trees around them They were led by the light that seemed to be calling them on Every step was full of excitement and fear and their hearts were pounding with excitement and fear What will you find at the end of this interesting trip As they continued their search the sparkles led them to an area where the moonlight was soft and comforting In the middle a strange thing stood in the middle of an ethereal glow It was a small disk that glowed and hummed in a way that seemed to connect with their souls Mia cautiously walked up to the mysterious object her eyes wide with wonder and excitement She reached out and put her fingers on the surface of the glowing sphere To her surprise the sphere answered by glowing with a warm light It seemed like the shooting star chose Mia and Ben to tell what it knew At that exact moment the orb unfolded revealing a holographic image of an old star map Mia and Ben yelled and their hearts were beating fast with excitement The chart showed a series of faraway stars that made a path to Star Haven a mythical paradise in the sky Mia and Ben promised that they would go on a great adventure to follow the star map and find the magical Star refuge Their hearts were full of courage and determination They knew that this adventure would be different from anything else they had done before but they were excited to face the unknown and find out more about the world Mia and Ben didn't know that their lives were about to change for the rest of their lives The shooting star gave them a once in a lifetime chance to go on a journey through space that was full of fascinating finds and thrilling encounters They went out into the night their hearts filled with the magic of the universe The orb and the trail of sparkles led them Just as Mia and Ben made their wish on the shooting star the mood in Stardust Ville changed A rumbling sound filled the air and then an old rusty rocket ship fell from the sky and landed with a thud in the middle of the main area in Stardust Ville As the rocket landed dust and debris flew everywhere showing a slowly opening door A figure came out wearing a spacesuit with badges and patches all over it Captain Orion was there He was a great scientist who was known for being brave and adventurous His eyes were bright from the many space missions he had been on and his presence was filled with awe inspiring power When Mia and Ben saw that they were in the same room as their hero their jaws dropped Captain Orion had a good name and people had always praised how brave and determined he was It was more than they could have ever imagined seeing him standing in their small town Captain Orion smiled at the stunned crowd as he greeted them He spoke in a way that showed he was sure of himself and had a lot of experience Hello people of Stardust Ville he shouted I'm here to tell you about an amazing Space Race between young explorers from different planets The winners will get to visit Zephyria a newly discovered planet As word spread like flames the whole town cheered Mia and Ben were happy to see that their dreams of going to space were coming true Captain Orion saw how excited they were and walked up to them with his eyes shining with interest You two seem eager for an adventure Captain Orion said in a voice full of interest and encouragement Would you like to join the Space Race and represent the Stardust villa Mia and Ben enthusiastically said Yes This was a once in a lifetime chance for them to make their dreams come true Captain Orion said that Mia and Ben would need to put together a team of four people each with a special skill in order to fight in the Space
