Methuen Of Animal Tales:

The Methuen Book of Animal Tales Jennifer Kavanagh,1983-01-01 **Let Me Take You by the Hand** Jennifer Kavanagh,2021-06-03 In 1861 the great journalist and social advocate Henry Mayhew published *London Labour and the London Poor* an oral history of those living and working on the streets of Victorian London Nothing on this scale had been attempted before On the surface the streets of London in 1861 and in 2019 are entirely different places But dig just a little and the similarities are striking and in many cases shocking Taking Mayhew s book as inspiration Jennifer Kavanagh explores the changes and continuities by collecting and mapping stories from today s London Beggars street entertainers stalls selling a variety of food clothes second hand goods thieves and the sex trade are all still predominant The rise of the gig economy has brought a multitude of drivers and cyclists delivering and moving goods transporting meals and people all organized through smart phones but using the same streets as Mayhew s informants The precarity faced by this new workforce would also be familiar to the street sellers of Mayhew s day In terms of resources gone are the workhouses almshouses paupers lunatic asylums Enter shelters day centres hostels and food banks *Let Me Take You By The Hand* is an x ray of life on the streets today the stories in their own words of those who work and live in our capital *The Emancipation of B* Jennifer Kavanagh,2015-02-27 B is not a child of his time As an outsider he hides his secrets well Freedom is all he dreams of But when it comes at last it is in the most unexpected way and at a considerable cost *Thread of Life* Jennifer Kavanagh,2025-03-25 War and peace History Herstory My story **The Silence Diaries** Jennifer Kavanagh,2019-10-25 Suzie and Orbs are in their thirties and have been together for a couple of years Orbs reluctantly makes a living in the City and Suzie is a respected financial journalist but each has another life hidden from the outside world Their secret existence is threatened first when Suzie is offered a highly visible job and then by an accident that turns their lives upside down This is their struggle to survive as partners *And This Shall Be My Dancing Day* Jennifer Kavanagh,2023-07-28 In one phrase I love it It is like I am watching the scenes unfold instead of reading them off a page Rebecca Riddell Bookseller Blackwell s Bookshop I will if you will What is the mystery of the dying flowers in a dark doorway with an ever open door And why does it matter so much Two very different women are brought together by love loss and their struggles with very modern moral choices whether to act against injustice and just how far to go *The Journal of Education* ,1906 **Journey Home** Jennifer Kavanagh,2012-04-16 Home one of the most emotive words in any language But it can mean different things to different people and based on extensive interviews Jennifer Kavanagh explores our outer and inner identities and asks What does home mean to you Home is not just four walls or the country in which we were born It is not a locked door an investment a legal address or a nation with rigid borders Home is where the heart is a yearning for a precious past a dream of something that has never been or a present reality In relationship with our families in community and with the whole of creation In this compelling and immensely readable book Kavanagh suggests that we will never be at home unless we are at

home to ourselves Home is where we all want to be *The Failure of Success* Jennifer Kavanagh,2012-12-16 Success good failure bad Each holds the germ of the other They are more alike than you think *Simplicity Made Easy* Jennifer Kavanagh,2011-06-16 In folk history and religion from the Shakers to Zen simplicity has generally been considered a good thing Our own motivation may be to leave a smaller carbon footprint to express a compassionate solidarity with those who have least or simply to downsize Whatever our concern it is likely that the motivation to live a simpler life will spring from within At heart simplicity is a focus on what matters Reducing the clutter in our lives whether in material objects use of time or money or in our religious practices leads to an increased clarity of vision and a focus a view of life and its priorities that is in itself simple Step by step we can move towards a state in which our attitudes and life are all of a piece integrated and made one Simplicity is the outward and visible sign of an inward and spiritual grace With this inspiring book discover how simplicity can become a way of life **Small Change, Big Deal** Jennifer Kavanagh,2012-06-29 As we consider the plight of our consumer driven economy it is easy to forget that money is about relationship between individuals and between communities In our current financial mess it is worth reminding ourselves of community based alternatives and to look closely at microcredit a model of peer lending to enable people to move out of poverty From Bangladesh from South Africa from Ghana and from the East End of London we are given a worm s eye view of small scale work of personal transformation and the building of community Small and local is still beautiful and has much to teach us **Quaker Quicks - Practical Mystics** Jennifer Kavanagh,2019-12-14 Are Quakers mystics What does that mean How does it translate into how we are and what we do in the world Jennifer Kavanagh has written a lovely book which I found to be to be compelling reading In a very practical way she explains the meaning of mysticism for Quakers and how an experience which some might regard as being esoteric can be truly meaningful for many today Terry Waite Practical Mystics is Jennifer Kavanagh s first addition to the burgeoning series Quaker Quicks which examines every aspect of what it means to be a Quaker from John Hunt Publishing imprint Christian Alternative **Postcolonial Animal Tale from Kipling to Coetzee** Jopi Nyman,2003 This Book Offers Provocative New Readings Of Animal Narratives That Have Changed The Way We Think About Animals Writing And Postcoloniality It Is Contended That Animal Tales Are Much More Complex And Political Than Is Generally Assumed By Discussing Several Well Known Animal Tales By Canonical And Popular Writers In Their Cultural And Historical Context It Is Argued That Animal Writing Enters The Contested Terrain Of Human Values And Ideologies And That Many Famous Nineteenth And Twentieth Century Animal Narratives Address Questions Of Race Gender And Nation This Volume Consists Of An Introduction And Eight Chapters Dealing With The Representation Of The Animal In Postcolonial Contexts That Seek To Demonstrate As To How Postcolonial Theories Can Be Brought To Bear Upon Narratives Usually Read In A More Conventional Manner The Authors Studied Include Beatrix Potter Rudyard Kipling Jack London Ernest Thompson Seton Percy Fitzpatrick Joy Adamson Gerald Durrell J M Coetzee Bernard Malamud And Paul Auster The Reference Catalogue
