Frank Damazio, 1988 In his insightful book Damazio lays out for the serious student a broad discussion of what it means to be responsible for a group of followers *The Making of a Strong Spiritual Leader* Ted Engstrom, 2019-04-09 Our nation and our world today faced with problems that appear insurmountable Security and defense problems are staggering For the most part of our youth and future leaders are confused and alienated and demoralized Morals at all time low Moral standard are existent The growing national debt bankrupt nations And financially troubled We need good leaders *A Leader in the Making* Joyce Meyer, 2008-11-15 Grow your faith and learn how God s plan can make you a more effective person in this inspiring Christian leadership book Whether you re an established leader or you re just beginning to grow this book will show you how to cultivate a loving spirit and positive outlook that pleases God in every way and enhances your ability to guide those that surround you from family and friends to colleagues As a Christian leader you will face a series of tests on your spiritual journey and sometimes you ll come up against setbacks In these four sections Joyce Meyer will help you overcome any leadership challenges you re facing Part 1 Preparation for Leadership Part 2 The Heart of a Leader Part 3 Testing the Heart of a Leader Part 4 The Requirements of Leadership With gentle encouragement and valuable advice this practical guide is perfect for anyone who is looking to grow in faith and spirit and be a stronger leader in the ministry and secular businesses Christian Education Leadership Judy Morris D Min, Barbara Newman M a, Doug Powell Ph D, 2012 Book Description The collective work of twenty Christian leaders known for their expertise in Christian education this book is an up to date comprehensive resource on Christian education with the emphasis on making disciples as Jesus instructed This volume addresses spiritual formation for all age groups and gives guidance on how to develop an effective church discipleship ministry The book shows church leaders how to provide for the spiritual formation of all age groups including

people with special needs who are often neglected The aim of the book is to forge a strong connection between what happens on Sunday and how people live every day The goal is discipleship stressing how to develop a congregation that is on mission rather than merely a group of people who convene on Sundays The book contains a strong emphasis on missions as an integral part of church identity and activity Church leadership must provide ways for growing and encouraging disciples in being on a mission for Christ At the core of the book is Jesus command to his disciples including church leaders today Go and make disciples of all the nations baptizing them in the name of the Father and the Son and the Holy Spirit teaching them to observe all that I commanded you Matthew 28 19 20 NASB As we enter the third millennia of the Christian church church leaders must learn and practice ways to truly obey Jesus command This comprehensive book provides guidance and inspiration for doing that The Christian leaders who authored this resource also point to the urgent need to equip and involve lay people in all the work of the church The authors call for church leaders to involve church members in planning decision making and action rather than to promote on purpose or by default a spectator mentality Citing Ephesians 4 11 12 the authors emphasize that a church s staff members exist to equip and deploy all believers in the mission and ministry of Christ The book stresses guiding Christian leaders to move their church from a school with pews mentality to a place that heeds the biblical call to develop disciples Instead of just maintaining members church leaders must focus on making disciples in order for their congregation to be on a mission as a vibrant force for change in their community and around the world WHO NEEDS THIS BOOK University and seminary professors will find this volume a good choice for a textbook for preparing ministers for church ministry It will also be a valuable tool for pastors general staff leaders and practitioners for the various age group staff and key volunteer leaders in the local churches

[Christian Leadership](#) Roger Smalling, 2022-09-21 Christian ministry is full of stresses but one of the worst is working under incompetent leaders Most books on Christian leadership however seem to be Christianized management techniques straight out of corporate America or compendiums of eloquent exhortations on character and commitment In this book by Dr Smalling a balance is struck between both extremes

The Christian Leader Bill Hull, 2016-05-31 What if everything you ve heard about leadership is wrong Secular models of leadership rooted in pragmatic success dominate Christian leadership in the West It makes our work impersonal and exploitive And at worst it serves the leader rather than those the leader leads We need a different style of leadership one patterned after Jesus We need to learn to influence others out of our character for that is what Jesus did The Christian Leader is not about improving your church your work or your family it is about changing how you lead It does more than teach you how to modify your behavior it shows

you how to change the sources of your behavior your motives and reasons for being a Christian leader In the end as everything you know and believe about Christian leadership is transformed it will lead to transformation in those you lead and serve
