## **Making And Remaking Asian America Through Immigration Policy 1850 1990:**

Making and Remaking Asian America Through Immigration Policy, 1850-1990 Bill Ong Hing, 1993 This is the first comprehensive study of how U S immigration policies have shaped demographically economically and socially the six largest Asian American communities

**Making Of Asian America** Pei-Te Lien, 2010-06-17 Asian Americans are widely believed to be passive and compliant participants in the U S political process if they participate at all In this ground breaking book Pei te Lien maps the actions and strategies of Asian Americans as they negotiate a space in the American political arena Professor Lien looks at political participation by Asian Americans prior to 1965 and then examines at both organizational and mass politics levels how race ethnicity and transnationalism help to construct a complex American electorate She looks not only at rates of participation among Asian Americans as compared with blacks Latinos American Indians and non Hispanic whites but also among specific groups of Asian Americans Chinese Japanese Filipinos Koreans Asian Indians and Vietnamese She also discusses how gender socioeconomic class and place of birth affect political participation With documentation ranging from historical narrative to opinion survey data Professor Lien creates a picture of a diverse group of politically active people who are intent on carving out a place for themselves in American political life

The Peoples Of Las Vegas Jerry L Simich, Thomas C. Wright, 2005-03-07 Beneath the glitzy surface of the resorts and the seemingly cookie cutter suburban sprawl of Las Vegas lies a vibrant and diverse ethnic life People of varied origins make up the population of nearly two million and yet until now little mention of the city has been made in studies and discussion of ethnicity or immigration The Peoples of Las Vegas One City Many Faces fills this void by presenting the work of seventeen scholars of history political science sociology anthropology law urban studies cultural studies literature social work and ethnic studies to provide profiles of thirteen of the city s many ethnic groups The book s introduction and opening chapters explore the historical and demographic context of these groups as well as analyze the economic and social conditions that make Las Vegas so attractive to recent immigrants Each group is the subject of the subsequent chapters outlining migration motivations and processes economic pursuits cultural institutions and means of transmitting culture involvement in the broader community ties to homelands and recent demographic trends

Race and Politics Leland T. Saito, 2023-08-31 Located a mere fifteen minutes from Los Angeles the San Gabriel Valley is an incubator for California s new ethnic politics Here Latinos and Asian Americans are the dominant groups Politics are Latino dominated while a large infusion of Chinese immigrants and capital has made the San Gabriel Valley the center of the nation s largest Chinese ethnic economy The white population meanwhile has dropped from an overwhelming majority in 1970 to a minority in 1990 Leland T Saito presents an insider s view of the political economic and cultural implications of this ethnic mix He examines how diverse residents of the region have worked to overcome their initial antagonisms and develop new more effective political

alliances Tracing grassroots political organization along racial and ethnic lines Race and Politics focuses on the construction of new identities in general and the panethnic affiliation Asian American in particular **Indian Diaspora**, 2008-01-01 Indian Diaspora Social Gerontology Nursing Multiculturalism Education In historic and ethnographic accounts of Indians living in diaspora the elderly seem to receive much less attention than the new generation and its progress prosperity and success Using critical pedagogy approach this book attempts to close that gap by focusing on the voices of the Punjabi Bengali Sindhi and Gujarati diasporic Indians elderly living in five countries Learning to listen to the voices of these seniors may enable professors teachers students policy makers and parents to work towards building democratic societies *Asian American Society* Mary Yu Danico, 2014-08-19 Asian Americans are a growing minority population in the United States After a 46 percent population growth between 2000 and 2010 according to the 2010 Census there are 17.3 million Asian Americans today Yet Asian Americans as a category are a diverse set of peoples from over 30 distinctive Asian origin subgroups that defy simplistic descriptions or generalizations They face a wide range of issues and problems within the larger American social universe despite the persistence of common stereotypes that label them as a model minority for the generalized attributes offered uncritically in many media depictions Asian American Society An Encyclopedia provides a thorough introduction to the wide ranging and fast developing field of Asian American studies Published with the Association for Asian American Studies AAAS two volumes of the four volume encyclopedia feature more than 300 A to Z articles authored by AAAS members and experts in the field who examine the social cultural psychological economic and political dimensions of the Asian American experience The next two volumes of this work contain approximately 200 annotated primary documents organized chronologically that detail the impact American society has had on reshaping Asian American identities and social structures over time Features More than 300 articles authored by experts in the field organized in A to Z format help students understand Asian American influences on American life as well as the impact of American society on reshaping Asian American identities and social structures over time A core collection of primary documents and key demographic and social science data provide historical context and key information A Reader's Guide groups related entries by broad topic areas and themes a Glossary defines key terms and a Resource Guide provides lists of books academic journals websites and cross references The multimedia digital edition is enhanced with 75 video clips and features strong search and browse capabilities through the electronic Reader's Guide detailed index and cross references Available in both print and online formats this collection of essays is a must have resource for general and research libraries Asian American ethnic studies libraries and social science libraries The Hmong, 1987-1995 J. Christina Smith, 1998 **Americans Without Law** Mark S. Weiner, 2006-06 Americans Without Law shows how the racial boundaries of civic life are based on widespread perceptions about the relative capacity of minority groups for legal behavior which Mark S Weiner calls juridical racialism The book follows the history of this civic discourse by examining the legal status of four minority groups in four

successive historical periods American Indians in the 1880s Filipinos after the Spanish American War Japanese immigrants in the 1920s and African Americans in the 1940s and 1950s Weiner reveals the significance of juridical racialism for each group and in turn Americans as a whole by examining the work of anthropological social scientists who developed distinctive ways of understanding racial and legal identity and through decisions of the U S Supreme Court that put these ethno legal views into practice Combining history anthropology and legal analysis the book argues that the story of juridical racialism shows how race and citizenship served as a nexus for the professionalization of the social sciences the growth of national state power economic modernization and modern practices of the self      Social Issues in America James Ciment,2015-03-04 More than 150 key social issues confronting the United States today are covered in this eight volume set from abortion and adoption to capital punishment and corporate crime from obesity and organized crime to sweatshops and xenophobia

Hernandez, 2014-03-25 The Asian American and Pacific Islander AAPI population continues to obfuscate the discourse on diversity and higher education institutions The historical and contemporary experiences of AAPIs in higher education clearly indicate that their presence has influenced and reinforced the importance of diversity in educational environments To contextualize AAPIs participation in postsecondary education this monograph provides A historical overview of the model minority stereotype The affirmative action debate and AAPIs Their involvement in the education pipeline A discussion of their experiences in college Implications for future research practice and policy are further discussed Educators administrators faculty policy makers and researchers who are concerned with diversity issues and the AAPI population will find this monograph an engaging and valuable resource     The

^AOxford Handbook of Asian American History David K. Yoo, Eiichiro Azuma, 2016-02-01 The Oxford Handbook of Asian American History brings together 27 essays that engage the state of the field with historiographically informed but creative approaches to this diverse and vibrant area The chapters trace Asian American history from the beginning of the migration flows toward the Pacific Islands and the American continent to Japanese American incarceration and Asian American participation in World War II from the experience of exclusion violence and racism to the social and political activism of the late twentieth century The authors explore many of the key aspects of the Asian American experience including politics economy intellectual life the arts education religion labor gender family urban development and legal history     Pacific Passage Warren I. Cohen, 1996 A study of relations between America and East Asia on the eve of the twenty first century

*Contemporary Asian American Communities* Linda Trinh Võ, Rick Bonus, 2009 Once thought of in terms of geographically bounded spaces Asian America has undergone profound changes as a result of post 1965 immigration as well as the growth and reshaping of established communities This collection of original essays demonstrates that conventional notions of community of ethnic enclaves determined by exclusion and ghettoization now have limited use in explaining the dynamic processes of contemporary community formation Writing from a variety of perspectives these contributors expand the concept of community to include sites not necessarily bounded by space formations around gender class sexuality and generation reveal new processes as well as the demographic diversity of today s Asian American population The case studies gathered here speak to the fluidity of these communities and to the need for new analytic approaches to account for the similarities and differences between them Taken together these essays forcefully argue that it is time to replace the outworn concept of a monolithic Asian America     **Justice and Injustice in Law and Legal Theory** Austin Sarat, Thomas R.
