## My Head My Heart A Little History Of:

Thomas Jefferson Alf Johnson Mapp (Jr.), Alf J. Mapp, Jr., 2009-01-16 Follows Jefferson from his inauguration as President in 1801 to his death at the age of 83 on July 4 1826 It embraces the eight years as Chief Executive in which he doubled the size of the United States by his daring Louisiana Purchase sent Meriwether Lewis and William Clark on one of the world's greatest expeditions of exploration and challenged the formidable Chief Justice John Marshall with a major program of judicial reform It proves the falseness of the stereotype that Jefferson ignored national defense and tried to keep the Navy weak The book shows him late in life with ideas that have relevance today planning a system of public education and founding the University of Virginia and it reveals better than any other biography to date the intimate details of the lonely private battle he fought during his last tortured but ultimately triumphant decade **Mr. Jefferson's Women** Jon

Kukla, 2008-10-14 From the acclaimed author of *A Wilderness So Immense* comes a pioneering study of Thomas Jefferson's relationships with women both personal and political The author of the Declaration of Independence who wrote the words all men are created equal was surprisingly uncomfortable with woman In eight chapters Kukla examines the evidence for the founding father's youthful misogyny beginning with his awkward courtship of Rebecca Burwell who declined Jefferson's marriage proposal and his unwelcome advances toward the wife of a boyhood friend Subsequent chapters describe his decade long marriage to Martha Wayles Skelton his flirtation with Maria Cosway and the still controversial relationship with Sally Hemings A riveting study of a complex man Mr Jefferson's Women is sure to spark debate *Thomas Jefferson: The Art of Power* Jon Meacham, 2013-10-29 1 NEW YORK TIMES BESTSELLER From Pulitzer Prize winning biographer Jon Meacham a big grand absorbing exploration of not just Jefferson and his role in history but also Jefferson the man humanized as never before Entertainment Weekly Probably the best single volume biography of Jefferson ever written Gordon S Wood A BEST BOOK OF THE YEAR The New York Times Book Review The Washington Post Entertainment Weekly The Seattle Times St Louis Post Dispatch BookPage This magnificent biography brings vividly to life an extraordinary man and his remarkable times giving us Thomas Jefferson the man the politician and the president A Founder whose understanding of power and of human nature enabled him to move men and marshal ideas to learn from his mistakes and to prevail Jefferson was passionate about many things women his family science architecture gardening Monticello Paris and more He strove despite fierce opposition to realize his vision the creation survival and success of popular government in America Drawing on archives in the United States England and France as well as unpublished transcripts of Jefferson presidential papers Jon Meacham shows us the personal Jefferson a man of appetite sensuality and passion He also presents Jefferson as the most successful political leader of the early republic and perhaps in all American history a leader who found the means to endure and to win His story resonates today not least because he led his nation through ferocious partisanship amid economic change and external threats Jefferson also embodies an eternal drama the struggle of the leadership of a nation to achieve greatness in a

difficult and confounding world      Thomas Jefferson: President and Philosopher Jon Meacham, 2016-09-20 In this special illustrated edition of the 1 New York Times bestselling Thomas Jefferson The Art of Power by Pulitzer Prize winning author Jon Meacham young readers will learn about the life and political philosophy of one of our Founding Fathers This book is a must read for President s Day Thomas Jefferson was the third president of the United States He was one of the authors of the Declaration of Independence But he was also a lawyer and an ambassador an inventor and a scientist He had a wide range of interests and hobbies but his consuming interest was the survival and success of the United States This book contains a note from Meacham and over 100 archival illustrations as well as sections throughout the text about subjects such as the Boston Tea Party the Library of Congress and Napol on Bonaparte Additional materials include a time line a family tree a Who s Who in Jefferson s world sections on Jefferson s original writings and correspondence inventions interests places in Jefferson s world finding Jefferson in the United States today additional reading organizations and websites notes a bibliography and an index This adaptation ideal for those interested in American presidents biographies and the founding of the American republic is an excellent example of informational writing and reflects Meacham s extensive research using primary source material Praise for Thomas Jefferson President and Philosopher A solid resource for young people intrigued by Jefferson Booklist Comprehensive and engaging Scholastic Instructor There is a surprising paucity of books about Jefferson at this level and this handsome well written and engaging volume fills that literary gap Horn Book Wonderfully written and crafted Entertaining for both kids and adults alike KidsReads com      **The Complete Works of Herman Melville: Novels, Short Stories, Poems & Essays** Herman Melville, 2023-11-26 The Complete Works of Herman Melville Novels Short Stories Poems Essays is an expansive collection that encapsulates the multifaceted genius of Melville a pivotal figure in American literature This compendium showcases his rich narrative style characterized by intricate symbolism philosophical depth and profound explorations of human nature and the sublime Within the pages readers will find renowned novels such as Moby Dick alongside a tapestry of short stories and poetry that reflect 19th century concerns of existentialism identity and the clash between civilization and nature all set against the backdrop of Melville s own seafaring experiences and tumultuous personal life Herman Melville born in 1819 lived through tumultuous times that profoundly influenced his writing With a career marked by initial commercial success and later critical obscurity Melville s voyages including whaling expeditions deeply informed his literary themes making his later works resonate with an authenticity rarely found in contemporary literature His friendship with Nathaniel Hawthorne and engagement with philosophical inquiries into life and death provide context for his complex narratives and thematic preoccupations solidifying his status as a trailblazer in literary modernism This comprehensive collection is essential for readers and scholars alike as it offers an unprecedented opportunity to explore Melville s vast literary landscape Whether delving into the gripping allegory of Moby Dick or contemplating the existential musings of his essays readers will gain insights into the human condition that remain strikingly relevant today An invitation

to reflect on the complexities of existence awaits within this masterful anthology Jefferson's Secrets Andrew Burstein,2006-03-21 Thomas Jefferson died on July 4 1826 leaving behind a series of mysteries that captured the imaginations of historical investigators an interest rekindled by the recent revelation that he fathered a child by Sally Hemmings a woman he legally owned yet there is still surprisingly little known about him as a man In Jefferson's Secrets Andrew Burstein focuses on Jefferson's last days to create an emotionally powerful portrait of the uncensored private citizen who was also a giant of a man Drawing on sources previous biographers have glossed over or missed entirely Burstein uncovers first and foremost how Jefferson confronted his own mortality and in doing so he reveals how he viewed his sexual choices Delving into Jefferson's soul Burstein lays bare the president's thoughts about his own legacy his predictions for American democracy and his feelings regarding women and religion The result is a moving and surprising work of history that sets a new standard post DNA for the next generation's reassessment of the most evocative and provocative of this country's founders *HERMAN MELVILLE Ultimate Collection: 50+ Adventure Classics, Philosophical Novels & Short Stories* Herman Melville,2024-01-15 Herman Melville's Ultimate Collection compiles over fifty of his most significant works bridging an array of adventure classics philosophical novels and short stories Characterized by rich narrative complexity and profound symbolism this collection reflects Melville's innovative literary style that melds realism and romanticism From the high seas of Moby Dick to the existential musings in Bartleby the Scrivener Melville explores themes such as identity morality and the human condition against the backdrop of 19th century America a time of immense social transformation and ideological conflict Herman Melville 1819 1891 emerged from a diverse set of experiences as a sailor clerk and lecturer which fueled his literary imagination His early maritime adventures deeply informed his writing endowing it with authenticity and an understanding of life's tumultuous currents Disregarded in his time Melville's work has since been recognized for its deep philosophical insights and psychological depth making him a staple in American literature and a significant precursor to modern existential thought This comprehensive collection is essential for scholars students and casual readers alike as it encapsulates the enduring spirit of Melville's literary genius Discover the profound narratives and explore philosophical inquiries that resonate with contemporary issues inviting readers to confront the eternal questions of existence and humanity

**I'll Shave My Head Too** Steve Dolling, Spencer Dolling,2015-02-11 Spencer was diagnosed with Stage IV neuroblastoma at the age of six Tracey and Steve did what most parents try to do provide a fun and stimulating environment for their kids to grow in and reach their full potential Foster did what brothers do he offered up his bone marrow and rode shotgun in the all terrain electric assault vehicle Scupper did what sinister Portuguese Water Dogs do he tried to eat the house one piece of furniture at a time and displace the owner from his spot in the bed And Spencer Spencer played soccer sailed boats built windmills skipped a lot of school and developed a serious teenage drug habit Along the way Steve wrote this deeply personal hilarious and utterly moving collection of stories They spilled out of his brain and onto the keyboard as there is not enough

room for happy optimism and utter terror to coexist I'll Shave my Head Too is an incredible balance between readability humour and emotional impact

**Founding Friendships** Cassandra A. Good, 2015-01-02 When Harry Met Sally is only the most iconic of popular American movies books and articles that pose the question of whether friendships between men and women are possible In Founding Friendships Cassandra A Good shows that this question was embedded in and debated as far back as the birth of the American nation Indeed many of the nation's founding fathers had female friends but popular rhetoric held that these relationships were fraught with social danger if not impossible Elite men and women formed loving politically significant friendships in the early national period that were crucial to the individuals lives as well as the formation of a new national political system as Cassandra Good illuminates Abigail Adams called her friend Thomas Jefferson one of the choice ones on earth while George Washington signed a letter to his friend Elizabeth Powel with the words I am always Yours Their emotionally rich language is often mistaken for romance but by analyzing period letters diaries novels and etiquette books Good reveals that friendships between men and women were quite common At a time when personal relationships were deeply political these bonds offered both parties affection and practical assistance as well as exemplified republican values of choice freedom equality and virtue In so doing these friendships embodied the core values of the new nation and represented a transitional moment in gender and culture Northern and Southern famous and lesser known the men and women examined in Founding Friendships offer a fresh look at how the founding generation defined and experienced friendship love gender and power

The History of Sir Charles Grandison Samuel Richardson, 1754

*Jefferson's Declaration of Independence* Allen Jayne, 2014-07-11 Allen Jayne analyzes the ideology of the Declaration of Independence and its implications by going back to the sources of Jefferson's ideas Bolingbroke Kames Reid and Locke He concludes that the Declaration must be read as an attack on two claims of absolute authority that of government over its subjects and of religion over the minds of men Today's world is more secular than Jefferson's and the importance of philosophical theology in eighteenth century critical thought must be recognized in order to understand fully and completely the Declaration's implications Jayne addresses this need by putting religion back into the discussion

*The Confidence-man* Herman Melville, 2007 A scathing razor sharp satire set on a New Orleans bound riverboat The Confidence Man exposes the fraudulent optimism of so many American idols and idealists Ralph Waldo Emerson Henry David Thoreau and P T Barnum in particular and draws a dark vision of a country being swallowed by its illusions of progress Why is Dalkey Archive doing yet another edition of The Confidence Man And why is it doing Melville at all First this edition originally published by Bobbs Merrill over forty years ago contains remarkable annotations by H Bruce Franklin intended for both the general reader and the scholar It's an edition we have long admired More importantly we believe that The Confidence Man is America's first postmodern novel game like darkly comic and completely inventive
