Making Of The President 1964 The:

The Making of the President, 1964 Theodore Harold White, 1965 Documents the 1964 Presidential campaign which resulted in the election of Lyndon B Johnson over Republican conservative Barry M Goldwater **The Making of the President, 1964** Theodore H. White, 2010-12-14 White revolutionized the art of political reporting William F Buckley A national bestseller *The Making of the President 1964* is the critically acclaimed account of the 1964 presidential campaign from the assassination of JFK though the battle for power between Lyndon B Johnson and Barry Goldwater Author Theodore H White made history with his Pulitzer Prize winning *The Making of the President* series detailed narrative histories that revolutionized the way presidential campaigns were reported Now back in print with a new foreword by fellow Pulitzer Prize winning author Jon Meacham *The Making of the President 1964* joins *The Making of the President 1960 1968 and 1972* as well as Theodore Sorensen's *Kennedy* and other classics in the burgeoning Harper Perennial Political Classics series **The Making of the President 1960** Theodore H. White, 2024-03-19 The Pulitzer Prize winning behind the scenes account of the historic Nixon Kennedy race A fascinating story of a fascinating campaign Time This is the dramatic and groundbreaking chronicle that captured the epic clash between John F Kennedy and Richard M Nixon in the 1960 presidential election and in the process revolutionized modern political journalism Granted intimate access to all parties involved New York Times bestselling author Theodore White crafted an almost mythic story from the decisive primary battles to the history making televised debates the first of their kind Portraying both the grittiness and the grandeur of the process this classic account addresses emerging themes and trends in American politics that carry ripple effects to this day Superb vignettes If this book were merely a campaign report it could be recommended glowingly on its own terms But it is more The author sees the campaign as a milestone in the greatest reorientation of American politics since the Civil War The New York Times White a gifted journalist takes the cold ashes of a political campaign and injects such a sense of immediacy that we relive the entire race the whole pattern of the pre convention months the grueling struggle in the primaries the fight for nomination in San Francisco the fight for the platform in Chicago A perceptive analysis of the inside story of the campaign told with extraordinary objectivity Kirkus Reviews A masterpiece full of deep insights into political power in America and how our democracy works It gripped me from beginning to end as very few books have William L Shirer author of *The Rise and Fall of the Third Reich* Includes a new foreword by Robert Dallek *The making of the president, 1964, by theodore h. white* Theodore Harold White, 1962 **The Making of The President 1960** , 1961 **The Making of the President 1964** Theodore H. White, 1965 *Before the Storm* Rick Perlstein, 2009-03-17 Acclaimed historian Rick Perlstein chronicles the rise of the conservative movement in the liberal 1960s At the heart of the story is Barry Goldwater the renegade Republican from Arizona who loathed federal government despised liberals and mocked peaceful coexistence with the USSR Perlstein's narrative shines a light on a whole world of conservatives and their antagonists including William F Buckley Nelson

Rockefeller and Bill Moyers Vividly written Before the Storm is an essential book about the 1960s [The Making of the President, 1964](#) Joseph Altman,1965 **The Making of the President** Theodore W. White,1965 [LIFE](#) ,1965-06-18 LIFE Magazine is the treasured photographic magazine that chronicled the 20th Century It now lives on at LIFE com the largest most amazing collection of professional photography on the internet Users can browse search and view photos of today s people and events They have free access to share print and post images for personal use **The Making of the President, 1964** Theodore H. White,1965 Here is a complete portrait of Lyndon Johnson as President Here is the story of how he took over the government of the United States and made it his own in his own fascinating way Here too is the anguish of the Republican Party in 1964 as Barry Goldwater Nelson Rockefeller and William W Scranton tore it apart and left it wounded and bleeding in a crisis of conscience *The Making of the President 1964* Theodore H. White,1965 *The Rise and Fall of Modern American Conservatism* David Farber,2012-08-26 The story of modern conservatism through the lives of six leading figures The Rise and Fall of Modern American Conservatism tells the gripping story of perhaps the most significant political force of our time through the lives and careers of six leading figures at the heart of the movement David Farber traces the history of modern conservatism from its revolt against New Deal liberalism to its breathtaking resurgence under Ronald Reagan to its spectacular defeat with the election of Barack Obama Farber paints vivid portraits of Robert Taft William F Buckley Jr Barry Goldwater Phyllis Schlafly Ronald Reagan and George W Bush He shows how these outspoken charismatic and frequently controversial conservative leaders were united by a shared insistence on the primacy of social order national security and economic liberty Farber demonstrates how they built a versatile movement capable of gaining and holding power from Taft s opposition to the New Deal to Buckley s founding of the National Review as the intellectual standard bearer of modern conservatism from Goldwater s crusade against leftist politics and his failed 1964 bid for the presidency to Schlafly s rejection of feminism in favor of traditional gender roles and family values and from Reagan s city upon a hill to conservatism s downfall with Bush s ambitious presidency The Rise and Fall of Modern American Conservatism provides rare insight into how conservatives captured the American political imagination by claiming moral superiority downplaying economic inequality relishing bellicosity and embracing nationalism This concise and accessible history reveals how these conservative leaders discovered a winning formula that enabled them to forge a powerful and formidable political majority

Popular Government in the United States Charles Hyneman,2017-07-05 Political theory consists in clarification of language and concepts in description and analysis of institutions and behavior and in appraisal and evaluation of political events Hyneman s theory is not one of the behavioral or functional varieties that rely on special language and concepts drawn from other disciplines than political science It emphasizes a central concern of both conventional and behavioral theory the distribution of power or what proportion of people have influence over what aspects of government He is also interested in how power is shared divided checked and balanced The main task of political theory Hyneman thinks is

clarification of the values served by and sustaining American democracy This task gives meaning and direction to analysis of the elements of democracy and to empirical research on the processes of democracy In this sense political science is not value free it is most useful in pursuit of the implications of basic beliefs and ideals These beliefs and ideals can be found in historical statements as well as inferred from institutions and behavior Hyneman s emphasis on popular control electoral politics and equality of influence tends to challenge both of the pluralist and ruling elite schools though it should be clear that he is not engaged in a scholastic debate The freedom of his analysis ranging from specific reference to the professional controversies of his day is one of its strengths and a probable source of originality He connects it explicitly to the literature of political science at critical points as it existed when originally published in 1968

Guide to the Presidency Michael Nelson, 2015-05-01 The Guide to the Presidency is an extensive study of the most important office of the U S political system Its two volumes describe the history workings and people involved in this office from Washington to Clinton The thirty seven chapters of the Guide arranged into seven distinct subject areas ranging from the origins of the office to the powers of the presidency to selection and removal cover every aspect of the presidency Initially dealing with the constitutional evolution of the presidency and its development the book goes on to expand on the history of the office how the presidency operates alongside the numerous departments and agents of the federal bureaucracy and how the selection procedure works in ordinary and special circumstances Of special interest to the reader will be the illustrated biographies of every president from Washington to the present day and the detailed overview of the vice presidents and first ladies of each particular office Also included are two special appendices one of which gathers together important addresses and speeches from the Declaration of Independence to Clinton s Inaugural Address and another which provides results from elections and polls and statistics from each office

Jahrbuch des Offentlichen Rechts der Gegenwart. Neue Folge Gerhard Leibholz, 1976-12-31

Attack Politics Emmett H. Buell, Lee Sigelman, 2008 Ask most Americans and they ll tell you that presidential campaigns get dirtier and more negative with every election This text suggests that this may not be as true as we think and shows that over the last dozen elections negativity may have been well publicised but hasn t increased

The Politics of Equality Timothy Nels Thurber, 1999 Timothy N Thurber explores the links between Senator Hubert Humphrey s policies on racial justice and economic reform Thurber investigates Humphrey s legislative agenda in the context of the tensions between the class based politics of the New Deal to which Humphrey wished the party to return and the rights based politics that eventually came to dominate the Democratic platform Although Humphrey is often associated with the civil rights movement Thurber shows that he stood out in his commitment to achieving racial equality through means of economic reform an approach that was not readily embraced by the Democratic Party Thurber begins by tracing Humphrey s early life and goes on to detail the rise of his political career his lifelong commitment to the New Deal goal of economic equality and his legislative agenda as a senator From the Fair Employment Practices law to the triumphant passage of the 1964 Civil Rights Act to more radical

recommendations such as a Domestic Marshall Plan Humphrey became concerned with how structural changes in the economy effected African Americans Thurber uses Humphrey s career not only to explore the intersection of race class and politics in the second half of this century but also to reveal the trajectory of Democratic politics in the postwar era as the party faced the increasingly difficult task of maintaining the New Deal coalition Hubert Humphrey s agenda of racial justice through economic reform its triumphs and its failures represents for Thurber the precarious position of liberalism and a road still not taken **The Bill of the Century** Clay Risen,2014-04-01 A 50th anniversary tribute chronicles the historical struggle to bring the Civil Rights Act into law profiling a wide range of contributing figures in religious public and political arenas 60 000 first printing *The Routledge Historical Atlas of Presidential Elections* Yanek Mieczkowski,2013-12-16 First Published in 2001 Routledge is an imprint of Taylor Francis an informa company

Yeah, reviewing a books **Making Of The President 1964 The** could mount up your close connections listings. This is just one of the solutions for you to be successful. As understood, talent does not suggest that you have fantastic points.

Comprehending as with ease as conformity even more than additional will offer each success. adjacent to, the publication as without difficulty as keenness of this Making Of The President 1964 The can be taken as competently as picked to act.
