**Let's make love tonight  
Until our bodies will transcend their shapes  
To become one single corpse.  
Let's make this love to be tonight  
Our eternal emotion of dreams  
And not just a fleeting dream.  
And if we accomplish  
Our abyss inside,  
We will be like two butterflies**

**Released from their cocoons  
And we will awake  
In our novel world of seconds,  
Where we will subsist for being eternal..**

Echlin,2015-08-04 Inanna a goddess of ancient Mesopotamia was worshipped around 1800 BCE by our ancestors in the land that is now modern day Iraq But who was she Who were her followers And what did her stories mean for their lives Lost for millennia Inanna s stories were buried and forgotten unearthed by archaeologists only recently around the turn of the 19th century Their translation has been a remarkable work of collaboration by scholars from disparate parts of the globe as fragments of stone tablets were pieced together and the symbols on them recorded transliterated and interpreted And although we still know relatively little about this ancient time a picture of this extraordinary figure has slowly begun to emerge through the painstaking work of these dedicated scholars Inanna the creator Inanna the destroyer the leader the warrior the lover the friend Inanna was a guiding light for her followers a commanding symbol of justice and honour and her stories have much to teach a contemporary readership about love power independence and compassion Now these stories are brought to vivid visceral life by beloved Canadian author Kim Echlin who brings her trademark passion and poet s sensibility to the translation of the Inanna myth With a new introduction and comprehensive notes this new English version renders Inanna s powerful story accessible and captivating for a new generation of eager readers **Migration and**

**Firebird** Janine Beichman,2002-07-31 How did a girl from the provinces meant to do nothing more than run the family store become a bold and daring poet whose life and work helped change the idea of love in modern Japan Embracing the Firebird is the first book length study in English of the early life and work of Yosano Akiko 1879 1942 the most famous post classical

woman poet of Japan It follows Akiko who was born into a merchant family in the port city of Sakai near Osaka from earliest childhood to her twenties charting the slow process of development before the seemingly sudden metamorphosis Akiko's later poetry has now begun to win long overdue recognition but in terms of literary history the impact of Midaregami Tangled Hair 1901 her first book still overshadows everything else she wrote for it brought individualism to traditional tanka poetry with a tempestuous force and passion found in no other work of the period Embracing the Firebird traces Akiko's emotional and artistic development up to the publication of this seminal work which became a classic of modern Japanese poetry and marked the starting point of Akiko's forty year long career as a writer It then examines Tangled Hair itself the characteristics that make it a unified work of art and its originality The study throughout includes Janine Beichman's elegant translations of poems by Yosano Akiko both those included in Tangled Hair and those not as well as poems by contemporaries such as Yosano Tekkan Yamakawa Tomiko and others *Etcetera: The Unpublished Poems of E. E. Cummings* E. E. J. Kenney, W. V.

Clausen,1982 The Cambridge History of Classical Literature provides a comprehensive critical survey of the literature of Greece and Rome from Homer till the Fall of Rome This is the only modern work of this scope it embodies the very considerable advances made by recent classical scholarship and reflects too the increasing sophistication and vigour of critical work on ancient literature The literature is presented throughout in the context of the culture and the social and hisotircal processes of which it is an integral part The overall aim is to offer an authoritative work of reference and appraisal for one of the world s greatest continuous literary traditions The work is divided into two volumes each with a similar and broadly chronological structure Among the special features are important introductory chapters by the General Editors on Books and Readers discussing the conditions under which literature was written and read in antiquity There are also extensive Appendices or Authors and Works giving detailed factual information in a convenient form Technical annotation is otherwise kept to a minimum and all quotations in foreign languages are translated      **22 Love Poems** Gina
