## My Half Century:

*The World* Jan Morris, 2005-03-22 A breathtakingly vivid guide to our greatest cosmopolitan cities and cultures from Manhattan to Venice and from Baghdad to Barbados this book assembles 50 years of Morris's finest travel writing

**Clarence Dillon** Robert C. Perez, Edward F. Willett, 1995-06-06 A biography of a Polish immigrant who rose to the top of Wall Street in the Roaring Twenties and abandoned it after the Crash      Fight For Your Dream Elaine Hazel

Sharp, 2015-07-27 This compelling autobiography details the true life story of one woman's fight for survival. It details the depth of resilience that some extraordinary individuals can display when facing their own mortality. Fight for your dream epitomises Elaine's life story and personal struggle with breast cancer, OCD and depression. It is an inspirational, honest and often humorous account of how one Alpaca and one Llama gave Elaine a lifeline to hang onto and formed the catalyst to change her life forever. From government office worker to award-winning Alpaca breeder, businesswoman and self-made millionairess, this is Elaine's true life story. This amazing read gives a heart-warming and moving account into her incredible journey to success      The Word that Causes Death's Defeat Anna Andreievna Akhmatova, Анна Андреевна

Ахматова, 2004-01-01 Anna Akhmatova 1889-1966 one of twentieth-century Russia's greatest poets was viewed as a dangerous element by post-Revolution authorities. One of the few unrepentant poets to survive the Bolshevik revolution and subsequent Stalinist purges, she set for herself the artistic task of preserving the memory of pre-Revolutionary cultural heritage and of those who had been silenced. This book presents Nancy K. Anderson's superb translations of three of Akhmatova's most important poems: Requiem, a commemoration of the victims of Stalin's Terror; The Way of All the Earth, a work to which the poet returned repeatedly over the last quarter-century of her life and which combines Old Russian motifs with the modernist search for a lost past; and Poem Without a Hero, widely admired as the poet's magnum opus. Each poem is accompanied by extensive commentary. The complex and allusive Poem Without a Hero is also provided with an extensive critical commentary that draws on the poet's manuscripts and private notebooks. Anderson offers relevant facts about the poet's life and an overview of the political and cultural forces that shaped her work. The resulting volume enables English language readers to gain a deeper level of understanding of Akhmatova's poems and how and why they were created      **As**

**Flip as I Want to be** George Estrada, 2007 Selections from the author's Mango Diaries column originally published in the Philippine Times of Las Vegas      *Life and Times of Frederick Perthes* Clemens Theodor Perthes, 1858      Amiel's Journal

Henri-Frédéric Amiel, 2019-09-25 Reproduction of the original Amiel's Journal by Henri Frédéric Amiel      Sperm, Wonderful Sperm! Alan Smithie, 2009-07-01 I remember a report some time ago extolling the health benefits of the vitamins found in sperm with the advice that in preparation for having a healthy and intelligent baby for some months before becoming pregnant a woman should swallow her partner's sperm. You can rest assured this report was compiled by a team of men. This has nothing whatsoever to do with the fact I set out to write a book entitled 49, a humorously light-hearted fly on the wall look

at my life from the day before my forty ninth birthday to the day I hit fifty A story of how I was coping with being too old for a mid life crisis counting the days tick down until the inevitable half century Should I be wearing socks with sandals when would I start to enjoy pastimes that involved either binoculars a fishing rod making boats out of used matchsticks a tandem bicycle or Morris dancing Was I developing man breasts and more importantly would the next woman I meet have bingo wings What pre fifty pastimes would I be consigning to the dusty bin of life wearing Ramones T shirts and ogling young girls my T shirt definitely had to go Maybe I wouldn t even make it to the end of the book instead I d meet my end running the Snowdonia Marathon As it was I did make it to the end Having spent a year writing 49 and many months trying to get a publishing deal without success I started to write a blog I pretty soon realised the missing ingredient sex sex sells Post a good title and you have a success mention anal sex and you have a best seller Without a second thought I changed the book title to Sperm Wonderful Sperm and quickly contacted an online print on demand publisher This is the result **Speak Up** Linda S. Richard Fenno, 2016-01-08 A follow up book to his classic *Home Style: House Members in their Districts* this new book by the preeminent legislative studies scholar Dick Fenno is intended for use in courses on Congress political campaigning and American government. Written in Fenno's homespun story telling style this book argues that authenticity knowing what a representative is like in his/her district and looking beyond mere roll call voting contributes significantly to understanding the full body of work done by our members of Congress. It further posits by recounting Fenno's actual life's work that the best way to gain a sense of authenticity is to do what Fenno is most famous for i.e. making multiple trips and spending a great deal of time observing representatives at home with their constituents in their districts. The book is an engaging quietly provocative and unique title that offers an alternative to what some consider the increasingly specialized and technical nature of political science.

**Beyond Imagination** Dr. Dinesh Udaybhan, In the quaint town of Datiya Deepak Kanojiya's journey unfolds. Despite setbacks in his career he found solace in the companionship of Priyanka Sharma. As they explored their friendship an unexpected adventure brought them closer in a dense forest forging a deeper connection between them. Yet as Priyanka's career ascends Deepak's aspirations falter weaving a web of doubt and distance. Many years later destiny led Deepak to the corridors of power but love's threads frayed in the face of unkept promises and misunderstandings. Can love conquer the ravages of time?

**Recollections of a Busy Life** Horace Greeley, 1869 Freemasons' Quarterly Magazine, 1854 Still Here Keith M. Jackson, 2005-01-25 I went to a historically black college and learned how to be an effective white person. I went to a historically white college and learned how to be an effective black person. I went to a historically religious university and learned how to hate more effectively. After all that confusion and insanity I am truly made in America and I am still here. Love knows no color and no boundaries but people do. Biology does not make family. It only makes blood relations. Most people are not really looking for the truth. They are looking for something to confirm what they already believe is the Truth. Common Sense Ain't Common No More.

*Critical Path* R. Buckminster Fuller, 1982-02-15 The masterwork of a brilliant career and an important document of the crisis now facing mankind. Today we find ourselves in the midst of the greatest crisis in the history of the human race. Technology has placed in our hands almost unlimited power at the very moment when we have run up against the limits of our resources aboard Spaceship Earth as the crises of the late twentieth century political economic environmental and ethical determine whether or not humanity survives. In this masterful summing up of an entire lifetime's thought and concern R. Buckminster Fuller addresses these crucial issues in his most significant accessible and urgent work. *Critical Path* traces the origins and evolution of humanity's social political and economic systems from the obscure mists of prehistory through the development of the great political empires to the vast international corporate and political systems that control our destiny today to show how we got to our present situation and what options are available to man. With his customary brilliance extraordinary energy and unlimited devotion Bucky Fuller shows how mankind can survive and how each individual can respond to the unprecedented threat we face today. The

crowning achievement of an extraordinary career Critical Path offers the reader the excitement of understanding the essential dilemmas of our time and how responsible citizens can rise to meet this ultimate challenge to our future
