The MGM Stock Company James Robert Parish, 1975 Mgm Stock Company: Golden Era James Rbert & Ronald L. Parish & Bowers, 1973 **Gloria Swanson** Stephen Michael Shearer, 2025-10-16 Gloria Swanson defined what it meant to be a movie star but her unforgettable role in *Sunset Boulevard* overshadowed the true story of her life Now Stephen Michael Shearer sets the record straight in the first in depth biography of the film legend Swanson was Hollywood's first successful glamour queen Her stardom as an actress in the mid 1920s earned her millions of fans and millions of dollars Realizing her box office value early in her career she took control of her life Soon she was not only producing her own films she was choosing her scripts selecting her leading men casting her projects creating her own fashions guiding her publicity and living an extravagant and sometimes extraordinary celebrity lifestyle She also collected a long line of lovers including Joseph P. Kennedy and married men of her choosing including a French marquis thus becoming America's first member of nobility As a devoted and loving mother she managed a quiet success of raising three children Perhaps most important as a keen businesswoman she also was able to extend her career more than sixty years Her astounding comeback as Norma Desmond

in Billy Wilder's *Sunset Boulevard* catapulted her back into the limelight But it also created her long misunderstood persona one that this meticulous biography shows was only part of this independent and unparalleled woman MGM Effect Steven Bingen, 2022-08-15 Metro Goldwyn Mayer's emblem which has opened thousands of movies since 1924 is the most recognized corporate symbol in the world Not just in the entertainment industry it should be noted but of any industry anywhere in the history of human civilization But MGM has been a competitively insignificant force in the motion picture industry for nearly as long as it once decades ago dominated that industry In fact the MGM lion now presides not over movies alone but over thirty world class resorts and is or has been also a recognized leader in the fields of real estate theme parks casinos golf courses consumer products and even airlines all around the world But the MGM mystique remains This book is a look at what made MGM the Mount Rushmore of studios how it presented itself to the world and how it influenced everything from set design to merchandising to music and dance and continues to do so today **A Hundred or More Hidden Things** Mark Griffin, 2010-03-09 He was the acclaimed director of such cinematic classics as *Meet Me in St Louis* *An American in Paris* and *Gigi* and equally well known for his tumultuous marriage to the legendary Judy Garland But to say that Vincente Minnelli's conflicted personal life informed his films would be an understatement As Mark Griffin persuasively demonstrates in this definitive biography of the Academy Award winning director Minnelli was not only building a remarkable Hollywood legacy but also creating an intriguing autobiography in code Drawing on more than 100 interviews with such icons as Kirk Douglas Angela Lansbury Lauren Bacall Tony Curtis and George Hamilton Griffin turns the spotlight on the enigmatic elegant director revealing long kept secrets at the heart of Minnelli's genius Popular Abstracts Ray Broadus Browne, 1979 *Popular Abstracts* is a reference tool providing access to information appearing in past issues of three journals published by the Bowling Green Popular Press Abstracts are included for each article appearing in the first ten volumes of *The Journal of Popular Culture* 1967-1977 the first five volumes of *The Journal of Popular Film* 1972-1977 and the first four volumes of *Popular Music and Society* 1971-1975 **Focus On: 100 Most Popular English Emigrants to the United States** Wikipedia contributors, *The Fixers* E.J. Fleming, 2015-01-28 Eddie Mannix and Howard Strickling are virtually unknown outside of Hollywood and little remembered even there but as General Manager and Head of Publicity for Metro Goldwyn Mayer Studios they lorded over all the stars in Hollywood's golden age from the 1920s through the 1940s including legends like Garbo Dietrich Gable and Garland When MGM stars found themselves in trouble it was Eddie and Howard who took care of them solved their problems hid their crimes and kept their secrets They were the Fixers At a time when image meant everything and the stars were worth millions to the studios that owned them Mannix and Strickling were the most important men at MGM Through a complex web of contacts in every arena from reporters and doctors to corrupt police and district attorneys they covered up some of the most notorious crimes and scandals in Hollywood history keeping stars out of jail and more importantly their names out of the papers They handled problems as diverse as the murder of Paul Bern husband of

MGM's biggest star Jean Harlow the studio directed drug addictions of Judy Garland the murder of Ted Healy creator of The Three Stooges at the hands of Wallace Beery and arranging for an unmarried Loretta Young to adopt her own child a child fathered by a married Clark Gable Through exhaustive research and interviews with contemporaries this is the never before told story of Eddie Mannix and Howard Strickling The dual biography describes how a mob related New Jersey laborer and the quiet son of a grocer became the most powerful men at the biggest studio in the world *Catalog of Copyright Entries.
