LaPointe, 2005-05      *Are You Making Love or Just Having Sex?* Elliot D. Cohen, 2024-10-15 In making love one is elevated beyond the carnal desires it satisfies For the religious it is Divine for those who are not religiously inclined it is still a spiritual experience one of seamless solidarity a unity of two as one that defies mere orgasmic stimulation You don't have to make love to have sex Even strangers can be sexually attracted and have an orgasmic escapade But in the act of making love there is symbolic meaning that is felt through and through the sex act Two in love are joined in life and the sexual expression of this unison is deeply felt in the sex act itself This is sexual intimacy the making of love the likes of which is rarely if ever seen outside a loving relationship There is no escape from the philosophical dimensions of such a loving relationship It is as abstract as it is concrete in the ideals that ground it There is a mystery about it a kind of transcendent experience that defies translation into words Making and being in love are thus joined at the hip Loving relationships make the bed in which true lovers sleep Unfortunately many relationships flounder or never get off the ground Just having sex may ease the tension but it then becomes a means not truly an end in itself The moment the sex act ends the couple may retreat and fall into discord It is an oasis in a barren desert that provides temporary relief a titillating temporary escape from reality This book can help you to overcome the obstacles the unlovable habits that encumber your relationship both inside and outside the bedroom It can help to create the harmonic balance between your sex life and other aspects of your personal and interpersonal relationships which are preludes to making and being in love To accomplish this it applies a five step method based on Logic Based Therapy Consultation LBTC a popular form of evidence based philosophical counseling modality First it introduces you to six types of unlovable ways of thinking and acting and helps you to identify the ones that may be sabotaging your own relationship Second it shows you how

to counter these self defeating habits with certain lovable goals virtues of love Third it helps you to identify and embrace a personal love philosophy that empowers you to reach for your lovable goals Fourth it provides core philosophical ideas that are key to any successful quest for romantic love Fifth it helps you construct a behavioral plan that applies your philosophies to making constructive changes in your relationship The latter may require making changes both inside and outside your relationship Thus this book also shows you how the problems you are having in one area of your life at work in your social life etc can affect the quality of your relationship inside and outside the bedroom and it offers guidance including self improvement exercises to overcome these impediments and attain enduring love and sexual intimacy

**Aimed solar and lunar returns. What you can do when you cannot leave** **Ciro Discepolo, 2009** English speaking readers fond of Astrology already know the Author thanks to his previous works *Transits and Solar Returns* and *Lunar Returns and Earth Returns* which have also been translated into several other languages In a practice of almost forty years of astrological research the Author has studied and guided over twenty thousand aimed birthdays he has also published a dozen books specifically on *Solar Returns and Lunar Returns* This is his fifth work in English two of them can be downloaded free from his webpage [www.cirodiscepolo.it](http://www.cirodiscepolo.it) In this volume **Ciro Discepolo** deals with the second resource on which his *Active Astrology* is based the first one being the aimed birthday the so called exorcism of symbols In these pages the Author suggests to the Reader about what can be done when you cannot aim i e actively relocate your birthday either your Solar or Lunar Return by a practical application of the notion of activating or constellating a symbol For example **Ciro Discepolo** claims that if you can not leave for an aimed birthday to avoid Saturn being placed in the 5th House of your next Solar Return during the twelve months covered by the SR you had better devote more time to your kids help them in their studies or in their sporting activities pay the fee to enrol them in a course perhaps abroad where they could learn new subjects and or nurture and improve their condition in a broad sense Planet by planet House by House this volume contains all the suggestions of the Author on the exorcism of symbols a useful practice also in the case you do relocate your Solar and or Lunar Returns for example if you have willingly left some dissonant position in your map of Aimed SR or of Aimed LR and you wish to lower the threshold of risk a little more The volume also explains the philosophical and psychological roots justifying the practice of the exorcism of symbols

*How to Make Love All Night (And Drive a Woman Wild)* **Lance Candella, 2015-12-27** Daniel and Allison have been making love on a rainy Sunday morning and they are both totally turned on It started in the shower with a slow massage and moved to the bedroom where they have been having intercourse for the past ten minutes Daniel knows that Allison needs at least another five minutes of intercourse before she can climax Here s the problem Daniel doesn t think he has five minutes left in him If Daniel continues having intercourse the way he has for the past ten minutes it may be only a matter of seconds before he has an orgasm He thinks about slowing down or stopping but to break the rhythm now would only make it more difficult for Allison to climax He knows that Allison is at that stage where any kind of change in his movement would only

frustrate her Besides if he tried to stop or to change the rhythm Daniel could lose strength in his erection which would complicate matters even further This dilemma is making the whole experience a lot less pleasurable for Daniel The first few minutes of sex were pure excitement but now he is worried and conflicted It is hard to enjoy sex when you re fighting your own body Truth is you really can t enjoy sex when you re fighting your own body And neither can your partner What Daniel does not yet know is that he has another option male multiple orgasm The multi orgasmic man has staying power He doesn t have to hold back He doesn t have to fight his own body and deny himself his own pleasure He can enjoy all of the erotic sensations of intercourse have a full orgasm and keep going If he wishes he can have a second orgasm and keep going He can last as long as his partner wishes experience all of the excitement and release and keep going For the multi orgasmic man the sky is truly the limit Daniel is not the only man who has this exciting option Today techniques have been perfected to make male multiple orgasm an option for almost every man Age doesn t matter Previous experience doesn t matter Young or old virgin or veteran all you need is the desire your penis and a few minutes a day So don t stop now Turn the page and cross the threshold into a whole new sense of your own sexuality and a whole new relationship for you and your partner Enjoy your ebook Sex how to make love all night      [Making Love Forevermore](#) John L,2022-08-29 A healthy vibrant sexual relationship is crucial to both parties in a marriage When John L and his wife divorced after forty two years of marriage and five children he began contemplating how to revolutionize his sex life After studying the major thinkers and researchers of sexual philosophy that included Kinsey Masters and Johnson Ogden Tantra Quodoushka and others John learned the difference between having sex making love and divine sexual union In a candid guide intended to shift humanity s thinking away from hatred and suspicion and toward love and tolerance John shares personal anecdotes and insight from his research in order to help others attain guilt free divine sexual relationships After reflecting on his Catholic upbringing and how it affected his own views about sexuality John explores the female perspective divorce and relationships pride in the physical self exercise and nutrition guilt trips and cultural values sexual options and much more Making Love Forevermore shares anecdotes and insight from great thinkers to encourage both sexes to experiment have honest conversations make love seek mutual pleasure and embrace their spiritual powers      *What Makes Love Last?* John Gottman,John Mordechai Gottman,Nan Silver,2013-09-10 One of the foremost relationship experts at work today offers creative insight on building trust and avoiding betrayal helping readers to decode the mysteries of healthy love and relationships      **Pregnant Love Making ,** *Making Love That Lasts* Derryl Venters,2013-12-09 Derryl Venters a retired educator drew on her forty three years of marriage and experience as a teacher to write a book on building strong marriages Her conversations with other couples who have been married forty to sixty years gave her unique insight into the building blocks of successful marriages Making Love That Lasts is developed around the belief that twenty one days of focus on the marriage can form the habit of making lasting and positive changes in couples relationships During the twenty one days topics such as forgiveness money change love
