Aswin Shankharan,2023-11-02 Poetromantics is a collection of over 100 poetries celebrating love romance women relationships and life Poetromantics is all about capturing and romanticizing small beautiful moments stories conflicts and conversations that everyone of us go through in life Walking through the walks of life sometimes we forget to celebrate the beautiful moments with our loved ones the laughter the smile the memories and stories that are etched for life even if we take different directions Sometimes we do forget to celebrate the people around us especially women when they were created to be celebrated The poetries celebrate women their beauty their thoughts their happiness their anger and everything The poetries are simply written by romanticizing the small moments of everyone that needs to be celebrated Every poetry has a story an emotion a thought a moment that is romanticized and celebrated The poetries are mostly drawn from moments than people the incidents the moments around us that we as beings of this world hold on to though we take different paths and become different human beings The poetries are inspired from people real life stories music films and sometimes just by staring at a blank paper The poetries are relatable to people with their experiences they have been through or will be through The poetries reflect the unsaid thoughts when we go through these beautiful moments of life Poetromantics is a simple poetry book for everyone to celebrate and cherish their loved ones to get inspired to change and fall in love Poetromantics is a book to celebrate love which holds the mankind together Dreams Like Mine Leesa

Abbott,2013-05-26 Dreams Like Mine is a powerful collection of poetry about love loss isolation and strength in the face of suffering While many of the poems utilize nature and spirituality as sophisticated metaphors others are beautifully simplistic and elegant This collection of poems exquisitely illustrates the difficulty and intensity of facing one's demons shame and secrecy They offer a provocative glimpse inside the mind of an individual struggling with grief trauma depression and stigma Despite the dark imagery some of the poems conjure they often transcend these painful shadows into messages of hope inspiration and healing They have a distinctive ability to evoke tears as well as courage and valor during life's obstacles

Solariad Surazeus Astarius,2017-10-15 Solariad of Surazeus Guidance of Solaria presents 114 920 lines of verse in 1 660 poems lyrics ballads sonnets dramatic monologues eulogies hymns and epigrams written by Surazeus 2006 to 2011 **Six Masters of the Spanish Sonnet** Willis Barnstone,1997 With poems selected and translated by one of the preeminent translators of our day this bilingual collection of 112 sonnets by six Spanish language masters of the form ranges in time from the seventeenth to the twentieth centuries and includes the works of poets from Spanish America as well as poets native to Spain Willis Barnstone's selection of sonnets and the extensive historical and biographical background he supplies

serve as a compelling survey of Spanish language poetry that should be of interest both to lovers of poetry in general and to scholars of Spanish language literature in particular Following an introductory examination of the arrival of the sonnet in Spain and of that nation's poetry up to Francisco de Quevedo Barnstone takes up his six masters in chronological turn preceding each with an essay that not only presents the sonneteer under discussion but also continues the carefully delineated history of Spanish language poetry Consistently engaging and informative and never dull or pedantic these essays stand alone as appreciations in the finest sense of that word of some of the greatest poets ever to write It is however Barnstone's subtle musical clear and concise translations that form the heart of this collection As Barnstone himself says In many ways all my life has been some kind of preparation for this volume *The Methodist new connexion magazine and evangelical repository*, 1852
