Making Of Eastern Europe:

The Making of Eastern Europe Philip Longworth, 1992-08-18 Why has the collapse of Communism resulted in so much disappointment for the hopeful millions of Eastern Europe In this original and provocative book Philip Longworth argues that their predicament is only partly due to the imposition of the Soviet system but rather they are the heirs of misfortune which dates back centuries In exploring the origins of current problems this sweeping history ranges from the present day to the time of Constantine the Great from the Urals to the Mediterranean and the Baltic and emphasises culture and society as well as politics and economics The resulting analysis provides the crucial and until now much needed long term background to the difficulties now facing Eastern Europe This new perspective and the insight it brings will improve our understanding of this complex region and be of immense value to all who want to understand Eastern Europe s past and present The

Making of Eastern Europe Philip Longworth, 1997-05-14 Why has the collapse of Communism resulted in so much disappointment for the hopeful millions of Eastern Europe In the revised edition of this thoughtful and provocative book Philip Longworth argues that their predicament is only partly due to the imposition of the Soviet system but rather that they are the heirs of misfortune which dates back centuries In exploring the origins of current problems this sweeping history ranges from the present day to the time of Constantine the Great the Urals to the Mediterranean and the Baltic and emphasises culture and society as well as politics and economics In an additional new chapter Philip Longworth analyses the collapse of Communism and the advent of post communism This book will be of immense value to all who want to understand Eastern Europe s past and present *The Making of Eastern Europe* Philip Longworth, 1994 **The Making of Eastern**

Europe David Turnock, 1988-01-01 Om steuropas historiske geografi fra forhistorisk tid til 1815 **Pursued by a Bear** Zbyněk A. B. Zeman, 1989 **The Making of Détente** Wilfried Loth, George Soutou, 2010-04-05 Containing essays by leading Cold War scholars such as Wilfried Loth Geir Lundestad and Seppo Hentil this volume offers a broad ranging examination of the history of détente in the Cold War The ten years from 1965 to 1975 marked a deep transformation of the bipolar international system of the Cold War The Vietnam War and the Prague Spring showed the limits of the two superpowers who were constrained to embark on a wide ranging détente policy which culminated with the SALT agreements of 1972 At the same time this very détente opened new venues for the European countries French policy towards the USSR and the German Ostpolitik being the most evident cases in point For the first time since the 1950s Western Europe began to participate in the shaping of the Cold War The same could not be said of Eastern Europe but ferment began to establish themselves there which would ultimately lead to the astounding changes of 1989 90 the Prague Spring the uprisings in Gdansk in 1970 and generally the rise of the dissident movement That last process being directly linked to the far reaching event which marked the end of that momentous decade the Helsinki conference The Making of Détente will appeal to students of the Cold War international history and European contemporary history **Prospects for Constitutionalism in**

Post-Communist Countries Levent Gönenç,2002-06-18 The last decade of the 20th century saw radical changes in Eastern Europe and the former USSR Most of these countries made a transition from totalitarianism or authoritarianism to democracy and from central planning to a market economy Adding to the latter a number of national entities gained their independence after the disintegration of the federative states of the USSR Yugoslavia and Czechoslovakia Many recent studies have focused on these double in some cases triple transitions and scholars from different fields analyzed the so called 1989 Revolution from different perspectives Rather less scholarly attention has been paid to the future of post communist constitutions and prospects for constitutionalism in these countries The main questions dealt with throughout this study can be formulated as follows Will liberal democratic constitutionalism take root in these countries Will new constitutions in Eastern Europe and the former USSR perish or survive This study also aims at contributing to the construction of a general constitutional theory by studying the causes and dynamics of constitutional change in general Such constitutional change is not only on the East European but also on the West European agenda The purpose of this study is not to introduce a general theory about constitutional in stability but studying post communist constitutions will help us to understand the causes and dynamics of constitutional change from a broader perspective

Cabinets in Eastern Europe J. Blondel, F. Müller-Rommel,2016-01-03 Cabinets in Eastern Europe is a comprehensive study which enables the reader to compare the origins structure composition and activities of these cabinets and to draw lessons from this comparison Each chapter begins with a survey of the evolution of cabinets since the fall of communism at the beginning of the 1990s The emphasis is then laid on the place of the cabinet in the constitution and on the role of presidents and prime ministers in the formation of the life of each cabinet At a time when most Eastern European countries are candidates for membership in the European Union this volume provides a unique comparative presentation of the way in which cabinets have been evolving in Eastern Europe since the end of communism

Pilgrimage, Politics and Place-Making in Eastern Europe John Eade, Mario Katić,2016-04-22 Since the beginning of the anthropology of pilgrimage scant attention has been paid to pilgrimage and pilgrim places in central eastern and south eastern Europe Seeking to address such a deficit this book brings together scholars from central eastern and south eastern Europe to explore the crossing of borders in terms of the relationship between pilgrimage and politics and the role which this plays in the process of both sacred and secular place making With contributions from a range of established and new academics including anthropologists historians and

ethnologists Pilgrimage Politics and Place Making in Eastern Europe presents a fascinating collection of case studies and discussions of religious political and secular pilgrimage across the region

A History of Eastern Europe Robert Bideleux, Ian Jeffries, 2006-04-10 A History of Eastern Europe Crisis and Change is a wide ranging single volume history of the lands between the lands which have lain between Germany Italy and the Tsarist and Soviet empires Bideleux and Jeffries examine the problems that have bedevilled this troubled region during its imperial past the interwar period under fascism under communism and since 1989 While mainly focusing on the modern era and on the effects of ethnic nationalism fascism and communism the book also offers original striking and revisionist coverage of ancient and medieval times the Hussite Revolution the Renaissance the Reformation and the Counter Reformation the legacies of Byzantium the Ottoman Empire and the Hapsburg Empire the rise and decline of the Polish Lithuanian Commonwealth the impact of the region's powerful Russian and Germanic neighbours rival concepts of Central and Eastern Europe the 1920s land reforms and the 1930s Depression Providing a thematic historical survey and analysis of the formative processes of change which have played the paramount roles in shaping the development of the region A History of Eastern Europe itself will play a paramount role in the studies of European historians

The BFI Companion to Eastern European and Russian Cinema Richard Taylor, Nancy Wood, Julian Graffy, Dina Iordanova, 2019-07-25 This work maps the rich varied cinema of Eastern Europe Russia and the former USSR Over 200 entries cover a variety of topics spanning a century of endeavour and turbulent history from Czech animation to Soviet montage from the silent cinemas dating back to World War I through to the varied responses to the conflicts in the former Yugoslavia It includes entries on actors and actresses film festivals studios genres directors film movements critics producers and technicians taking the coverage up to the late 1990s In addition to the historical material of key figures like Eisenstein and Wajda the editors provide separate accounts of the trajectory of the cinemas of Eastern Europe and of Russia in the wake of the collapse of communism

Democratic Consolidation in Eastern Europe: Volume 2: International and Transnational Factors Jan Zielonka, Alex Pravda, 2001-06-14 This is the second volume in a two volume series of books on democratic consolidation in Eastern Europe The first volume focused on the issue of institutional engineering This second volume analyses the external parameters of democratic consolidation in thirteen Eastern European countries how different international actors and various economic cultural and security types of transnational pressures have shaped democratic politics in the region The aim is to contrast a set of democracy theories with empirical evidence accumulated in Eastern Europe over the last ten years The volume tries to avoid complex debates about definitions methods and the uses and misuses of comparative research Instead it seeks to establish what has really happened in the region and which of the existing theories are helpful in explaining these developments The volume is divided into two parts The first part presents a conceptual and comparative frame of analysis the second consists of detailed studies of individual countries undergoing democratic consolidation Case study chapters deal with the following countries Estonia and Latvia Hungary

Poland the Czech Republic Slovakia Romania Bulgaria and Macedonia the states of former Yugoslavia Belarus and Ukraine and finally Russia The concluding chapter identifies a set of variables responsible for the enormous impact of external factors on democratic consolidation in Eastern Europe It conceptualises the interplay of internal and external factors impinging upon democracy and shows the interplay of different positive and negative types of external pressures It also evaluates the conscious Western effort to craft or engineer democracy in Eastern Europe

Eastern Europe since 1945 Geoffrey Swain, Nigel Swain, 2017-10-26 An established introductory textbook that provides students with an engaging overview of the complex developments in Eastern Europe from the end of the Second World War through to the present Tracing the origins of the socialist experiment de Stalinisation and the transition from socialism to capitalism it explores the key events in each nation s recent history This is an ideal core text for dedicated modules on Eastern European History or Europe since 1945 including Central Europe and the Balkans or a supplementary text for broader modules on Modern European History or European Political History which may be offered at all levels of an undergraduate history politics or European studies degree In addition it is a crucial resource for students who may be studying the recent history of Eastern Europe for the first time as part of a taught postgraduate degree in Modern European history European politics or European studies New to this Edition A fully revised new edition of an established text updated throughout to incorporate the latest research Provides coverage of recent events Offers increased focus on social and cultural history with greater emphasis on everyday life and experiences in Eastern Europe

The Making of Central and Eastern Europe, by Francis Dvornik ... František Dvornik, 1949
European Union Governance in Central Asia Agha Bayramov, Marek Neuman, 2024-12-09 The edited volume attempts to critically approach EU Central Asian relations asking whether when adopting a more sectoral governance approach the EU s transformative power vis vis the region is greater than initially argued and if so under what conditions it flourishes most It assesses whether through adopting a sectoral approach to the area of development infrastructure water management security climate change energy trade health education or any other element defining EU Central Asian relations the European Union is able to co shape this geopolitically strategic region If so what drives the EU s ability to do so if not what mitigates its potential influence This book contributes to the scholarship on the EU s external governance both empirically and theoretically

Subregional Economic Cooperation in Central and Eastern Europe Martin Dangerfield, 2001-01-26 This book will be a valuable addition to the existing literature in the area appealing to academics and researchers in European and transition studies
