fairy tale The letters offer an interesting version of the evolution of sexual knowledge from childhood through adolescence The second piece The Devil His Grandmother 1922 merges sexuality with religion encapsulating three ages of woman child to a lost soul and the Devil s bride to the Devil s Grandmother Written in charmingly convoluted dialogue this work has a cinematic fanciful feel Both pieces dispense with academic formality and point to a relaxed new phase in Salome s writing life Interestingly this tone can also be detected in her blossoming correspondence with Sigmund Freud which contrasts starkly with her sombre letters to Rainer Maria Rilke It is with the spirit of free thinking demonstrated in these two selections perhaps informed by Salome s experimentation with free association that the reader is transported to a new theatre of Salome s imagination

Gandhi's Footprints Predrag Cicovacki, 2015-10-31 Mahatma K Gandhi s dedication to finding a path of liberation from an epidemic of violence has been well documented before The central issue and the novelty of this book is its focus on what Gandhi wanted to liberate us for The book also provides an assessment of how viable his positive vision of humanity is Gandhi revolutionized the struggle for Indian liberation from Great Britain by convincing his countrymen that they must turn to nonviolence and that India needed to be liberated from its social ills poverty unemployment opium addiction institution of child marriage inequality of women and Hindu Muslim frictions even more than it needed political freedom Although Gandhi s legacy has not been forgotten it has often been distorted He is called Mahatma and venerated as a saint but not followed and often misinterpreted Predrag Cicovacki attempts to de mythologize Gandhi and take a closer look at his thoughts aims and struggles He invites us to look at the footprints Gandhi left for us and follow them as carefully and critically as possible Cicovacki concludes that Gandhi s spiritual vision of humanity and the importance of adherence to truth satyagraha are his lasting legacy *Harper's New Monthly Magazine* ,1875 The Christian Work and the Evangelist ,1906 *Current Literature* ,1889

Sunshine All the Year Round ,1888 *The Church* ,1860 And Then She Fell Alicia Elliott, 2023-09-26 A Most Anticipated Book Pick by Good Morning America Bustle CrimeReads Electric Literature Debutiful and Ms Magazine A mind bending razor sharp look at motherhood and mental health that follows a young Indigenous woman who discovers the picture perfect life she always hoped for may have horrifying consequences On the surface Alice is exactly where she thinks she should be She s just given birth to a beautiful baby girl Dawn her charming husband Steve a white academic whose area of study is conveniently her own Mohawk culture is nothing but supportive and they ve moved into a new home in a posh Toronto neighborhood But Alice could not feel like more of an impostor She isn t connecting with her daughter a struggle made even more difficult by the recent loss of her own mother and every waking moment is spent hiding her despair from Steve and their ever watchful neighbors among whom she s the sole Indigenous resident Even when she does have a minute to herself her perpetual self doubt hinders the one vestige of her old life she has left her goal of writing a modern retelling of the Haudenosaunee creation story Then as if all that wasn t enough strange things start to happen She finds herself losing bits of time and hearing voices she can t explain all while her neighbors

passive aggressive behavior begins to morph into something far more threatening Though Steve assures her this is all in her head Alice cannot fight the feeling that something is very very wrong and that in her creation story lies the key to her and Dawn s survival She just has to finish it before it s too late Told in Alice s raw and darkly funny voice And Then She Fell is an urgent and unflinching exploration of inherited trauma womanhood denial and false allyship which speeds to an unpredictable and surreal climax
