Breedlove,2025-05-27 Justice for All Nearly a year ago a group of corrupt cops tried to kill two cops and failed thanks in part to Mac Davis a Marine turned cop reporter for the *Seattle Examiner* And as is often the case the attempt to cover it up was an even bigger deal than the original crime And now finally the court trials will begin But witnesses are going missing There is a hit list with bounties and Mac Davis and others at the *Examiner* are on it Mac is determined to keep his people safe either as a reporter or as Marine Whatever gets the job done Book 7 in the series Mac Davis thrillers *How They Run The Country* Tex Enemark,2015-07-30 Here are 19 short stories about Canadian politics and government These fictional inside accounts of political and governmental events discussions and decisions give the reader an unvarnished view into how Ottawa works That is how politicians think what it's like to live with the pressures of decisions and what kinds of issues and preoccupations confront political activists organizers prime ministers governments elected politicians their staffs and lobbyists It covers people trying to do their best for the country and those less idealistic The stories go from the recruitment of a candidate through an election campaign to appointment to Cabinet then to decline in political fortune defeat and what happens after In between are stories about political staff a lobbyist an Opposition MP who takes things seriously and a Government MP that does not political leadership and even how a single person missing from a situation changes the outcome So the various stories cover honesty and dishonesty loyalty and disloyalty marital fidelity and marital betrayal political wisdom political stupidity luck both good and bad how things might happen or are planned to happen are hoped to happen or didn't happen Nothing in Government and politics is as simple as it sometimes seems but sometimes the confusion is deliberate For anyone interested in Canadian politics these stories will inform amuse confuse and beguile you **Two Tyeas Ago** Charles Kingsley,2020-07-28 Reproduction of the original *Two Tyeas Ago* by Charles Kingsley **Betty David Dawn**,2014-08-29

Betty is a story about my mother's life. She was a run away in the 30's. She led her life following her emotions which got her into a lot of trouble for example choosing the wrong men and using the good men later in life she started controlling her emotions and thus led a better life for her self and her children. The Woman's Rights Aria in the 30's to the 60's influenced her life. They fought for equality on the job and equality in the home. For example when the man of the house passed on the woman did not get the house or the money. The brother of the man got the house and the right to decide what the wife got and how much. Remember each new day gives a person another chance to continue their fight for changing to be the person who they really want to be.

God is Not Here Bill Russell Edmonds, 2015-05-15 In May 2005 Lieutenant Colonel Bill Russell Edmonds of the U.S. Army Special Forces a decorated counter terrorism expert was deployed to the Iraqi city of Mosul which was boiling over. His job was to advise an Iraqi Intelligence Officer on the art of interrogations collect intelligence and monitor the capture and interrogation of insurgents while applying the brakes on more extreme tactics and torture. From a makeshift basement prison he would witness a never ending cycle of some of the darkest things humanity could create. It was a soul crushing minefield of mutually exclusive moral mandates. Edmonds training offered little practical guidance for the nuances of the Iraq War so he had to draw his own red line what level of torture he would tolerate and what level he would not. A year later he returned home morally and spiritually hollowed out with post traumatic stress and acute moral injury. At first he thought his distress was from the inevitable adjustment of returning home. In *God Is Not Here* Edmonds has gone beyond a blood and body count war memoir revealing his emotional psychological and spiritual trauma and the tortuous process of his reassembly while providing a raw look at what happened overseas.

My Journey Robert "Bob" Williams, 2014-02-04 The book written in free style includes poems and short stories and reflects the authors experiences as he worked as an engineering consultant manager in London Jamaica and the USA over a period of fifty years. The book is not about engineering but rather about people events and circumstances observed and or experienced as he navigated his way through diverse places and situations over that period of time. The writings include romantic cultural sociological and political subjects. Each poem or story has its own natural emotional dynamics ranging from hate love lust abysmal ignorance or arrogance beauty of nature beauty of the soul. Like in the case of movies that embellish books of authors so as to capture the imagination of the viewer so does this book in embellishing those poems and short stories to peak the interest of the reader. As in the case of broadcasting or voice over work this book should be read with emphasis to reflect the emotion embedded in the words.
