Making Of The Poets:

Making Poetry Matter Sue Dymoke, Andrew Lambirth, Anthony Wilson, 2013-06-06 Making Poetry Matter draws together contributions from leading scholars in the field to offer a variety of perspectives on poetry pedagogy A wide range of topics are covered including Teacher attitudes to teaching poetry in the urban primary classroom Digital poetry and multimodality Resistance to poetry in Post 16 English Throughout the internationally recognised contributors draw on case studies to ensure that the theory is clearly linked to classroom practice They consider the teaching and learning challenges that poetry presents for those working with learners aged between 5 and 19 and explore these challenges with reference to reading writing speaking and listening and the transformative nature of poetry in different contexts *The Making of Literature* Rolfe Arnold Scott-James, 1928 **The Past that Poets Make** Harold E. Toliver, 1981 This analysis of the literary art of recapturing the past as the artist perceives it examines such questions as how a fictional narrative differs from other ways of seeing a past time to what extent literature is nontemporal and to what extent it is tied to the institutions and traditions of its era and how given works conjure up a sense of time *American Poets and Poetry* Jeffrey Gray, Mary McAleer Balkun, James McCorkle, 2015-03-10 The ethnically diverse scope broad chronological coverage and mix of biographical critical historical political and cultural entries make this the most useful and exciting poetry reference of its kind for students today American poetry springs up out of all walks of life its poems are maternal as well as paternal stuff d with the stuff that is coarse and stuff d with the stuff that is fine as Walt Whitman wrote adding Of every hue and caste am I of every rank and religion Written for high school and undergraduate students this two volume encyclopedia covers U S poetry from the Colonial era to the present offering full treatments of hundreds of key poets of the American canon What sets this reference apart is that it also discusses events movements schools and poetic approaches placing poets in their social historical political cultural and critical contexts and showing how their works mirror the eras in which they were written Readers will learn about surrealism ekphrastic poetry pastoral elegy the Black Mountain poets and language poetry There are long and rich entries on modernism and postmodernism as well as entries related to the formal and technical dimensions of American poetry Particular attention is paid to women poets and poets from various ethnic groups Poets such as Amiri Baraka Nathaniel Mackey Natasha Trethewey and Tracy Smith are featured The encyclopedia also contains entries on a wide selection of Latino and Native American poets and substantial coverage of the avant garde and experimental movements and provides sidebars that illuminate key points *Poets, Patronage, and Print in Sixteenth-century Portugal* Simon Park, 2021 Explores the works and careers of a group of Renaissance Portuguese poets and illuminates the ways in which they conceived of themselves and their practice the systems of patronage within which they worked and the challenges they faced in the pursuit of publication **Poetic Inquiry**, 2009-01-01 Poetic Inquiry Vibrant Voices in the Social Sciences co edited by Monica Prendergast Carl Leggo and Pauline Sameshima features many of the foremost scholars working worldwide in

aesthetic ways through poetry The contributors from five countries are all committed to the use of poetry as a way to collect data analyze findings and represent understandings in multidisciplinary social science qualitative research investigations The creativity and high aesthetic quality of the contributions found in the collection speak for themselves they are truly as the title indicates vibrant voices This groundbreaking collection will mark new territories in qualitative research and interpretive inquiry practices at an international level Poetic Inquiry will contribute to many ongoing and energetic debates in arts based research regarding issues of evaluation aesthetics ethics activism self study and practice based research while also spelling out some innovative ways of opening up these debates in creative and productive ways Instructors and students will find the book a clear and comprehensive introduction to poetic inquiry as a research method Best "New" African Poets 2023 Anthology Tendai Mwanaka,Hélder Simbad,2024-01-23 From 2015 to 2023 we have been able to issue out yearly an anthology of Africa poets through 9 years of publishing this beautiful anthology of the best contemporary African poets and in the process we have published and archived over 1000 African poets And this year without fail we offer you Best New African Poets 2023 Anthology which comprises several dozens of African poets from the Portuguese English and French speaking African countries We expect the anthology to continue into another decade but also to seed into other forms of poetic expressions starting from next year We intend to work on Best New African Poets International Festival of the Arts an event that will bring together all these poets we have been able to publish the last 9 years to showcase their talent in a week of festivities in Harare Zimbabwe This year s anthology has poems that cover the usual gamut of issues love unrequited feelings relationships death poetry making politics and we were excited to see Mashigo tackling the ongoing Israel Hamas war and the ill treatment of the Palestinian people for generations under the Israeli government culture religion spirituality identity belonging memory individuality and all sorts of other existential dilemmas that the young African poets deal with day to day

Behind the Lines Philip Metres,2007-05 Whether Thersites in Homer s Iliad Wilfred Owen in Dulce et Decorum Est or Allen Ginsberg in Wichita Vortex Sutra poets have long given solitary voice against the brutality of war The hasty cancellation of the 2003 White House symposium Poetry and the American Voice in the face of protests by Sam Hamill and other invited guests against the coming shock and awe campaign in Iraq reminded us that poetry and poets still have the power to challenge the powerful Behind the Lines investigates American war resistance poetry from the Second World War through the Iraq wars Rather than simply chronicling the genre Philip Metres argues that this poetry gets to the heart of who is authorized to speak about war and how it can be represented As such he explores a largely neglected area of scholarship the poet s relationship to dissenting political movements and the nation In his elegant study Metres examines the ways in which war resistance is registered not only in terms of its content but also at the level of the lyric He proposes that protest poetry constitutes a subgenre that by virtue of its preoccupation with politics history and trauma probes the limits of American lyric poetry Thus war resistance poetry and the role of what Shelley calls unacknowledged legislators is a crucial

though largely unexamined body of writing that stands at the center of dissident political movements *The Quarrel Between Poetry and Philosophy* John Burns, Matthew Flamm, William Gahan, Stephanie Quinn, 2020-09-27 The Quarrel Between Poetry and Philosophy Perspectives Across the Humanities is an interdisciplinary study of the abiding quarrel to which poet philosopher Plato referred centuries ago in the Republic The book presents eight chapters by four humanities scholars that historically contextualize and cross interpret aspects of the quarrel in question The authors share the view that although poets and philosophers continually quarrel a harmonious union between the two groups is achievable in a manner promising application to a variety of contemporary cultural political and aesthetic debates all of which have implications for the current status of the humanities **Belles and Poets** Julia Nitz, 2020-11-04 In Belles and Poets Julia Nitz analyzes the Civil War diary writing of eight white women from the U S South focusing specifically on how they made sense of the world around them through references to literary texts Nitz finds that many diarists incorporated allusions to poems plays and novels especially works by Shakespeare and the British Romantic poets in moments of uncertainty and crisis While previous studies have overlooked or neglected such literary allusions in personal writings regarding them as mere embellishments or signs of elite social status Nitz reveals that these references functioned as codes through which women diarists contemplated their roles in society and addressed topics related to slavery Confederate politics gender and personal identity Nitz s innovative study of identity construction and literary intertextuality focuses on diaries written by the following women Eliza Frances Fanny Andrews of Georgia 1840 1931 Mary Boykin Miller Chesnut of South Carolina 1823 1886 Malvina Sara Black Gist of South Carolina 1842 1930 Sarah Ida Fowler Morgan of Louisiana 1842 1909 Cornelia Peake McDonald of Virginia 1822 1909 Judith White Brockenbrough McGuire of Virginia 1813 1897 Sarah Katherine Kate Stone of Louisiana 1841 1907 and Ella Gertrude Clanton Thomas of Georgia 1843 1907 These women s diaries circulated in postwar commemoration associations and several saw publication The public acclaim they received helped shape the collective memory of the war and according to Nitz further legitimized notions of racial supremacy and segregation Comparing and contrasting their own lives to literary precedents and fictional role models allowed the diarists to process the privations of war the loss of family members and the looming defeat of the Confederacy Belles and Poets establishes the extent to which literature offered a means of exploring ideas and convictions about class gender and racial hierarchies in the Civil War era South Nitz s work shows that literary allusions in wartime diaries expose the ways in which some white southern women coped with the war and its potential threats to their way of life **Modernism and Race** Len Platt, 2011-02-24 The transnational turn has transformed modernist studies challenging Western authority over modernism and positioning race and racial theories at the very centre of how we now understand modern literature Modernism and Race examines relationships between racial typologies and literature in the late nineteenth and early twentieth centuries drawing on fin de si cle versions of anthropology sociology political science linguistics and biology Collectively these essays interrogate the anxieties and desires

that are expressed in or projected onto racialized figures They include new outlines of how the critical field has developed revaluations of canonical modernist figures like James Joyce T S Eliot Ford Madox Ford and Wyndham Lewis and accounts of writers often positioned at the margins of modernism such as Zora Neale Hurston Claude McKay and the Holocaust writers Solomon Perel and Gisella Perl This collection by leading scholars of modernism will make an important contribution to a growing field

Lofty Dogmas: Poets on Poetry (p) ,2005 Compiled by three noted poets this is an eclectic stimulating and informed selection of poets remarks on poetry spanning eras ethnicities and aesthetics The 102 selections from nearly as many poets reach back to the Greeks and Romans then draw on Chaucer Shakespeare Sidney and Milton on to Shelley Keats Coleridge and Poe then Hopkins Yeats Eliot Rilke and Pound concluding with many of our contemporaries including Hall Clifton Mackey Kunitz and Rukeyser The book is divided into three sections Musing concerns issues of inspiration Making issues of craft from diction to meter to persona and voice and Mapping the role of poetry and the poet Headnotes at the beginning of each selection provide background information about the poet and commentary on the significance of the selection There is also a useful appendix with a listing of essays arranged according to more specific topics As the poets write in their introduction This book was intended to deepen readers understanding of age old poetic ideas while at the same time pointing out new directions for thinking about poetry juxtaposing the familiar and the strange reconfiguring old boundaries and shaking up stereotypes

The Making of Poetry Adam Nicolson,2020-01-21 Brimming with poetry art and nature writing Wordsworth and Coleridge as you ve never seen them before June 1797 to September 1798 is the most famous year in English poetry Out of it came Samuel Taylor Coleridge s The Rime of the Ancient Mariner and Kubla Khan as well as his unmatched hymns to friendship and fatherhood and William Wordsworth s revolutionary songs in Lyrical Ballads along with Tintern Abbey Wordsworth s paean to the unity of soul and cosmos love and understanding In The Making of Poetry Adam Nicolson embeds himself in the reality of this unique moment exploring the idea that these poems came from this particular place and time and that only by experiencing the physical circumstances of the year in all weathers and all seasons at night and at dawn in sunlit reverie and moonlit walks can the genesis of the poetry start to be understood The poetry Wordsworth and Coleridge made was not from settled conclusions but from the adventure on which they embarked thinking of poetry as a challenge to all received ideas stripping away the dead matter looking to shed consciousness and so change the world What emerges is a portrait of these great figures seen not as literary monuments but as young men troubled ambitious dreaming of a vision of wholeness knowing they had greatness in them but still in urgent search of the paths toward it The artist Tom Hammick accompanied Nicolson for much of the year making woodcuts from the fallen timber in the park at Alfoxden where the Wordsworths lived Interspersed throughout the book his images bridge the centuries depicting lives at the source of our modern sensibility a psychic landscape of doubt and possibility full of beauty and thick with desire for a kind of connectedness that seems permanently at hand and yet always out of reach

The Making of the Poets Ian Gilmour,2003 A highly enjoyable joint biography of the early lives of the Romantic poets Byron and Shelley Both Byron and Shelley died young This book concentrates on the two poets in their youth telling their stories in tandem Their formative years were packed with incident and had a decisive influence on their later lives As an historian Gilmour provides a colourful account of the political social and economic background to their writings the stormy age of the French Revolution the Napoleonic Wars and the post Napoleon reaction

[Celebrating Poetry Across the K-12 Curriculum](#) Napoli, Mary,Day, Deanna,Ward, Barbara A.,2025-07-16 Poetry provides opportunities to explore the universal and common experiences that connect us as human beings When teachers infuse poetry into their classroom it can foster compassion develop interdisciplinary connections and support literacy instruction However not all teachers use poetry in their classroom either because they are not aware of the value of poetry or because they have not had positive experiences with poetry Given the importance of sharing poetry with today s youth educators must feel confident in evaluating well written poetry and how to weave poetry from award winning poets to support interdisciplinary connections Celebrating Poetry Across the K 12 Curriculum aims to ensure that poetry for children is not neglected as part of the curriculum and to help educators feel more confident in their understanding of children s poetry its relevance to children s lives and its importance to supporting pedagogical connections Featuring interviews with well known poets this resource also showcases the latest pedagogical and scholarly research supporting the integration of poetry in the K 12 classroom Covering topics such as science content romanticism and diversity recognition this book is an excellent resource for educators classroom teachers literacy specialists librarians professionals researchers scholar academicians and more

Poetry Mechanics Sienna Vance,AI,2025-05-06 Poetry Mechanics offers an in depth exploration into the structural elements of poetry focusing on meter rhyme and form

These aren't just decorative aspects they fundamentally shape a poem's meaning and emotional impact. For example, meter establishes rhythm, influencing the poem's pace and musicality, while rhyme creates connections between ideas, offering emphasis and a sense of resolution. Understanding these mechanics provides readers with the tools to analyze poetry and craft their own work. The book systematically progresses, starting with core concepts before delving into specific types of meter, rhyme schemes, and poetic forms like sonnets and haikus. It uniquely emphasizes hands-on application, encouraging readers to experiment with different structures to find their poetic voice. By dissecting poetic architecture, readers gain a deeper appreciation for the poet's craft, moving from passive reading to active interpretation and creative expression.

American Poetry in Performance Tyler Hoffman, 2013-05-29 *American Performance Poetry* is the first book to trace a comprehensive history of performance poetry in America from Whitman through the rap-meets-poetry scene and to show how the performance of poetry is bound up with the performance of identity and nationality in the modern period. This book will be a meaningful contribution both to the field of American poetry studies and to the fields of cultural and performance studies as it focuses on poetry that refuses the status of fixed aesthetic object and in its variability performs versions of race, class, gender, and sexuality both on and off the page. Relating the performance of poetry to shifting political and cultural ideologies in the United States, Hoffman argues that the vocal aspect of public poetry possesses or has been imagined to possess the ability to help construct both national and subaltern communities. In doing so, *American Performance Poetry* explores public poets' confrontations with emergent sound recording and communications technologies as those confrontations shape their mythologies of the spoken word and their corresponding notions about America and Americanness.
