## **Making A Soul:**

**God's Autopsy and the Living Truth of Soul** Hal Childs, 2022-08-22 The Grand Narrative of Christianity that the Bible created is dead and the Bible is silent Does the Bible have anything relevant to say to our modern circumstances We ask where did God come from What happened to God God's Autopsy reinterprets soul and God as historical psychological phenomena related to the cultural structure of consciousness the invisible shared context of thought which has changed dramatically over the past three millennia This book offers a new way to understand the trajectory of Western civilization by making the implicit foundation of Western consciousness soul visible and conscious Our modern Western consciousness is radically different from that of antiquity when the Bible emerged Jung's psychological philosophical insight that whenever we speak about the psyche it is the psyche speaking about itself leads to the realization that today consciousness has come home to itself Beginning with preliterate polytheism the emergence of the transcendent god Yahweh and Christ which led directly to the Enlightenment objective soul continues to unfold itself How did late modernity become a topsy turvy quantum virtual digital impersonal and abstract world that appears to be running away from us The answer is unexpectedly and shockingly in the Bible itself

**Love and the Soul** Robert Sardello, 2011-06-28 With economies in peril war in the Middle East genocides global warming and a host of other grim phenomena the world has never seemed so besieged The solution says Robert Sardello lies with the individual In this timely thoughtful book he explains how the soul can engage with the outer world to produce radical change Because we think of the world as a vast mechanism and behave as mechanical objects in it the results are devastation and dysfunction The key is to learn to identify with the plight of the Earth by developing a true sense of individual imagination and conscious awareness of inner purpose and beauty in conjunction with the soul of the world Sardello shows how to achieve this awareness and bring what is inside out into the world inspiring balance and stability Using the Grail legend and the myth of Sophia known as the Soul of the World as well as writings by Jung James Hillman and Rudolf Steiner Love and the Soul helps readers imagine a revitalized Earth by exploring the significance of grieving the transformative power of radical receptivity the creative power of dreaming and a new basis for community

*Plato's Power*, 2025-02-03 What do we mean when we say that something has power Plato's dialogues are probably the first philosophical corpus to address this question Powers are causes they account for how events happen They are properties that agents have as well as dispositions in those who suffer the effects of an action This explanation is the basis of Plato's metaphysics and moral philosophy He proposed that things are the power they have to act or be acted upon this is their nature This book brings together a group of specialists to guide the reader through this fascinating theory

*Deliverance and Spiritual Body Mapping* Carolyn Steidley, 2016-06-13 Will you go to hell for me asked the Lord I remember standing in my living room stunned It took me a few days to be able to answer him I replied with a shaking Yes He then took me in a vision to the gates of hell I could smell the sulfur and feel the heat The gates were huge thick black iron they swung open as I approached I was

standing on stepping stones just big enough for my feet and lava swirled around the stones I heard the Lords voice Dont be afraid Carolyn I have a net around you and yours I looked and saw a large net all around me I continued along the stones and then I saw it a hand reached desperately to me out of the lava I grabbed a hold and pulled for all I was worth The vision ended From that vision I learned there are people all around us who are in the own personal hells We are to set the captives free The Lord gave me a way to help It is called Spiritual Body Mapping and it works It is an amazing way to quickly diagnose and target the strengths as well as areas that need to be addressed in an individuals life As you read this book I pray for the spirit of wisdom and revelation to enlighten you God Bless you Carolyn Steidley **Journey of Soul** Harold
