Using Poetry Across

the Curriculum Barbara Chatton, 2010-01-13 This comprehensive listing and discussion of poetic works supports the standards of all areas of the curriculum helping librarians and teachers working with kindergarten through middle school students This second edition of *Using Poetry Across the Curriculum Learning to Love Language* offers a comprehensive list of poetry anthologies poetic picture books and poetic prose works in a wide variety of subject areas While it maintains the original edition's focus on ideas and resource lists for integration of poetry into all areas of the curriculum it is thoroughly revised to cover current issues in education and the wealth of new poetry books available The book is organized by subject areas commonly taught in elementary and middle schools and within these by the national standards in each area Numerous examples of poetry and poetic prose that can be used to help students understand and appreciate aspects of the standard are listed A sampling of units that arise from groups of works writing and performance ideas and links across the curriculum is also included While many teaching ideas and topics provide references to the standards they meet this title is unique in starting with those standards and making links across them

More Mirrors in the Classroom Jane Fleming, Susan Catapano, Candace M. Thompson, Sandy Ruvalcaba Carrillo, 2016-06-08 Nearly 30% of all public school children attend school in large or mid size cities totaling more than 16 million students in 22 000 schools For schools serving culturally and linguistically diverse populations and large numbers of children living in poverty a significant achievement gap persists Proponents of multicultural education often advocate for instruction with culturally relevant texts to promote inclusion compassion and understanding of our increasingly diverse society Less discussion has focused on the significant body of research that suggests that culturally relevant texts have important effects on language and literacy development By connecting the dots of existing research *More Mirrors in the Classroom* raises awareness about the critical role that urban children's literature can play in helping children learn to read and write In addition it provides practical step by step advice for increasing the cultural relevance of school curricula in order to accelerate literacy learning
