## **My Hero The Autobiography Of Donald Rich:**

Organized Labor in the Twentieth-century South Robert H. Zieger, 1991      **The Coming of the New Deal, 1933-1935** Arthur Meier Schlesinger, 2003 Portraying the United States from the Great War to the Great Depression The Crisis of the Old Order covers the Jazz Age and the rise and fall of the cult of business For a season prosperity seemed permanent but the illusion came to an end when Wall Street crashed in October 1929 Public trust in the wisdom of business leadership crashed too With a dramatist's eye for vivid detail and a scholar's respect for accuracy Schlesinger brings to life the era that gave rise to FDR and his New Deal and changed the public face of the United States forever      George W. Norris Richard Lowitt, 1971 This book discusses George W Norris a Nebraska politician and a leader of progressive and liberal causes in Congress

*The Wayward Liberal* Thomas E. Vadney, 2014-07-15 In the first political biography of Donald Richberg Thomas E Vadney traces the continuities and discontinuities in the American reform tradition from the days of the Progressives to the years after the New Deal Richberg's strong advocacy of the earlier liberalism contrasted with his equally strong rejection of post New Deal liberalism At the beginning of the New Deal Richberg supported Roosevelt's National Recovery Administration program but as time went on he was unable to accept the growth of big government and the welfare state that later evolved from it Many of the old liberals firmly believed in the viability of competition opportunity and individualism and abhorred the later efforts of younger liberals to expand the functions of government Donald Richberg's story is one of a persistent faithfulness to the older concept of liberalism      *That Man* Robert H. Jackson, 2004-12-23 This intimate portrait of Franklin D Roosevelt was written by his close friend and associate the late Supreme Court Justice Robert H Jackson      The Age of Roosevelt: The coming of the New Deal Arthur Meier Schlesinger (Jr.), 1959 For contents see Author Catalog      *New York Herald Tribune Book Review*, 1954      The Coming of the New Deal Arthur M. Schlesinger, Jr., 1959      *American Autobiography, 1945-1980* Mary Louise Briscoe, 1982 This bibliography provides access to over 5 000 American autobiographies published in book form by private and commercial presses from 1945 through 1980 intro      **Dictionary Catalog of the History of the Americas** New York Public Library. Unlikely Diplomats Isabel Campbell, 2013-11-18 In 1951 Canada sent troops to western Europe to support its NATO allies The brigade helped Canada establish its international status In private however Canadian officials and military leaders expressed grave doubts about NATO's strategies and operational plans Despite these reservations they sent military families overseas and implemented personnel policies that permanently changed the distribution of the defence budget and the character of the Canadian Army This original account of the evolution of the Canadian Army from a small training cadre to a truly national force offers a new perspective on military policy and diplomacy in the Cold War era      **Encyclopedia of American Biography** Winfield Scott Downs, 1934      Letters of Louis D. Brandeis: Volume V, 1921-1941 Louis D.

Brandeis,1978-06-30 This volume which opens after the great schism in the Zionist movement and closes with Brandeis's death depicts him trying in a variety of ways to make the world a better place Once again the scope of his interests and the intensity of his involvement is astounding He writes on Zionism Palestine the liberal press economics the University of Louisville family affairs Savings Bank Life Insurance the Harvard Law School unemployment compensation prohibition enforcement civil liberties and much more The book also includes a cumulative index to all five volumes that will make it easier for students and scholars to trace the various threads that were woven together in the quite remarkable life of this one man **AMERICAN HERITAGE**,1955 *The Independent* Leonard Bacon,Joseph Parrish Thompson,Richard Salter

Storrs,Joshua Leavitt,Henry Ward Beecher,Theodore Tilton,Henry Chandler Bowen,William Hayes Ward,Hamilton Holt,Fabian Franklin,Harold de Wolf Fuller,Christian Archibald Herter,1922 **The Codex of the Endangered Species**

**Act** Lowell E. Baier,2023-07-25 The Endangered Species Act of 1973 ESA is one of the most cherished and reviled laws ever passed It mandates protection and preservation of all the nation's species and biodiversity whatever the cost It has been a lightning rod for controversy and conflicts between industry business and environmentalists The year 2023 marks the 50th anniversary of this law and provides an opportunity for a measured and thorough evaluation thereof We cannot know today's challenges and opportunities without understanding their histories This book is the most comprehensive history of the ESA ever published and the first to consider the entire history of the law from all angles in a single volume The history of the ESA has been one of increasing impact complexity and controversy In 1978 the Supreme Court declared that Congress intended for the U S government to save all species at any cost and thereafter application of the ESA became steadily more controversial as seen in the example of the northern spotted owl and the timber wars in the Pacific Northwest in the late 1980s and early 90s and then everywhere as the ESA became a political football in the highly partisan environment of the late 1990s and amendments to the law ceased This book is not only a history but a call to action It will take more conservation more funding and more innovative solutions if we are to save our wildlife and biodiversity It will take the engagement to every American to muster the collective will to meet this challenge The hope of this book is that we will be able to look back and say that we accomplished more in the second 50 years of the ESA than we did in the first **The Bob**
