## **My Greatest Race:**

**My Best Race** Chris Cooper, 2013-09-03 Fifty runners from the world's elite to passionate amateurs share the races they'll never forget in this fascinating and fresh look at competitive running. Jon Sinclair, former USA cross country and 10K champion, RRCA Hall of Famer. Every runner that enters a race has a unique motivation behind competing: racing for the challenge, for the achievement, for the health benefits, or for more personal reasons. But whether they are twenty miles a day elite marathoners or twenty miles a week recreational runners, each of them can invariably point to a singular performance as the best race they ever ran. *My Best Race* is a collection of those singular performances. In this inspirational collection, fifty runners from Olympians and world champions to courageous disabled athletes and middle-of-the-packers share their personal accounts of what they consider the best race they ever ran and why. Contributors include a top marathoner who sacrifices his place on the Olympic team to pace his friend to the final qualifying spot at the Olympic Trials, The Central Park Jogger who finishes a race she founded to benefit disabled athletes fourteen years after being left for dead from a brutal attack that gripped the nation, an unheralded high school runner who beats a previously undefeated state champion and who goes on to become a two-time Olympian, the woman race organizers tried to physically remove from the male-only Boston Marathon in 1967, and forty-six other runners. Such wonderful and inspiring stories by a diverse group of runners. Bravo, Ryan Lamppa, media director of Running USA. What a fascinating concept. A very unique and inspiring collection that gives great insight into the minds of runners. Keith Brantly, member of the 1996 US Olympic marathon team.

years in the Coast Guard My first four years were served in vessels Two on a high endurance cutter mostly in a training or learning mode and two as commanding officer of a small patrol vessel stationed on North Carolinas southern coast Despite being prone to seasickness I loved the lure of the sea While I did miss my wife and now two children getting under way has always been a wonderful experience where anything could happen and often did Following those four years afloat I was assigned to be chief of recruitment for Northern California Nevada and Utah and was now nearing the end of a three year assignment ashore Three years ashore was about three years too many and I was eager to get back to sea It had been a good and challenging three years living in fairly typical urban style carpooling into the big city during the week and catching up on home duties during the weekend Somehow riding a desk even a nice desk did not compare to life on a ship The Coast Guard did provide us some input to the assignment process so after some thought I decided to be bold on my assignment request and ask for a buoy tender in Hawaii as executive officer I had no buoy tender or overseas experience but our assignment card was commonly referred to as a wish sheet so I figured Id wish Executive officers were second in command on the ship generally managing all the administrative aspects and running the day to day routine of the ship Once under way the commanding officer became the man often referred to as the Old Man On a small patrol vessel such as I had previously commanded there was only one officer so I had handled all the administrative aspects as well as the operational aspects I would only need to learn the art of tending buoys if I was fortunate enough to get the assignment I dont think it influenced my choice but one of my long distance childhood memories was a postcard my father received one day from a friend I was only about eight or nine but I remember the words and the picture which is what really caught my attention palm trees white sand beaches and crystal blue water Keep in mind that there were no high definition big screen TVs in that day and few color TVs none in our house so a color postcard made quite an impression The words also made an impression and burned themselves into my memory Sell the boat Sell the house Quit your job Move to paradise Hawaii If it had mentioned leaving the eight kids behind my father might have jumped at the idea but he was afraid to fly so we were not moving to Hawaii at least not then Lo and behold twenty years later I receive my first choice and I was going to Hawaii I didnt need to sell anything and was perfectly happy to bring my wife and young children For some reason the Coast Guard thought that after three years ashore I might have forgotten all those semesters of navigation plus the subsequent four years I spent on ships practicing So they sent me to a refresher course for two weeks in San Diego Turns out I hadnt forgotten and even if I had it didnt matter The only two things an executive officer needed to know in that era were how to balance the budget and how to catch the young seamen smoking pot They didnt have courses for those things and I didnt need them anyway I was pretty good at both But who can complain about two weeks in San Diego Most of my classmates were naval officers of various ranks and levels of experience As a Coastie I was never much impressed but enjoyed listening to the break discussions One particular discussion during t
