On the Way James J. Rawls, 2018-05-29 On the Way is a book of reflections on one man's journey of faith Its origins lie in the universal longing of humankind for something beyond ourselves for something once present that has diminished with the passing of time This presence now is sensed only fleetingly yet the longing persists The title of the book has a double meaning On the Way refers to the journey of faith our lifelong pilgrimage from God and to God But it also points to the one who leads us on this journey the one who says I am the way and the truth and the life On the Way is a collection of one hundred devotional readings reminiscent of Spurgeon's classic Morning and Evening Daily Readings and the Benedictine Lectio Divina It is intended to stir within the reader some forward movement in their own journey of
