Commemoration and Family Identity in Sixteenth-Century Gdańsk: Portraits of Members of the Connert Family (1550–1599)

<https://doi.org/10.26881/porta.2022.21.09>

Słowa kluczowe: Gdańsk, reformacja, portrety renesansowe, medale portretowe, Johann Connert, krąg Lucasa Cranacha, kościół Mariacki w Gdańsku

Keywords: Gdańsk, Reformation, Renaissance portraits, portrait medals, epitaphs, Johann Connert, circle of Lucas Cranach, St. Mary's church in Gdańsk

The history of portraits in Gdańsk can be traced back to the first quarter of the fifteenth century. However, it was not until the first decades of the sixteenth century that interest in this genre spread to wider groups of the local society. The early sixteenth-century Catholic altarpieces, Lutheran epitaphs commissioned in the later part of the century, and secular artworks ranging from architectural sculpture to portrait medals and from large-scale panels to miniatures document a growing need among various members of the community to commemorate their appearance and social standing.

The present study discusses portraits commissioned between 1550 and 1599 by representatives of three generations of the Connert family. These conceptually and formally innovative artworks: architectural sculpture, epitaphs and medals, will be examined on the formal, iconographic and socio-historical levels. The discussion is opened by a reconstruction of the history of the Connert family in Gdańsk. The subsequent formal analysis of the portraits is followed by an examination of their social and confessional context. Of particular interest is the coexistence of the portraits' economic and confessional dimensions, with an emphasis on temporal and spatial manipulations aimed at amplification of their meanings.

Portraits of members of this influential family have previously been profiled in studies of various aspects of early modern art in Gdańsk (Danzig), including

Making Of Sixteenth Century Identity Introduction

In today's digital age, the availability of Making Of Sixteenth Century Identity books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Making Of Sixteenth Century Identity books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Making Of Sixteenth Century Identity books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Making Of Sixteenth Century Identity versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Making Of Sixteenth Century Identity books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Making Of Sixteenth Century Identity books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Making Of Sixteenth Century Identity books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works

and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Making Of Sixteenth Century Identity books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Making Of Sixteenth Century Identity books and manuals for download and embark on your journey of knowledge?
