My Foreign Country Trevor Fishlocks Britain:

My Foreign Country Trevor Fishlock, 1997 After years of living and writing abroad foreign correspondent Trevor Fishlock turns his eyes and ears to his native land in search of the spirit of Britain His book shows a country leaning on its history but it is also peppered with detail and curiosities about landscape and people

Conquerors of Time Trevor Fishlock, 2012-10-04 Conquerors of Time celebrates 150 years of courage energy innovation resourcefulness and grand ideas from the late 17th century to the early 20th It s about the seafarers engineers inventors and trailblazers who enabled the British to hold together a vast empire and the Americans to push their frontiers west Some such as Captain Cook and Robert Stephenson are famous Others like the makers of chronometers the collectors of tropical plants or the railway engineers who roughed it in the Canadian wilderness are less well known What they all had in common is a desire to understand the world and a determination to harness the forces of nature Trevor Fishlock s brio and broad vision matches those of his subjects and makes for a rattling good read Lawrence James Daily Mail Fact filled and highly evocative the sheer romance of the story is irresistible Sunday Telegraph
