Making More Changes:

790 Self-help Words to Get More Clients, Make More Money, Change More Lives Nicholas Mag, The Miracle In this book Nicholas presents you a practical unique subliminal very simple detailed method of how to Get More Clients Make More Money Change More Lives You will feel the effects immediately and the results will appear very quickly So it was in my case You will not achieve fulfillment and happiness until YOU become the architect of your own reality Imagine that with a few moments each day you could begin the powerful transformation toward complete control of your own life and well being through this unique subliminal method combined with positive affirmations The order of words is extremely important for every book written by Nicholas These are arranged to be traversed in a certain way so as to eliminate certain blockages in the human being blockages that are bringing disease or failure on various plans You don t need a big chunk of your time or expensive programs Everything is extremely simple Health money prosperity abundance safety stability sociability charisma sexual vitality erotic attraction will optimism perseverance self confidence tenacity courage love loving relationships self control self esteem enthusiasm refinement intuition detachment intelligence mental calm power of concentration exceptional memory aspiration transcendence wisdom compassion You have the ability to unlock your full inner potential and achieve your ultimate goals This is the age old secret of the financial elite world class scholars and Olympic champions For example when you watch the Olympics you ll find one consistency in all of the champions Each one closes their eyes for a moment and clearly affirms visualizes themselves completing the event flawlessly just before starting Then they win gold medals and become champions That s merely one example of how the real power of mind can elevate you above any of life s challenges By reading this book you will feel totally that life deserves to be lived and enjoyed every moment and that everything that you propose for yourself becomes easy for you to fulfill Nicholas will guide you to touch your longed for dream and will make you see life from a new perspective full of freshness and success This book helps you step by step in a natural way in just 3 minutes a day to change your misguided way of thinking and to Get More Clients Make More Money Change More Lives NOTE For good Nicholas keep the price of the book as lower as he can even if is a hard work behind this project A significant portion of the earnings from the sale of the book are used for these purposes for charity volunteer projects nature restoration and other inspired ideas to do good where it is needed If you can not afford to buy the book please contact Nicholas and he will give you a free copy You also have a bonus in the pages of the book that makes you live your success by doing a seemingly trivial thing You will feel the difference Yes The Miracle is possible Get Your Copy Now *Making changes in operational PFI projects* Great Britain: National Audit Office,2008-01-17 This NAO report forms part of a number of NAO reports looking at PFI Private Finance Initiative projects undertaken across the public sector PFIs are contractual arrangements with private sector companies to design build finance and operate institutions such as schools and hospitals At present there are over 500 operational projects throughout the UK with a combined capital of 44 billion It is also estimated

that including future payments with many projects running up until 2031 32 capital will rise to 91 billion Given the length of many of the contracts it is inevitable that operational changes to services will be required so it is important that PFI contracts have flexibility with built in value for money The report is divided into three parts with appendices The NAO has set out a number of finding including that PFI deals are offering sufficient flexibility to the public sector that some projects achieve better value than others but that i higher value changes were not always competitively tendered ii for minor works there was little consistency in the methods used by the public sector iii that the cost of replacing items throughout the life of the contract was also inconsistently applied iv that contractors had often charged additional fees which were not specified in the original contract The NAO recommendations include where there is a relevant contract clause competitive tendering should be undertaken for existing contract deals authorities employing contractors need to put in place consistent and robust means to validate the costs of small changes public authorities should explore with their private sector partners the feasibility of clarifying current contracts so they follow current best practice contract management should be properly resourced in order to manage the change process Public sector authorities could improve value for money of operational changes by adopting a strategic approach to changes keeping a good permanent record of changes and payments made fostering open lines of communication with front line users and other stakeholders as well as the PFI contractor
