writing and reading practices Beginning with an examination of non fictional diaries and the practice of diary writing it assesses the interaction between the fictional diary and other forms of literary production such as epistolary narrative the periodical the factual document and sensation fiction The discrepancies between the private diary and its use as a narrative device are explored through the writings of Frances Burney Elizabeth Gaskell Anne Bront Dinah Craik Wilkie Collins and Bram Stoker It also considers women as writers readers and subjects and demonstrates ways in which women could become performers of their own story through a narrative method which was authorized by their femininity and at the same time allowed them to challenge the myth of domestic womanhood This book will be of interest to those studying 19th century literature and women in literature Notes and Queries ,1872 **Order of the Proceedings at the Darwin Celebration**

**Escaped Nuns** Cassandra L. Yacovazzi,2018-08-21 Just five weeks after its publication in January 1836 Awful Disclosures of the Hotel Dieu Nunnery billed as an escaped nun s shocking expos of convent life had already sold more than 20 000 copies The book detailed gothic style horror stories of licentious priests and abusive mothers superior tortured nuns and novices and infanticide By the time the book was revealed to be a fiction and the author Maria Monk an imposter it had already become one of the nineteenth century s best selling books In antebellum America only one book Uncle Tom s Cabin outsold it The success of Monk s book was no fluke but rather a part of a larger phenomenon of anti Catholic propaganda riots and nativist politics The secrecy of convents stood as an oblique justification for suspicion of Catholics and the campaigns against them which were intimately connected with cultural concerns regarding reform religion immigration and in particular the role of women in the Republic At a time when the term female virtue pervaded popular rhetoric the image of the veiled nun represented a threat to the established American ideal of womanhood Unable to marry she was instead a captive of a foreign foe a fallen woman a white slave and a foolish virgin In the first half of the nineteenth century ministers vigilantes politicians and writers male and female forged this image of the nun locking arms against convents The result was a far reaching antebellum movement that would shape perceptions of nuns and women more broadly in America C.F. Martin & His Guitars, 1796-1873 Philip F. Gura,2003 The author chronicles the remarkable story of the world s most famous guitar company using more than 175 illustrations to tell the story of C F Martin and the company he created using letters account books inventories and other documents **Performing Arts Philosophical Magazine** ,1855
