*Participative Management* Dr Michael H. Swearingen,2017-09-22 This study first published in 1997 examines the relationship between the style of management used and the level of productivity measured in terms of the organization s financial stability Other variables examined include the age of the top level managers their educational level the size and age of the organization and the organization s physical parameters By determining whether or not productivity is affected by the use of a participative style of management the author is laying the groundwork for making companies more competitive

**Making a Large Irrigation Scheme Work** Djibril Aw,Geert Diemer,2005 Making a Large Irrigation Scheme Work provides a history of irrigation management in Mali from colonial times to post independence It looks at how irrigation management reforms came about at Mali s Office du Niger and how relevant this reform process is for irrigation schemes in other countries Mali s irrigation scheme was an outcome of colonial settlement with the corresponding lack of rights for cultivators to own land process paddy and market rice Post independence a coalition of government and irrigation agency staff contributed to governmental unwillingness to reform the scheme s management Government interest lay in satisfying the growing demand for rice from its burgeoning urban constituency and a fear of riots in response to rice shortages and high prices It s interest also lay with maintaining the support of the agency s staff The authors analyze how field teams funded by bilateral donors shaped technical and institutional change to fully reform management and how grain market reforms provided farmers stronger incentives and raised yields The combination of changes inside and outside the scheme gradually shifted the balance of power and led to a stakeholder setup in which organized farmers replaced the agency Regime change to multiparty democracy and policy change toward economic liberalization then opened a window of opportunity that the government used to consolidate the reforms and the new balance of power The success of the reform process lies in the way Mali s government came to commit to the irrigation reforms The paper indicates how commitment by other governments may be achieved by using the same and other tools Making Large Irrigation Schemes Work is a useful resource for professionals involved in the transfer of management authority from government to user associations

**Management and Leadership for Nurse Managers** Russell C. Swansburg,1996 This edition of the highly acclaimed Management and Leadership for Nurse Managers offers theoretical and practical perspectives on the major management

functions as they are practiced in today's organizations. The author introduces current and future nurse managers to the challenges of planning, organizing, leading, and controlling. The most recent research on management theory is incorporated throughout the book in the context of its practical application. New coverage includes total quality management, pay for performance, the rising temporary workforce, and downsizing.
