Small changes lead to big results that stick. 5% More presents a painless route to change with results that can last a lifetime. Whether you want to boost your health, wealth, or wisdom, this book reveals a key technique that makes it stick. You may already know that breaking big goals into small chunks makes them easier to achieve, but the trick is in making those chunks large enough to be productive yet small enough to be sustainable. This book shows you how to bring your goals within reach with only five percent more effort. Five percent is almost unnoticeable in terms of effort, but it accrues quickly with each step, boosting the baseline. Increase sales, decrease your marathon time, boost your savings, or master a new skill. Just five percent more can get you where you want to be. Small changes, small commitments, and small adjustments can lead to very big results. You can accomplish more than you ever thought possible in your business or in your life. This book walks you through the 5% More strategy to help you map your path to the future. Accomplish big changes with very small steps. Make bigger leaps in progress each step of the way. Break big goals into manageable milestones. Find a change that you can stick to for the long term. Mountain climbers don't conquer Everest on their first time out attempting to do so; would be a tragic failure. No matter what your goal, no matter what your baseline, small incremental steps set you up for success. 5% More gives you a concrete strategy for realizing your goals and making changes that last.
