Ruth Jones Rod Mills, 2012-09 The book of Ruth is arguably one of the most cherished stories in the Bible We marvel at this young Moabite widow and her sacrificial love towards her mother in law Naomi Countless wedding ceremonies echoed Ruth s timeless words Whither thou goest I will go We rejoice at Ruth s marriage to her kinsman redeemer Boaz Then the divine narrative leaves the reader to ponder those areas where the Bible is silent Why actually did Ruth leave with her mother in law Naomi for Bethlehem while the other widowed daughter in law Orpah choose to remain in Moab What might have been the circumstances surrounding the death of Ruth s first husband Mahlon Were Ruth and Orpah friends as well as

sisters in law What kind of men were Naomi's two sons Mahlon and Chilion Did Ruth's first husband Mahlon ever personally know her second husband Boaz What would a kinsman redeemer look like in our contemporary culture How did Ruth's childhood as a pagan Moabite girl prepare her for life with Naomi a God Fearing Jew Using his signature mixture of humor drama and imagination author and storyteller Rod Mills retells the Book of Ruth as it might occur in the 21st century with his novel Ruth Jones Faithful to the biblical chronology of events Ruth Jones leaves the reader with a greater appreciation for The Book of Ruth and with a profound sense of admiration for that remarkable Moabitess revealed in Scripture The Shadows of a Man James M. Sellers, 2020-08-16 The Shadows of a Man is a glimpse into the mind of a troubled and damaged boy making decisions that are destined to have lasting consequences This true story is about a boy abused and who was faced with all the haunting family issues he thought he could keep inside to channel his own demons but the shadows in his life has exploded into a cycle of drugs crime prostitution and murder The first part of this drama identifies with a child who is wise beyond his years a child who was put in a position in his young life to handle adult issues Now James must confront his Shadows of an abused and tortured past and decide who and what he really is and deal with The Shadows of a Man The Shadows are those hellacious levels of life It changes as life rearranges There is always hurt in the shadows as well as our unseen reflection What we do in the Shadows come out into the light This story is filled with bad choices broken pieces failures and a lot of pain It is also filled with a major change come back and a freedom in life Because there can be no after without a before This book is based on lies Love hate and murder and what actually happened **Hill Women** Cassie Chambers, 2021-01-12 After rising from poverty to earn two Ivy League degrees an Appalachian lawyer pays tribute to the strong hill women who raised and inspired her and whose values have the potential to rejuvenate a struggling region Destined to be compared to Hillbilly Elegy and Educated BookPage starred review A gritty warm love letter to Appalachian communities and the resourceful women who lead them Slate Nestled in the Appalachian mountains Owsley County Kentucky is one of the poorest places in the country Buildings are crumbling as tobacco farming and coal mining decline But strong women find creative ways to subsist in the hills Through the women who raised her Cassie Chambers traces her path out of and back into the Kentucky mountains Chambers's Granny was a child bride who rose before dawn every morning to raise seven children Granny's daughter Ruth the hardest working tobacco farmer in the county stayed on the family farm while Wilma the sixth child became the first in the family to graduate from high school Married at nineteen and pregnant with Cassie a few months later Wilma beat the odds to finish college She raised her daughter to think she could move mountains like the ones that kept her safe but also isolated from the larger world Cassie would spend much of her childhood with Granny and Ruth in the hills of Owsley County With her hill women values guiding her she went on to graduate from Harvard Law But while the Ivy League gave her opportunities its privileged world felt far from her reality and she moved home to help rural Kentucky women by providing free legal services Appalachian women face issues from domestic violence to the opioid

Monstrous Mothers: Troubling Tropes Andrea O'Reilly,Abigail L. Palko,2021-08-01 Motherhood is one of those roles that assumes an almost outsized cultural importance in the significance we force it to bear It becomes both the source of and the repository for all kinds of cultural fears Its ubiquity perhaps makes it this perfect foil After all while not everyone will become a mother everyone has a mother When we force motherhood to bear the terrors of what it means to be human we inflict trauma upon those who mother A long tradition of bad mothers thus shapes contemporary mothering practices and the way we view them including the murderous Medea of Greek mythology the power hungry Queen Gertrude of Hamlet and the emasculating mother of Freud s theories Certainly there are mother who cause harm inflict abuse act monstrously Mothers are human But mothers are also a favourite and easy scapegoat The contributors to this collection explore a multitude of interdisciplinary representations of mothers that through their very depictions of bad mothering challenge the tropes of monstrous mothering that we lean on revealing in the process why we turn to them Chapters in *Monstrous Mothers Troubling Tropes* explore literary cinematic and real life monstrous mothers seeking to uncover social sources and results of these monstrosities A Bit of Earth Andrea G.
