them nor me from calling a spade a spade      **The Secret Life of Families** Evan Imber-Black,2009-08-19 Secrets come in all shapes and sizes And for families as well as individuals they are built on a complex web of shifting motives and emotions But today when personal revelations are posted on the Internet or sensationalized on afternoon talk shows we risk losing touch with how important secrets are how they are used and abused their power to harm and heal In this important work Evan Imber Black explores the nature of secrets helping us understand The distinction between healthy privacy and toxic secrecy What to tell and not to tell young children How to safely confront a family zone of silence Why adolescents need to have some secrets and where to draw the line The effect of official secrets like sealed adoption records and medical testing What to consider before revealing an important secret And much more Filled with moving first person stories The Secret Life of Families provides perspective on some of today s most sensitive personal and social issues Giving voice to our deepest fears and to our power to overcome them this is a book that will be talked about for years to come      **How to Kill Your Husband (And Other Handy Household Hints)** Kathy Lette,2024-06-20 All women want to kill their husbands some of the time Where there s a will I intend to be in it wives half joke to each other Marriage it would appear is a fun packed frivolous hobby only occasionally resulting in death But when Jazz Jardine is arrested for her husband s murder the joke falls flat Life should begin at 40 not with life imprisonment for killing your spouse Jazz stay at home mum and domestic goddess Hannah childless career woman and Cassie demented working mother of two are three ordinary women Their record collections are classical not criminal Cassie and Hannah set out immediately to prove their best friend s innocence uncovering betrayal adultery plot twists thinner thighs and toy boys aplenty en route but will their friendship survive these ever darker revelations      *Bonnie Kaye's Straight Talk* Bonnie Kaye,2008-09-28 Bonnie Kaye s Straight Talk is a collection of the best of her monthly newsletters from 2001 2008 These are the newsletters that her support network members call their lifeline when unraveling the complexities of their marriages to their gay husbands In Kaye s own words This is the best survival guide for women who suspect or find out that their husbands are homosexual These newsletters were written from my heart about my own life experiences as well as those of some of my support network members I clearly explain how and why your husbands are gay as well as provide good advice on how to handle those difficult situations such as rebuilding your sexual and self esteem After reading this book you will understand how to make the only rational choice to survive emotionally after this happens to you It will help you identify with the millions of other women in this situation who can identify and feel every raw emotion you are going through now and understand the challenges you face in the years ahead of healing and starting over Kaye who has counseled over 35 000 women since 1984 is considered the national expert on Straight Gay marriages by the media She is a consultant and guest for the major talk shows and news shows throughout the country Kaye has written four other books to address this topic but she believes that this collection of her newsletters is The best of my best About the Author Bonnie Kaye is recognized as an international expert in the field She acts as a consultant for major news networks
