My Forever Love:

Your Own Song to Sing (Volume 2) Saverio,2011-04-01 Writing has taken over my life in a good way My thoughts continually are geared towards my next song Sometimes I get a few lines in my head when I am driving and I have to pull over the car and write them down No matter where I am I get the urge to write I could be talking to a neighbor or be in the middle of mass at church and a word or phrase will pop into my head and whoa a new song is born More than anything I love love love the peace of mind songwriting allows me to have Most of my lyrics take me 15 to 30 minutes to write There was a time when I was writing 6 8 lyrics in a day Sometimes I would sit there and stare at my pencil asking why did you stop I swear at times the pencil kept moving like I wasnt even thinking of what to write This is my first edition I hope to continue with future editions as I am still writing new songs everyday Someday I hope to put my lyrics to my own music and I recently started taking piano lessons Hey we all know life is a learning process a learning curve we need to experience the turns with the ride I wish you all success with this book and look forward to seeing some of you with me when it comes to award times

Omaira,2021-12-20 I Should Have Told By Omaira I Should Have Told is a short story of lost innocence strength and resilience based on true events For Omaira writing this book put vague images and memories into perspective and helped set her free Her goal is to let others know that it s okay to trust someone Reaching out for help is very important Being young does not give any adult the right to take your childhood innocence We as adults need to ensure our children are safe and are comfortable speaking to us Children should not face these situations alone This short story debut is a prelude to other novels to come **Catalog of Copyright Entries** Library of Congress.
