**Pangasm** Lori s. Dante,2011-03-24 recently a reader wrote about pangasm I have read Pangasm and I continue to meditate on it I have been using it as kind of an inspiration for a modern form of Taoist sexual therapy I use its principles as I work to merge the earth chakras The transformative energy has been tremendous Reclaiming my desire body has reconciled so many divisions in my psyche The process continues to unfold Pangasm played a role in giving me the courage to become a massage therapist and its principles help me relate to and appreciate my clients friends spouse lovers etc It has healed the place where I used to be afraid of women What a brilliant message     The Song of My Dance and the Dance of My Dreams

John A. Theodore,2008-11-14 After reading all his works and critically reading his collection of poetry I can say that his poetry can be compared to that of John Keats and William Blake Reading the Epilogue of this book will give you a glimpse of the poetic mind of the poet Theodore Hope that he continues to write poetry till the end of his life His contribution shall always be for the mind of those who search for the truth Going beyond the limits of institutionalised religions he seeks the truth and it gives a sense of the mystery to all his writings It attracts me and gives me a sense of satisfaction He asks the reader Does a raindrop find itself when it falls in the river Are you really present to the life you have On the paths mildly lighted by angels I walk along to see at the end light pure That is exactly his life He lives in a world of dreams and in his own world of ideas He can love like a child and smile like a child Simplicity to the core is his way I built a golden tent and called all my friends of nature to come and rejoice with me like little lambs The gift of imagination is his great strength In his ordinary talks or prepared lectures or preaching in his churches he dances with the steps of a fairy He writes again perceive the soul of beauty in you sustain the imaginative perceptions and wonder like a child To understand his poetry one has to sit and think and get the meaning of the symbols he uses There is always a mystical philosophy in his mind The naked observation of nature dealing with myths visionary ideas romantic ideals faith in the divine power the dignity of natural man and woman spirit and compassion all that you can read here in this bouquet of poems Professor Rudolf Rohr These are poems of depth with imaginative power and quality It is a joy for the mind Jain Jordan It is lyrical and inspiring He draws from the great wisdom traditions and leads his ideas into a culmination of ecstasy Michelle Godson It is an ecstasy of true romance a romance of the soul with the God of love Jeremiah Rosenthal Passion romance God and nature life and its pains innocence and beauty are the constant themes of this poetry It is like the songs of a morning bird singing in your soul Paul Kowalski

The Conqueror Gertrude Franklin Horn Atherton,2019-12-09 Set against the backdrop of the California Gold Rush Gertrude Franklin Horn Atherton s novel The Conqueror intricately weaves themes of ambition gender and social upheaval Atherton s lyrical prose immerses readers in the richly depicted historical contexts of the late 19th century blending vivid characterizations with an astute exploration of the societal constructs that shaped women s identities during this tumultuous period The novel critiques both the ideals of success and the harsh realities of life capturing the spirit of resilience and the

dark undercurrents of ambition that define human endeavors Atherton a prominent figure in American literature and an advocate for women s rights draws from her own experiences growing up in a time of progressive social change Her reflections on her Californian upbringing and the challenges faced by women in a patriarchal society undoubtedly influenced her narrative style and thematic focus Atherton s personal struggles and triumphs as a writer and feminist illuminate the depth of her characters making them relatable to contemporary audiences while remaining rooted in historical realism For readers fascinated by nuanced explorations of women s lives The Conqueror is a compelling and thought provoking read that offers both historical insight and emotional depth Atherton s masterful storytelling invites readers to reflect on the complexities of ambition and identity making this novel a timeless piece worthy of exploration **All Things New** Pete

Ryan,2024-01-09 A landmark account of how Keat s

religion shaped his life and poetry John Keats 1795 1821 was an earnest seeker after truth who believed in the existence of a Supreme Being and felt a need to investigate the consequences and ramifications of that belief Keats The Religious Sense reconstructs the historical social and intellectual environment that fostered Keats s religious convictions and describes the faith he adopted for himself In this landmark book Robert Ryan follows Keats s religious development through its observable chronological stages beginning with the process by which he abandoned the Christian faith of his upbringing Ryan shows how religious speculation and discussion played a significant formative role in the poet s intellectual development especially in the years of his greatest achievement and argues that Keats s critical judgments of Shakespeare Milton and Wordsworth as well as some of his famous theoretical pronouncements on poetry including his remarks on negative capability and the truth of Imagination cannot be fully understood without understanding the religious context in which they were made A

Miscellany Andrew Cecil Bradley,1929 **My Religion: Reel or Real?** Rev. Benjamin A. Vima,2013-09-27 As the cradle religion I belong to has been at every age probing into her managing and conserving of the Mysterious Treasures entrusted to her with the enlightenment offered by Vatican Council II I too longed to scrutinize my own handling of Catholic Christian Ffaith I wanted to examine whether the religion I practice personally was real or reel tTrue or false gGenuine or false aAuthentic or artificial hHeartfelt or routine fFruitful or poisonous oOriginal or counterfeit sSingle hearted or double hearted Certainly as a priest I had lot of occasions like recollections and retreats regularly to regularly assess the

genuineness of my religious holdings and practices Though I began 10ten years back gathering all my scribbles and journals of evaluation about my personal religion I started putting them seriously into a book form only after Pope Benedict XVI announced year 2012 as the Year of Faith I considered it a call from God who wanted to befriend me more intensely and to promote to my friends this habit of assessing ones own faith This is how this book was conceived and shaped This book can be considered as a self imposed act of examining my conscience about the identity nature and application and practice of religion in my life I hope and pray this effort of mine will surely assist my readers do the same not only during this Year of Faith as it would be ended 24 November 24 2013 but also later on in life when tumult of waves and trials is daunting against our faith and religion

*Keats and Philosophy* Shahidha Bari,2012-09-10 John Keats remains one of the most familiar and beloved of English poets but has received surprisingly little critical attention in recent years This study is a fresh contribution to Keats criticism and Romantic scholarship positioning Keats as a figure of philosophical interest who warrants renewed attention Exploring Keats s own Romantic accounts of feeling and thinking this study draws a connection between poetry and the phenomenological branches of modern philosophy The study takes Keats s poetic evocation of touching hands wandering feet beating hearts and breathing bodies as a descriptive elaboration of consciousness and a phenomenological account of experience The philosophical terms of analysis adopted here challenge the orthodoxies of Keats scholarship traditionally characterised by the careful historicisation of a limited canon The philosophical framework of analysis enhances the readings put forward while Keats s poems in turn serve to give fuller expression of those ideas themselves Using Keats as a particular case this book also demonstrates the ways in which theory and philosophy supplement literary scholarship

**Embodying Osiris** Thom F. Cavalli,2010-11-01 The modern Western movement to embrace Eastern spiritual traditions usually stops with India and the Orient Westerners have yet to discover the wisdom that dates back even

further to ancient Egypt With a Jungian perspective clinical psychologist Dr Thom F Cavalli plumbs that wisdom through the myth of Osiris the green skinned Egyptian god of vegetation and the Underworld As no one else has done Cavalli draws on Osiris s death and resurrection as a guide to spiritual transformation The myth represents the joining of the conscious and the unconscious the light and the dark life and death and shows how to live our temporal existence in service to and anticipation of eternal life Cavalli sees the ancient art of alchemy which attempted to turn lead into gold as the key The alchemical recipe solve et coagula solution and coagulation encoded in the myth describes the integration of all parts of a person and the method for achieving an experience of immortality in life and eternal life after death The Osiris myth thus provides a model for the contemporary quest for individuation the Jungian term for integrating ego and self body and soul in the process of becoming whole     The Indicator ,1848     **A World Beyond Physics** Stuart A.
