**Heroes to Hostages** Firoozeh Kashani-Sabet, 2023-08-24 It is easy to forget given the oppositional dynamic between Iran and the United States of the last 50 years that these two countries once shared productive partnership Tracing US Iran relations over two turbulent centuries Firoozeh Kashani Sabet considers when and how this relationship went awry With careful attention to social and cultural as well as diplomatic developments Kashani Sabet shows that the rift did not originate in flashpoints of crisis like the 1953 coup or the 1979 Islamic Revolution but was instead long in the making Drawing from a wealth of English and Persian language sources many of which were previously unavailable or unacknowledged this book considers the relationship from the vantage point of Iranian society and the experiences of an evolving Iran that strived to accommodate American and great power politics Following these two nations through wars decolonization and revolution Kashani Sabet presents an invaluable history of a diplomatic rivalry that informs geopolitics to this day

**Apocalyptic Islam and Iranian Shi'ism** Abbas Amanat, 2009-02-19 Interest in Shi i Islam is running at unprecedented levels International tensions over Iran where the largest number of Shi i Muslims live as well as the political resurgence of the Shi i in Iraq and Lebanon have created an urgent need to understand the background beliefs and motivations of this dynamic vision of Islam Abbas Amanat is one of the leading scholars of Shi ism And in this powerful book a showcase for some of his most influential writing in the field he addresses the colourful and diverse history of Shi Islam in both premodern and contemporary times Focusing specifically on the importance of apocalypticism in the development of modern Shi i theology he shows how an immersion in messianic ideas has shaped the conservative character of much Shi i thinking and has prevented it from taking a more progressive course Tracing the continuity of apocalyptic trends from the Middle Ages to the present Amanat addresses such topics as the early influence on Shi ism of Zoroastrianism manifestations of apocalyptic ideology during the Iranian Revolution of 1979 and the rise of the Shi i clerical establishment during the 19th and 20th centuries His book will be an essential resource for students and scholars of both religious studies and Middle Eastern history

Hyde,Shane Lems,2011-01-04 As a response to the unique challenges facing the twenty first century American church church planting has become a popular topic But at a time when churches that spread the seed of the Word through preaching the sacraments and prayer are greatly needed much of the focus has been on planting churches that adapt pop culture to meet consumer demand In *Planting Watering Growing* the authors of this collection of essays weave together theological wisdom personal experiences and practical suggestions guiding readers through the foundations and methods of planting confessional churches that uphold the Word of God Majority World Perspectives on Christian Mission Nico A. Botha,Eugene Baron,2022-05-12 It affords us real pleasure to present this editorial on behalf of the Majority World Christian Leaders Conversation MWCLC The MWCLC started slowly but surely since 2016 following a groundbreaking conversation among eleven mission practitioners from the Majority World who met in the United Kingdom somewhere between London and Oxford At the meeting several themes emerged under the banner of missionary questions and impulses of the Majority World from the perspective of the reign of God These themes and more find reflection in the book However before proceeding to the content of the anthology a note on the concept Majority World seems necessary The time where terms like Third World gained strong currency is long since gone The term Majority World is a new kid on the block and requires some

clarification The use of the term is a strategy of avoiding concepts like Developing or Third World or even Global South which are pejorative in a real sense To speak of the Majority World is geographically accurate in that Africa Asia and Latin America are included

**They Were Pilgrims** Marcus L. Loane, 2006 They Were Pilgrims is the story of four remarkable men who shared a common spiritual aim and ideal They were David Brainerd Henry Martyn Robert Murray M Cheyne and Ion Keith Falconer Their average life span was only thirty years but they left a spiritual impact on their generation which was altogether out of the ordinary Their lives covered the period of history from 1718 to 1887 A clear line of spiritual descent can be traced from David Brainerd to Henry Martyn from Brainerd and Martyn to Robert Murray M Cheyne and from Martyn to Ion Keith Falconer They were all linked to the missionary movement which had its birth in the great spiritual awakening of the eighteenth century They were pioneers in this missionary movement Brainerd with the Native North Americans M Cheyne with the Jews of Palestine and Central Europe Martyn and Keith Falconer in the Muslim world of Persia and Arabia Their contribution to missionary work would be enough in itself to invest their lives with outstanding interest But the greatest single feature in their lives was their unqualified self surrender to the claims of God This book tries to pull up the blinds so that readers can see through the window and can trace the inner spiritual development of these exemplary Christians It is the freshness and clarity of this record of personal devotion which makes the story of their pilgrimage so relevant for the whole hearted disciple of Christ today
