Yvonne deSousa, 2023-11-16 I found this memoir to be an excellent work that evoked a myriad of emotions beginning with deSousa's experiences before meeting Richard to their enduring association. It captures the depth of the couple's love skillfully, the dreams they held onto, and the impact his addiction had on their relationship. Readers Favorite. Sometimes the wrong person says the right thing and it makes all the difference. In this coming-of-age memoir, we meet Richard, a handsome, charming, mischievous great guy with a fondness for the 1980s party drug of choice, cocaine. Yvonne is 11 years younger, awkward, terrified of her own shadow, and even more frightened by the idea of disappointing anyone in her life. Their attraction makes no sense. Despite obstacles beyond their control, they are exactly what each other is drawn to as they set about doing the best they can in all four seasons of their beautiful one-season town, Provincetown, MA. Their connection remains the one thing that can save Yvonne from herself, even while Richard struggles under the weight of his own self-imposed demons. What they develop is a relationship that unbeknownst to both of them would last a lifetime and change Yvonne in ways she never thought possible. They were not supposed to be together. Yet they refused to stay apart. **Ghost Town** Annie Bryant, 2009-09-08 Thanks to Charlotte's travel writer dad, the Beacon Street Girls are headed to a luxe resort in Montana. But when their dream vacation turns into a snowy nightmare, the BFFs are split up. While Katani and Isabel enjoy room service and hanging out with country music superstar twins Nik and Sam, Charlotte, Maeve, and Avery are stranded with Mr. Ramsey in a haunted old ghost town. Whether snowboarding and chilling with celebrities or solving an old-fashioned mystery with ghosts, wolves, and romance, the BSG find fun and adventure in the Wild West.
