25 The history of capitalism in Egypt has long been synonymous with cotton cultivation and dependent development From this perspective the British occupation of 1882 merely sealed the country's fate as a vast plantation for European textile mills All but obscured in such accounts however is Egypt's emergence as a colonial laboratory for financial investment and experimentation Egypt's Occupation tells for the first time the story of that financial expansion and the devastating crises that followed Aaron Jakes offers a sweeping reinterpretation of both the historical geography of capitalism in Egypt and the role of political economic thought in the struggles that raged over the occupation He traces the complex ramifications and the contested legacy of colonial economism the animating theory of British imperial rule that held Egyptians to be capable of only a recognition of their own bare economic interests Even as British officials claimed that economic development and the multiplication of new financial institutions would be crucial to the political legitimacy of the occupation Egypt's early nationalists elaborated their own critical accounts of boom and bust As Jakes shows these Egyptian thinkers offered a set of sophisticated and troubling meditations on the deeper contradictions of capitalism and the very meaning of freedom in a capitalist world
