My Life with the Samurai Tony Cowling, 1996 Captured in Java by the Japanese Cowling was won of the few to survive a succession of slave labor camps including Semarang Jaar Markt Haruku Ambon and Muna *Asia-Pacific Defence Reporter*, 1997 Forthcoming Books Rose Arny, 1997 Books in Print, 1991 *Subject Guide to Books in Print*, 2001 The History of Anglo-Japanese Relations, 1600-2000 I. Nish, Y. Kibata, 2000-09-28 Volume II in this series of five volumes deals with relations between Japan and Britain in the poetical diplomatic sphere from 1931 to the present day From the political diplomatic standpoint it discusses the deteriorating relationship of the 1930s and leads on to the development of increasingly healthy postwar relations The book consists of parallel essays from Japanese and British academic specialists

The Cumulative Book Index, 1997 A world list of books in the English language *Whitaker's Books in Print*, 1998 *American Book Publishing Record*, 1997 Bowker's Complete Video Directory, 1999, 1999 *Intersect Japan*, 1995 *Canadian Books in Print*, 1993 My Life with the Samurai Tony Cowling, 2003 **Freedom Lost** Frederick M. Fullerton, 2007 *Billy Lynette Ramsay Silver*, Keith Young, 2016 Billy's Story My Life as a Teenage POW has been compiled from a personal chronicle penned by Billy Young throughout the 1970s supplemented by hundreds of conversations that Lynette and Billy have shared in the course of their close friendship spanning more than two decades It is the only first hand published account by an ordinary soldier imprisoned by the Japanese at the infamous Sandakan POW Camp and one of only three books by a survivor at the Kempeitai's equally notorious Outram Road Gaol Billy is now the only soldier left alive from Sandakan and the only Australian prisoner still alive from Outram Road Lynette Silver provides historical details gleaned from years of combing archival documents and Billy gives his unique narrative immerse vibrancy and life as he takes the reader on a very personal journey Through the eyes of a tearaway teenaged soldier Billy shares his thoughts and experiences some of which have never before been revealed secrets that he has kept even from his closest family **Boy General** Yashi Nozawa, 2016-11 Nowadays we are afraid of direct terrorist attacks to the homeland United States by Islamic suicide bombers The effectiveness of the systematic suicide attack was first demonstrated by Japanese fighters during the Pacific War At that time not only soldiers and sailors but many civilians were willing to commit suicide After the defeat of Japan these people who had committed suicide attacks were disdained as victims of foolish wartime fever by self proclaimed pacifist defeatists There was no serious study or discussion about volunteer suicide attackers To me a person who survived the Pacific War it was unsettling We were serious and ready to die willingly for the country I decided to write about how we were brought up to be a ready to die patriots based on my personal experience This book describes my boyhood life from my earliest memory to the time immediately before the Pearl Harbor attack I was born in a part of the city of Tokyo in 1932 the year the Manchurian Incident occurred My father was an Army Sergeant involved in a failed coup d'etat the 2 26 Incident in 1936 and forced to resign from the Army This event obliged our family to move into a slum area of the city I encountered

events similar to those many children faced in their world such as bullying petty theft etc Also I observed the unique attitude toward death in Japanese communities My mother struggled to secure a permanent job and eventually gained a clerical position in municipal government after considerable hard work of preparation and overcoming of psychological obstacles My father who pretended to be a modern day samurai guided me to have the character of samurai He also hoped for me to become an Army General to restore his lost ideal In school I encountered a new wave of Emperor worship and militaristic education reform All pupils had to behave like miniature soldiers including corporal punishment a common practice in the Japanese Army When both parents had jobs our economic situation improved but it also brought a new problem to us My baby sister and I endured a motherless life during working hours Then suddenly all Japanese people were thrown into the incomprehensible war against the United States and Great Britain *"My Long Holiday" : a Short Story by One Prisoner of War of the Japanese* N. P. Farquhar,1998 Frequently when World War II was discussed and the small part I played in it was mentioned my great friend Brigadier F T Whitelaw described my three and a half years as a Japanese Prisoner of War as a Long Holiday For want of a better title this short account of my time as a POW is titled My Long Holiday
