Lasting Female Educational Leadership Laura Hills,2012-08-14 Our colleges and universities are being led in large part by baby boomers who are now in later midlife Huge numbers of those middle aged leaders will retire within the next 10 years While we know that being in later midlife and impending retirement must influence a person in a leadership position at an institution of higher learning we don t really understand how This book is based upon an empirical study that linked higher education leadership to one aspect of midlife known as generativity This psychosocial phenomenon was described by Erik Erikson as a desire that peaks in midlife to leave something for future generations before one dies Generativity typically manifests itself in the legacy one intends to leave The author of this book has completed a multiple case study of women who are in later midlife and who hold high level leadership positions at an institution of higher learning In this work she shares more than has ever been known about the nature antecedents and support of generativity in the leadership of female higher education leaders in midlife

Redemption Joseph Rosenbloom,2018-03-27 An immersive humanizing and demystifying look at the final hours of Martin Luther King Jr s life as he seeks to revive the non violent civil rights movement and push to end poverty in America Charles Blow New York Times King comes to life in death a courage ever so inspiring Ibram X Kendi author of *Stamped from the Beginning* At 10 33 a m on April 3 1968 Dr Martin Luther King Jr landed in Memphis on a flight from Atlanta A march that he had led in Memphis six days earlier to support striking garbage workers had turned into a riot and King was returning to prove that he could lead a violence free protest King s reputation as a credible non violent leader of the civil rights movement was in jeopardy just as he was launching the Poor Peoples

Campaign He was calling for massive civil disobedience in the nation's capital to pressure lawmakers to enact sweeping anti-poverty legislation But King didn't live long enough to lead the protest He was fatally shot at 6 01 p m on April 4 in Memphis Redemption is an intimate look at the last thirty one hours and twenty eight minutes of King's life King was exhausted from a brutal speaking schedule He was being denounced in the press and by political leaders as an agent of violence He was facing dissent even within the civil rights movement and among his own staff at the Southern Christian Leadership Conference In Memphis a federal court injunction was barring him from marching As threats against King mounted he feared an imminent violent death The risks were enormous the pressure intense On the stormy night of April 3 King gathered the strength to speak at a rally on behalf of sanitation workers The Mountaintop Speech an eloquent and passionate appeal for workers rights and economic justice exhibited his oratorical mastery at its finest Redemption draws on dozens of interviews by the author with people who were immersed in the Memphis events features recently released documents from Atlanta archives and includes compelling photos The fresh material reveals untold facets of the story including a never before reported lapse by the Memphis Police Department to provide security for King It unveils financial and logistical dilemmas and recounts the emotional and marital pressures that were bedeviling King Also revealed is what his assassin James Earl Ray was doing in Memphis during the same time and how a series of extraordinary breaks enabled Ray to construct a sniper's nest and shoot King

The Taint of Midas Anne Zouroudi, 2011-07-20 Gabrilis Kaloyeros is a bee keeper on the beautiful Greek island of Arcadia The ruined Temple of Apollo has been in his care for decades and he has worked to protect it But when crooked developers take over the island and the value of the land soars he is persuaded through unscrupulous means to sign away his interest Hours later he meets a violent lonely death When detective Hermes Diaktoros finds his friend's battered body by a dusty roadside the police quickly name him the prime suspect But with rapacious developers threatening Arcadia's most ancient sites many stand to gain from Gabrilis's death Hermes resolves to avenge his old friend and find the true culprit but his methods are as ever unorthodox As in The Messenger of Athens Anne Zouroudi tells a spellbinding mystery set in an enchanted place where the myths of the ancient past intersect with the realities of contemporary life with deadly results

It Is Written Chuck Chapman, 2023-11-17 For we do not wrestle against flesh and blood but against principalities against powers against the rulers of the darkness of this age against spiritual hosts of wickedness in the heavenly places Ephesians 6 12 It is written that there is an ancient war going on Whether you are aware of it or not whether you believe in that sort of thing or not and whether you care or not that battle rages on even now as you read this Have you ever wondered Is the devil real Can people really be possessed by demons If so can Christians be affected by demonic activity What power does the enemy have over me What power do I have over the enemy Is there anything I can do to lose that power Is there anything I can do to gain more power How do I claim and use my authority in Christ Is there any way to get the devil to leave me and my family alone It Is Written A Field Guide to Spiritual Warfare answers all of these questions and more by pointing

the reader to the Word of God book chapter and verse for relevant practical application on exactly how to overcome Satan and his army as well as how to take the fight to the enemy Are you tired of getting pounded on by the devil day after day week after week month after month and year after year If so then this is the path to freedom for you It may surprise you to learn that it is written that if you are an authentic obedient child of God then the devil doesn't have any power over you unless you just give it to him Furthermore it is written that if you are indeed in Christ then you are actually the one with all the power and authority over the kingdom of darkness Behold I give you the authority to trample on serpents and scorpions and over all the power of the enemy and nothing shall by any means hurt you Luke 10:19 It Is Written A Field Guide to Spiritual Warfare will teach you exactly how to endorse and enforce this God given power and authority
