Mozart And Me:

Mozart's Wife Juliet Waldron, 2004-12 Based on original sources including family letters and scholarly biographies this is a biographical novel about Constanze Mozart's wife

Life of Mozart Otto Jahn, 1882 [Mozart's Letters, Mozart's Life](#)

Robert Spaethling, 2014-10-27 A wonderful collection that gives Mozart a voice as a son husband brother and friend New York Times Book Review Mozart's honesty his awareness of his own genius and his contempt for authority all shine out from these letters Sunday Times London In Mozart's Letters Mozart's Life Robert Spaethling presents Mozart in all the rawness of his driving energies Spectator preserved in the zany often angry effervescence of his writing Observer Where other translators have ignored Mozart's atrocious spelling and tempered his foul language Robert Spaethling's new translations are lively and racy and do justice to Mozart's restlessly inventive mind Daily Mail Carefully selected and meticulously annotated this collection of letters should be on the shelves of every music lover BBC Music Magazine

Mozart's Requiem Christoph Wolff, 1994 When was the score of the Requiem completed is a question that everyone has asked but Wolff goes on to ask Where do the technical and stylistic premises for the Requiem lie and to what extent could these be taken into account after Mozart's death This question is rich in implications central to the uniqueness of the work and virtually undiscussed in the Mozart literature Thomas Bauman co author of Mozart's Operas

Mozart's Sister Rita Charbonnier, 2008-07-22 The fascinating life of Wolfgang's older sister Nannerl whose talent may have equaled her brother's Maria Anna Walburga Ignatia Mozart affectionately called Nannerl by her family could play the piano with an otherworldly skill from the time she was a child At the tender age of five she gave her first public performance amazing the assembled gentlemen and ladies with the beautiful music she created Yet it was her brother Wolfgang who carried their father's dreams of glory As the siblings matured Nannerl's prodigious talent was brushed aside Instead of playing alongside her brother in the world's great cities she was forced to stop performing and become a provincial piano teacher to support Wolfgang's career Nannerl might have accepted this life in her brother's shadow but for the appearance of a potential suitor who reawakened her passion for life for love for music and who threatened to upset the delicate balance that kept the Mozart family in harmony

The Life of Mozart Edward Holmes, 1878 [Mozart's Music of Friends](#) Edward Klorman, 2016-04-21 In 1829 Goethe famously described the string quartet as a conversation among four intelligent people Inspired by this metaphor Edward Klorman's study draws on a wide variety of documentary and iconographic sources to explore Mozart's chamber works as the music of friends Illuminating the meanings and historical foundations of comparisons between chamber music and social interplay Klorman infuses the analysis of sonata form and phrase rhythm with a performer's sensibility He develops a new analytical method called multiple agency that interprets the various players within an ensemble as participants in stylized social intercourse characters capable of surprising seducing outwitting and even deceiving one another musically This book is accompanied by online resources that include original recordings performed by the author and

other musicians as well as video analyses that invite the reader to experience the interplay in time as if from within the ensemble *Le Guide Musical* ,1873 Mozart's Early Days Franz Hoffmann,1873 *Letters of Wolfgang Amadeus Mozart* Wolfgang Amadeus Mozart,1928 *Musical Times and Singing Class Circular* ,1896 **Mozart's Don Giovanni, a commentary, tr. by W. was wonderful to see his hands and feet going together but exceedingly fine yes he was an extraordinary man My father thought very highly of him And how he used to jeer at the priests when they wanted him to turn monk This last must have been of peculiar interest to Wolfgang who knew his father only as a devout and strict observer of the Catholic religion But Leopold remembered the days of his youth and wrote to his wife December 15 1777 Let me ask if Wolfgang has not of late neglected to go to confession God should ever be first in our thoughts to Him alone must we look for earthly happiness and we should ever keep eternity in view young people I know are averse to hearing of these things I was young myself once but God be thanked I always came to myself after my youthful follies fled from all dangers to my soul and kept steadily in view God and my honour and the dangerous consequences of indulgence in sin Long continued exertions and self denial laid the foundation of Leopold Mozart s character in a conscientious earnestness and devotion to duty in great things as in small they had the effect also of rendering his judgment of others somewhat hard and uncompromising This is observable in his relations as an official and as a teacher and in his dealings on matters of religion He was a strict Catholic and feared nothing so much for his children as the influence which a prolonged stay in Protestant countries might exert on their faith he remarked with surprise that his travelling companions Baron Hopfgarten and Baron Bose had often edified him with their discourse although they were Lutherans Paris April 1 1764 *Mozart's Requiem* Simon P. Keefe,2012-06-28 A fresh evaluation of Mozart s Requiem which focuses on historical and current understandings in fiction drama film criticism and performance **The Musical Quarterly** Oscar George Sonneck,1927
