Judy & I: My Life with Judy Garland Sid Luft, 2018-04-19 Sid Luft, amateur boxer, producer, and Judy Garland's third husband, was the one man in her life who stuck around helping her achieve a meteoric comeback in the 1960s. It was Luft who reversed the fortunes of an apparently faded career, seeing her triumph at Carnegie Hall in *A Star Is Born* and *The Judy Garland Show*. Previously unpublished, Sid Luft's intimate autobiography tells their story in hard-boiled yet elegant prose. It begins on a fateful night in New York City when the not quite divorced Judy and the not quite divorced Sid meet at Billy Reed's Little Club. A straight-talking sharp shooter, Sid fell for Judy hard and fast, and the romance persisted through separations, reconciliations, and later divorce. However, her drug dependencies and suicidal tendencies put a tremendous strain on the relationship. Sid did not complete his memoir; it ended in 1960 after Judy hired David Begelman and Freddie Fields to manage her career. But Randy L. Schmidt, acclaimed editor of *Judy Garland on Judy Garland*, seamlessly pieced together the final section of the book from extensive interviews with Sid, most previously unpublished. Despite everything, Sid never stopped loving Judy and never forgave himself for not being able to save her from the demons that ultimately drove her to an early death at age forty-seven in 1969. Sid served as chief conservator of the Garland legacy until his death at the age of eighty-nine in 2005. This is his testament to the love of his life. In prose so brassy that it bruises the sensibilities, Luft illuminates the dark side of life in the spotlight and dispels any sentimental illusions about the glories of show business in Hollywood's classic age. *The New Yorker*

The Film That Changed My Life Robert K. Elder, 2011-01-01 The movie that inspired filmmakers to direct is like the atomic bomb that went off before their eyes. *The Film That Changed My Life* captures that epiphany. It explores 30 directors' love of a film they saw at a particularly formative moment, how it influenced their own works, and how it made them think differently. *Rebel Without a Cause* inspired John Woo to comb his hair and talk like James Dean. For Richard Linklater, something was simmering in me, but *Raging Bull* brought it to a boil. *Apocalypse Now* inspired Danny Boyle to make larger-than-life films. A single line from *The Wizard of Oz*, "Who could ever have thought a good little girl like you could destroy all my beautiful wickedness," had a direct impact on John Waters. That line inspired my life, Waters says. I sometimes say it to myself before I go to sleep like a prayer. In this volume, directors as diverse as John Woo, Peter Bogdanovich, Michel Gondry, and Kevin Smith examine classic movies that inspired them to tell stories. Here are 30 inspired and inspiring discussions of classic films that shaped the careers of today's directors and, in turn, cinema history.
