*Straight Answers to 35 Tough Questions* Gordon Kainer, 2017-07-18 Many years ago Bob Dylan wrote The answer my friend is blowin in the wind but we ve learned that really important answers don t come that easily Asking questions is a sign of a healthy growing faith a faith that drives us deeper into God s Word That s the reason God s first question in the Old Testament is Where are you while the first question the wise men ask in the New Testament is Where is He It s been observed that God answers just enough questions to get us through the day while leaving us with enough unanswered questions so we can look forward to learning more tomorrow This book is designed to deal with some of our most difficult questions or troubling issues from a biblical perspective At times it may appear that some questions have no answer or maybe have more than one or perhaps have answers that contradict each other That s one reason we re not only to confront knotty questions but willingly accept God s unraveling answers

E. Sangster*

Andrew J. Cheadle, 2018-08-09 Listened to by huge congregations in Britain and perhaps the most recognizable British Methodist voice in the mid twentieth century W E Sangster was in anyone's estimation a giant of Methodism A preacher without peer in the world a prince of preachers are just two of the labels attached to this preacher theologian of the Methodist tradition This volume captures the preaching of Sangster in his prime on the occasion of the 1956 World Methodist Conference in Junaluska North Carolina Cheadle's research brings into the public domain ten sermons nine previously unpublished in this form delivered by Sangster at that great gathering of World Methodism These sermons being transcripts from recordings picked up Sangster in the raw at his most powerful engaging with his listeners This book is a resource therefore that aids students of homiletics and pastors in encountering a master at work without the editorial polish of his extant sermons The sermons on aspects of Christian holiness would be Sangster's first and last sequential series on the subject placing before the reader some of his most mature thought on holiness and its application in daily life 20

*Questions about Ministry* James Cunneen, 2018-09-27 What do I do now Whether you're a lay minister pastor or missionary this is probably a question you've often asked yourself Along with the joy of helping people in Christian ministry comes the complexity of all the issues and situations that arise This book offers biblical perspectives and insights into twenty of the most common and puzzling questions that occur in Christian ministry today Questions like how can I help people with problems How can I be a great small group leader Can we actually hurt people by trying to minister to them How do I answer the tough questions non Christians and Christians ask Why doesn't God seem to help us more in our ministries What does success in ministry look like The discussions of these and other questions will hopefully encourage us to view every situation we face as an opportunity to help people connect with God

*Hindu Gods in West Africa* Albert Wuaku, 2013-07-11 In *Hindu Gods in West Africa* Wuaku offers an account of the histories beliefs and practices of the Hindu Monastery of Africa and the Radha Govinda Temple two Hindu Temples in Ghana Using historical material and data from his field work in southern Ghana Wuaku shows how these two Hindu Temples build their traditions on popular Ghanaian religious notions about the powerful magicality of India's Hindu gods He explores how Ghanaian soldiers who served in the colonial armies in India Sri Lanka and Burma during World War II Bollywood films and local magicians have contributed to the production and the spreading of these cultural ideas He argues that while Ghanaian worshippers appropriated and deployed the alien Hindu religious world through their own cultural ideas as they engage Hindu beliefs and rituals in negotiating challenges their own worldviews would change considerably
